

# OSAGE CENTRE

**FITNESS ROOM**

**FATHER DAUGHTER DANCE**

**MEETING SPACE**

## ABOUT THE PROJECT

On May 20, 2009, construction crews broke ground on the Osage Centre expansion project. The project saw a fitness room expansion, an additional four meeting rooms, and a new locker room addition to meet the increase in demands for fitness opportunities and meeting space. This project has created new space for socializing and exercise for the community. The project ribbon cutting was held on December 16, 2010.

## PROJECT IMPACTS & BENEFITS

- Created a greater capacity for fitness room users due to increased public demand
- Capabilities for increased fitness programs, including group fitness classes & personal training
- Additional meeting room space for community events like Cape Comic Con, craft fairs, Cape First Tea Party and many others
- Ability to expand community events like the garage sales and Father Daughter Dance.
