The County has hired BBC Research & Consulting to conduct a **disparity study** to assess whether any barriers exist for small businesses and minority- and woman-owned businesses that make it more difficult for them to compete for the County's contracts and procurements. The disparity study will:

- Measure the participation of small businesses and minority- and woman-owned businesses in the County's contracting
- Measure the availability of small businesses and minority- and woman-owned businesses for the County's contracting
- Assess marketplace conditions for small businesses and minority- and woman-owned businesses
- Help the County identify ways to make its contracting opportunities more accessible to small businesses and minority- and woman-owned businesses
