Playgrounds separated by age

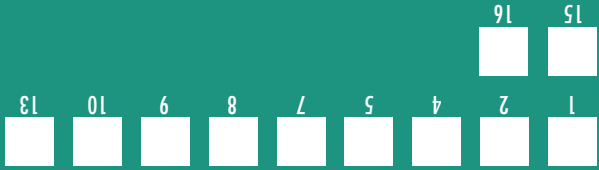

Playground[^] = Ages 5-12
 Playground* = Ages 2-5
 Playground = all ages

= multiple playgrounds at this location

5-13 Year Old Puzzle:

2-5 Year Old Puzzle:

Enter the letter or number that corresponds to the number at each park. PLEASE NOTE: The code may not be a phrase.

PUZZLE CODES

INSTRUCTIONS

1. Visit all the Lenexa playgrounds listed in the passport. Some parks have more than one playground, you only have to visit one to get the code for that park.
2. Find the playground passport sign at each playground. (Each sign will show a number and then a letter or number below it.)
 - Bottom number on sign tells you the box to write in.
 - Top letter or number is written in the box.
3. Bring your completed passport to the Lenexa Rec Center (17201 W. 87th St. Pkwy.) by Oct. 31 to receive a free t-shirt and toy, plus be entered to win a gift card of \$100, \$50 or \$25 to an outdoor sporting goods store.

PRO TIPS

- ✓ Signs are usually on existing posts within the park. Look near the playground as some are slightly beyond the playground.
- ✓ If you can't find a sign and the park has more than one playground check there for the sign it should have the same number and letter code.
- ✓ Siblings can share a passport, make sure to note all kids and all will be entered into the drawing.

If you believe the sign is missing please contact Jenny Doty at jdoty@lenexa.com.
