

CENTRAL MUNICIPAL POOL

CENTRAL POOL

NEW BUBBLE

SWIM MEET USAGE

BATHHOUSE

ABOUT THE PROJECT

Central Municipal Pool became a reality with the joint effort of the City of Cape Girardeau and the Cape Girardeau Public School District on May 12, 1980. This was the first major renovation of this facility. The bathhouse was renovated, a new slide was added to the facility, and a new “bubble” was purchased and installed to keep the pool operational during winter months. The pool also received an air lock storage unit, was repainted, and the pool deck was resurfaced.

PROJECT IMPACTS & BENEFITS

- Improvements to a community pool including the bathhouse and bubble structure allowing for lower operating costs
- Insured increased longevity for an Olympic size swimming pool
- Home of local swim teams including: Central High School, Notre Dame High School, Saxony Lutheran High School, River City Aquatics, and Cape County Castaways
- Improved comfort with modern materials which increased functionality for users
