TO: Construction Project Stakeholders
FROM: Crystal Kolke, Contract Building Official
DATE: June 8, 2020
SUBJECT: Safe Start Job Site Requirements Attestation

In order to verify compliance with the Governor's Safe Start Washington approach to Phased Reopening, an attestation must be submitted to the City showing compliance with the Phase 2 Construction COVID-19 Job Site Requirements issued by the Governor's office.

I attest to the following:

1. My project has a comprehensive COVID-19 exposure control, mitigation, and recovery plan in place that includes a Job Hazard Analysis;
2. I have read and implemented all requirements of the Washington State Governor's Phase 2 Construction COVID-19 Job Site Requirements including any extensions or new rules adopted by a federal, state, or local regulatory agency as of the date of this signing;
3. A copy of my comprehensive COVID-19 exposure control, mitigation, and recovery plan will be posted at the job site along with the name and contact information of my COVID-19 Site Supervisor (Site Supervisor not required on single family residential job sites with 6 or fewer people on site);
4. I will conduct COVID-19 Safety Training before activity begins; and
5. All requirements will remain in effect while work is underway.
