

# TRAIL MASTER PLAN & IMPROVEMENTS

CAPE LaCROIX TRAIL

ARENA PARK TRAILHEAD

TRAIL WIDENING

## ABOUT THE PROJECT

The popular Cape LaCroix trail had a master plan completed for upgrades and improvements. Improvements included sealing, asphalt, and widening from eight feet to twelve feet, as well as trail amenities like kiosks, maps, benches, and trash receptacles. Additionally, an Arena Park trailhead was added.

“Share the Road” signs were added throughout bike lanes in Cape Girardeau. And the Cape County Park trail was expanded.

## PROJECT IMPACTS & BENEFITS

- Cape LaCroix trail was widened to improve user experiences
- Improved and additional trail space provides for more community events on the trail
- Improvements and amenities lend to safer trails
- Improved stormwater drainage & wayfindings
