

## PUBLIC ANNOUNCEMENT

### REQUEST FOR STATEMENTS OF QUALIFICATION

The Hamilton County Engineer's Office are requesting statements of qualification for Engineering/ Right-of-Way Services for the following project:

PROJECT: **Fields Ertel Road (Snider to Wilkens)**  
PROJECT No.: **PID 114606, Hamilton Co. Project # 501715**

SUBMISSION DATE: **July 14, 2021**

(Statements of qualification received after **4:00 p.m.** on this date **WILL NOT** be considered.)

The work to be performed under this project is defined in the **Project Scope of Service – Review of Appraisal Reports**. If interested in this project, you are requested to submit **two (2) copies** of the required information Mr. Eric J. Beck, Hamilton County Engineer, 223 West Galbraith Road, Cincinnati, OH 45215; Attention: Mr. Todd Gadbury.

The statement of qualification must contain the following information:

- 1) Resumes of key technical personnel who will actually be assigned to the project.
- 2) A list of similar projects completed by the firm and the firm's personnel to be assigned to this project. The list shall include the name of the client/contact person and a telephone number for each reference project.
- 3) If the firm has more than one office, a statement as to the amount of work to be completed in each office, i.e. the primary location/office for each of the key technical personnel to be assigned to this project; the type of work to be completed in each office and the percentage of the total project work to be completed in each office.
- 4) A list of any sub-consultants that are to be used on this project, other than the geotechnical firm that will be selected by the County. Indicate the type of work to be completed by each sub-consultant and the percentage of the total project work to be completed by each sub-consultant.
- 5) A statement of whether or not the firm or any firm to be utilized as a sub-consultant on the project is currently on the Auditor of State's list of companies with unresolved findings for recovery.
- 6) A statement of the firm's current workload and the anticipated workload for next year.
- 7) A statement that the firm is able and willing to meet all provisions of the "Required Consultant Insurance" contained in the Scope of Service. If the firm is unable to meet certain provisions or if the firm intends to suggest changes to these provisions, these must be noted in the submitted letter.
