Distracted Driving 2019 Statewide Crackdown Grant
February 4, 2019

Dear Chief:

I am pleased to offer your department the opportunity to participate in our upcoming Distracted Driving Crackdown grant program. The Division of Highway Traffic Safety is prepared to offer your agency $5,500 in overtime enforcement grant funding, to be utilized during the Distracted Driving 2019 Statewide Crackdown from April 1-21, 2019.

If you choose to accept this invitation, you will submit your grant application online through the SAGE e-grant system. Detailed instructions follow. Please read the instructions carefully. The application for this grant will be available in SAGE beginning February 4, 2019 and must be submitted to NJDHTS by March 15, 2019.

When you access the grant application in SAGE, please familiarize yourself with the Project Methodology, as you will be expected to adhere to all components of it. This is a reimbursement grant, meaning your agency will incur the costs and then submit documentation to the Division, also through the SAGE system, to be reimbursed. The maximum hourly rate that will be reimbursed for the enforcement overtime is $55 per hour.

After you have submitted your completed application through SAGE, you will be notified of your approval through SAGE, as well. No written approvals will be sent out. Please be advised that submitting your application does not guarantee that you will get the grant, as the overall level of available funding for the campaign has not yet been determined.

If you have any questions, please call me at (609) 376-9706.

Sincerely,

Bob Gaydosh

STANDARD LANGUAGE DOCUMENT

JANUARY 1, 2019 – DECEMBER 31, 2019
This Agreement is effective as of the date recorded on the signature page between the County of Hudson and the PROVIDER AGENCY identified on the signature page.

Whereas, the County of Hudson has approved certain funds for the purchase of services related to the Peer Grouping; and

Whereas, the County of Hudson (the County) has been duly designated under the authority of N.J.S.A. 30:1A-1, 30:1-11, 30:1-12, and 30:1-20 to administer or supervise the administration of social service and training programs and has, in turn, designated the County Department of Health and Human Services to be directly responsible for the funding, implementation and administration of certain social service and training programs, including the program(s) covered by this contract; and

Whereas, the County desires that the PROVIDER AGENCY provide services and the PROVIDER AGENCY has agreed to provide said services, in accordance with the terms and conditions contained in this Contract;

Therefore, the Department and the PROVIDER AGENCY agree as follows:

I. Definitions

For the purposes of this document, the following terms, when capitalized, shall have meaning as stated:

Additional Named Insured means an endorsement to an insurance policy extending the coverage to the County of Hudson against loss in accordance with the terms of the policy. Naming the County of Hudson as an additional named insured permits the County to pay the premium should the named insured fail to do so.

Annex(es) means the attachment(s) to this document containing programmatic and financial information.

Contract means this document, the Annex(es), any additional appendices or attachments (including any approved assignments, subcontracts or modifications) and all supporting documents including any documents submitted by the PROVIDER AGENCY as part of their response to the Request for Proposals (RFP). The Contract constitutes the entire Agreement between the parties.

Expiration means the cessation of the Contract because its term has ended.

Notice means an official written communication between the Department and the PROVIDER AGENCY. All Notices shall be delivered in person or by certified mail, return receipt
requested, and shall be directed to the persons and addresses specified for such purpose in the
Annex(es) or to such other persons as either party may designate in writing.

The Notice shall also be sent by regular mail and shall be presumed to have been received by
the addressee five days after being sent to the last address known by the Department.

Termination means an official cessation of this Contract, prior to the expiration of its term that
results from action taken by the Department or PROVIDER AGENCY in accordance with the
provisions contained in this Contract.

II. Basic Obligation of the Department

Section 2.01 Payment  Payment for Contract services delivered shall be based on allowable
expenditures or the specified rate per unit of service delivered as established in Annex B. Such
payment(s) shall be authorized by the Department in accordance with the time frames specified
in the Annex B. Total payments shall not exceed the maximum Contract amount. All
payments authorized by the Department under this Contract shall be subject to revision on the
basis of an audit or audits conducted under Section 3.08 Audit or on the basis of any
Department monitoring or evaluation of the Contract.

Section 2.02 Referenced Materials Upon written request of the PROVIDER AGENCY,
the Department shall make available to the PROVIDER AGENCY copies of federal and State
regulations and other material specifically referenced in this document.

III. Basic Obligation of the PROVIDER AGENCY

Section 3.01 Contract Services  The PROVIDER AGENCY shall provide services to eligible
persons in accordance with all specifications contained in this Contract.

Section 3.02 Reporting  The PROVIDER AGENCY shall submit to the Department
programmatic and financial reports on forms provided by the Department and any additional
forms that may be required to meet reporting requirements under this agreement. The report
frequency and due date(s) are to be specified by the Department.

Section 3.03 Compliance with Laws  The PROVIDER AGENCY agrees in the
performance of this Contract to comply with all applicable Federal, State and local laws, rules
and regulations (collectively, "laws"), including but not limited to the following: State and
local laws relating to licensure; Federal and State laws relating to safeguarding of client
information; the Federal Civil Rights Act of 1964 (as amended); P.L. 1975, Chapter 127, of
the State of New Jersey (N.J.S.A. 10:5-31 et seq.) and associated executive orders pertaining
to affirmative action and nondiscrimination in public contracts; the Federal Equal Employment
Opportunity Act; Section 504 of the Federal Rehabilitation Act of 1973 pertaining to non-
discrimination on the basis of handicap, and regulations thereunder; the Americans with
Disabilities Act (ADA), 42 U.S.C. 12101 et seq. Failure to comply with the laws, rules and
regulation referenced above shall be grounds for Termination of this Contract for cause.

If any provision of this Contract shall conflict with any Federal or State law(s) or shall have
the effect of causing the State to be ineligible for federal financial participation in payment for
Contract services, the specific Contract provision shall be considered amended or nullified to

conform to such law(s). All other Contract provisions shall remain unchanged and shall continue in full force and effect.

Section 3.04 Set-Off for State Tax Pursuant to N.J.S.A. 54:49-19, et. seq., and not withstanding any provision of the law to the contrary, whenever any taxpayer (PROVIDER AGENCY), partnership or corporation under contract to provide goods or services or construction projects to the Department is entitled to payment for those goods or services at the same time a taxpayer, partner, or shareholder of that entity is indebted for any State tax, the Director of the Division of Taxation shall seek to set off so much of that payment as shall be necessary to satisfy the indebtedness. The amount of the set-off shall not allow for the deduction of any expense or other deduction, which might be attributable to the taxpayer, partner, or shareholder subject to, set-off under this Act.

The Director of Taxation shall give notice of the set-off to the taxpayer, partner, or shareholder and provide an opportunity for a hearing within 30 days of such notice under the procedures for protests established under R.S. 54:49-18. No request for conference, protest or subsequent appeal to the Tax Court from any protest shall stay the collection of the indebtedness. Interest that may be payable by the State, pursuant to P.L. 1987, c. 184 (c. 52:32-32 et seq.) to the taxpayer shall be stayed.

Section 3.05 Affirmative Action During the performance of this Contract, the PROVIDER AGENCY agrees as follows:

The PROVIDER AGENCY and its subcontractors, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, sex or disability. Except with respect to affectional sexual orientation, the PROVIDER AGENCY will take to ensure that such applicants are recruited and employed.

The PROVIDER AGENCY will also take affirmative action to ensure that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, sex or disability. Such action shall include, but not limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The PROVIDER AGENCY agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The PROVIDER AGENCY and its subcontractors, where applicable, in all solicitations or advertisements for employees placed by or on behalf of the PROVIDER AGENCY, shall state that all qualified applicants will receive consideration for employment without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, sex or disability.

The PROVIDER AGENCY and its subcontractors, where applicable, will send to each labor union or representative or workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers’ representative of the PROVIDER AGENCY’s commitments under this Act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
The PROVIDER AGENCY and its subcontractors, where applicable, agrees to comply with the regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amend and supplemented from time to time.

The PROVIDER AGENCY and its subcontractors agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, and labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, sex or disability, and that it will discontinue the use of any recruitment agency, which engages in direct or indirect discriminatory practices.

The PROVIDER AGENCY and its subcontractors agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable federal law and applicable federal court decisions.

The PROVIDER AGENCY and its subcontractors agrees to review all procedures relating to transfer, upgrading, downgrading and layoff to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, sex or disability, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable federal law and applicable federal court decisions.

The PROVIDER AGENCY and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the Office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

Section 3.06 Department Policies and Procedures In the administration of this Contract, the PROVIDER AGENCY shall comply with all applicable policies and procedures issued by the Department including, but not limited to, the policies and procedures contained in the County of Hudson's Purchasing Procedures and Procurement Manual or as otherwise directed by the appropriate personnel of the Department. Failure to comply with these policies and procedures shall be grounds to terminate this Contract.

Section 3.07 Financial Management System The PROVIDER AGENCY’s financial management system shall provide for the following:

a) accurate, current and complete disclosure of the financial results of this Contract and any other contract, grant, program or other activity administered by the PROVIDER AGENCY;

b) records adequately identifying the source and application of all PROVIDER AGENCY funds and all funds administered by the PROVIDER AGENCY. These records shall contain information pertaining to all contract and grant awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays, and income;
c) effective internal control structure over all funds, property and other assets. The PROVIDER AGENCY shall adequately safeguard all such assets and shall ensure that they used solely for authorized purposes;

d) comparison of actual outlays with budgeted amounts for this Contract and for any other contract, grant, program or other activity administered by the PROVIDER AGENCY;

e) accounting records supporting by source documentation;

f) procedures to minimized elapsed time between any advance payment issues and the disbursement of such advance funds by the PROVIDER AGENCY; and

g) Procedures consistent with the provisions of any applicable Department policies and procedures for determining the reasonableness, and whether allocation of costs under this Contract are allowed.

Section 3.08 Audit The Department requires submission of the PROVIDER AGENCY’s annual organization-wide audit.

Audits shall be conducted in accordance with the Federal Single Audit Act of 1984, generally accepted auditing standards as specified in the Statements on Auditing Standards issued by the American Institute of Certified Public Accounts and Government Auditing Standards issued by the Comptroller General of the United States.

At any time during the Contract term, the PROVIDER AGENCY’s overall operations, its compliance with specific Contract provisions, and the operations of any assignees or subcontractors engaged by the PROVIDER AGENCY under Section 5.02 Assignment and Subcontracts may be subject to audit by the Department, by any other appropriate unit or agency of State or federal government, and/or by a private firm or firms retained or approved by the Department for such purpose.

Whether or not such audits are conducted during the Contract term, a final financial and compliance audit of Contract operations, including the relevant operations of any assignees or subcontractors, may be conducted after Contract Termination or Expiration. The PROVIDER AGENCY is subject to audit up to four years after Termination or Expiration of the Contract. If any audit has been started but not completed or resolved before the end of the four year period, the PROVIDER AGENCY continues to be subject to such audit until it is completed and resolved.

IV. Termination

The Department may terminate or suspend this Contract in accordance with the section listed below.

Section 4.01 Termination for Convenience by the Department or PROVIDER AGENCY

The Department may terminate this Contract upon 60 days written advance notice to the other party for any reason whatsoever, including lack of funding by the Department. The PROVIDER AGENCY may terminate this Contract upon 90 days advance written notice.
The parties expressly recognize and agree that the Department’s ability to honor the terms and conditions of this Contract is contingent upon receipt of federal funds and/or appropriations of the State legislature. If during the term of this Contract, therefore, the federal and/or the State government reduce its allocation to the Department, the Department reserves the right, upon notice to the PROVIDER AGENCY, to reduce or terminate the Contract.

Section 4.02 Default and Termination for Cause If the PROVIDER AGENCY fails to fulfill or comply with any of the terms or conditions of the Contract, in whole or in part, the Department may by Notice place the PROVIDER AGENCY in default status, and take any action(s) as permitted by law or regulation.

The above notwithstanding, the Department may immediately upon Notice terminate the Contract prior to expiration, in whole or in part, whenever it is determined that the PROVIDER AGENCY has jeopardized the safety and welfare of the Department’s clients, materially failed to comply with the terms and conditions of the Contract, or whenever the fiscal or programmatic integrity of the Contract has been compromised. The Notice of Termination shall state the reason for the action(s); the PROVIDER AGENCY’s informal review options, time frames, and procedures; the effective date of the Termination; and the fact that a request for a review of the decision for action(s) does not preclude the determined action(s) from being implemented.

Section 4.03 Termination Settlement When a Contract is terminated, the PROVIDER AGENCY shall be prohibited from incurring additional obligations of Contract funds. The Department may allow costs, which the PROVIDER AGENCY could not reasonably avoid during the Termination process to the extent that said costs, are determined to be necessary and reasonable.

The PROVIDER AGENCY and Department shall settle or adjust all accounts in a manner specified by the Department and shall be subject to a final audit under Section 3.08 Audit.

V. Additional Provisions

Section 5.01 Application of New Jersey Law This Contract shall be governed, construed and interpreted in accordance with the laws of the State of New Jersey including the New Jersey Contractual Liability Act (N.J.S.A. 59:13-1 et seq.)

Section 5.02 Assignment and Subcontractors This Contract, in whole or in part, may not be assigned by the PROVIDER AGENCY or assumed by another entity for any reason, including but not limited to changes in the corporate status of the PROVIDER AGENCY, without the prior written consent of the Department. Upon prior written notice of a proposed assignment, the Department may (i) approve the assignment and continue the Contract to term; (ii) approve the assignment conditioned upon the willingness of the assignee to accept all contractual modifications deemed necessary by the Department; or (iii) disapprove the assignment and either terminate the Contract or continue the Contract with the original PROVIDER AGENCY.

Section 5.03 Client Fees Other than as provided for in the Annex (as) and/or Department specific policies, the PROVIDER AGENCY shall impose no fees or any other types of charges of any kind upon recipients of Contract services.
Section 5.04 Indemnification  The PROVIDER AGENCY shall assume all risk of a responsibility for, and agrees to indemnify, defend and hold harmless the County of Hudson and its employees from and against any and all claims, demands, suits, actions, recoveries, judgments and costs, and expenses in connection therewith on account of loss of life, property or injury or damages to the person, body or property of any person or persons, whatsoever, which shall arise from or result directly or indirectly from (i) the work, service or materials provided under this Contract; or (ii) any failure to perform the PROVIDER AGENCY's obligations under this Contract or any improper or deficient performance of the PROVIDER AGENCY's obligations under this Contract. This indemnification obligation is not limited by, but is in addition to, the insurance obligations contained in this Contract.

Furthermore, the provisions of this indemnification clause shall in no way limit the obligations assumed by the PROVIDER AGENCY under this Contract, nor shall they be construed to relieve the PROVIDER AGENCY from any liability nor preclude the County of Hudson, its Agencies, and/or the Department from taking any other actions available to them under any other provisions of this Contract or otherwise in law.

Section 5.05 Insurance  The PROVIDER AGENCY shall maintain adequate insurance coverage. The County of Hudson shall be included as an Additional Named Insured on any insurance policy applicable to this Contract. Should the PROVIDER AGENCY fail to pay any premium on any insurance policy when due, the Department may pay the premium and, upon Notice to the PROVIDER AGENCY, reduce payment to the PROVIDER AGENCY by the amount of the premium payment.

Section 5.06 Modification and Amendments  If both parties to this Contract agree to amend or supplement this Contract, any and all such amendments or supplement shall be in writing and signed by both parties. The amendment or supplement shall incorporate the entire Contract by reference and will not serve to contradict, amend, or supplement the Contract except as specifically expressed in the amendment or supplement.

Section 5.07 Statement of Non-Influence  No person employed by the State of New Jersey has been or will be paid any fee, commission, or compensation of any kind or granted any gratuity by the PROVIDER AGENCY or any representative thereof in order to influence the awarding or administration of this Contract.

Section 5.08 Exercise of Rights  A failure or a delay on the part of the Department or the PROVIDER AGENCY in exercising any right, power or privilege under this Contract shall not waive that right, power or privilege. Moreover, a single or a partial exercise shall not prevent another or a further exercise of that or of any other right, power or privilege.

Section 5.09 Recognition of Cultural Sensitivity  The PROVIDER AGENCY agrees in the performance of this Contract to be sensitive to the needs of the minority population of the State of New Jersey. This sensitivity includes the employment, if possible, of a culturally diverse staff that can communicate with, and be representative of, the community it serves.

The PROVIDER AGENCY shall make programs linguistically appropriate and culturally relevant to undeserved minority groups within the community. Appropriate accommodations for services shall be developed and maintained for those minority individuals who are deprived of reasonable access to those services due to language barriers or ethnic and cultural differences. In addition, PROVIDER AGENCY shall make certain that all programs and services are reflective of the demographic needs of the community, while providing all
minorities the opportunity to experience any and all available social services irrespective of their ethnic or cultural heritage.

Section 5.10 Copyrights The Department reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish or otherwise use any work or materials developed under a Department or federally funded contract or subcontract. The Department also reserves the right to authorize others to reproduce, publish or otherwise use any work or materials developed under said contract and subcontract.

Section 5.11 Successor Contracts If an audit or Contract closeout reveals that the PROVIDER AGENCY has failed to comply with the terms and/or conditions of this Contract, the Department reserves the right to make all financial and/or programmatic adjustments it deems appropriate to any other Contract entered into between the Department and the PROVIDER AGENCY.

Section 5.12 Sufficiency of Funds The PROVIDER AGENCY agrees that this Contract is contingent upon availability of appropriated funding and fulfillment of the following procedure(s):

A separate Contract and award letter shall be sent by the Department to the Provider prior to the effective date of the Contract. The Contract shall include the Contract term and the approved Contract reimbursable ceiling. The Contract shall be signed by the authorized Provider signatory and returned to the Department. The Contract shall not be valid or binding and no payment(s), will be approved until the Contract is properly executed.

Whenever a Contract ceiling is revised (increased or decreased) during the Contract term, a Contract Modification confirmation letter shall be prepared by the Department and signed by the authorized Provider signatory.

The Contract term and reimbursement ceiling specified in the Contract confirmation letter(s) are hereby incorporated into and made a part of this Contract.

Section 5.13 Collective Bargaining State and federal law allow employees to organize themselves into a collective bargaining unit.

Funds provided under this Contract shall not be utilized to abridge the rights of employees to organize themselves into a collective bargaining organization or preclude them from negotiating with PROVIDER AGENCY management. Funds may be utilized for legitimate and reasonable management purposes at the direction of the PROVIDER AGENCY during the process of collective bargaining organization.

Section 5.14 Independent Employer Status Employees of PROVIDER AGENTrics that Contract with the Department are employees of the PROVIDER AGENCY, not the State or County.

In accordance with the National Labor Relations Act, 29 U.S.C.A. 152(2) and State law, N.J.S.A. 34:13A-1 et seq., PROVIDER AGENTrics are independent, private employers with all the rights and obligations of such, and are not political subdivisions of the Department of Health and Human Services.
As such, the PROVIDER AGENCY acknowledges that it is an independent PROVIDER AGENCY, providing services to the Department of Health and Human Services, typically through a contract-for-services agreement. As independent grant recipients, the PROVIDER AGENCY is responsible for the organization’s overall function, including the overseeing and monitoring of its operations, the establishing of salary and benefit levels for its employees, and the handling of all personnel matters as the employer of its workers.

The PROVIDER AGENCY acknowledges its relationship with its employees as that of employer. While the Department has an adjunct role with PROVIDER AGENCY through regulatory oversight and ensuring contractual performance, the PROVIDER AGENCY understands that the Department is not the employer of any PROVIDER AGENCY employees.

The PROVIDER AGENCY further acknowledges that while the Department reimburses the PROVIDER AGENCY for all allowable costs under this Agreement, this funding mechanism does not translate into the Department being responsible for any of the elements of any collective bargaining agreements into which PROVIDER AGENCY may enter. Moreover, the PROVIDER AGENCY understands that it is responsible for funding its own programs and is not limited to the amount of funding provided by the Department, and, in fact, is encouraged to solicit non-State sources of funding, whenever possible.

Section 6.0 County Living Wage Ordinance Unless specifically exempted in writing by the County, the PROVIDER AGENCY recognizes the applicability of Hudson County’s “Living Wage Ordinance” Resolution No. 364-6-2014, and agrees to comply with the terms of the ordinance.

This Agreement is effective as of the date recorded on the signature page between the County of Hudson and the PROVIDER AGENCY identified on the signature page.

Whereas, the County of Hudson has approved certain funds for the purchase of services related to the Peer Grouping; and

Whereas, the County of Hudson (the County) has been duly designated under the authority of N.J.S.A. 30:1A-1, 30:1-11, 30:1-12, and 30:1-20 to administer or supervise the administration of social service and training programs and has, in turn, designated the County Department of Health and Human Services to be directly responsible for the funding, implementation and administration of certain social service and training programs, including the program(s) covered by this contract; and

Whereas, the County desires that the PROVIDER AGENCY provide services and the PROVIDER AGENCY has agreed to provide said services, in accordance with the terms and conditions contained in this Contract;

Therefore, the Department and the PROVIDER AGENCY agree as follows:

I. Definitions

For the purposes of this document, the following terms, when capitalized, shall have meaning as stated:

Additional Named Insured means an endorsement to an insurance policy extending the coverage to the County of Hudson against loss in accordance with the terms of the policy. Naming the County of Hudson as an additional named insured permits the County to pay the premium should the named insured fail to do so.

Annex(es) means the attachment(s) to this document containing programmatic and financial information.

Contract means this document, the Annex(es), any additional appendices or attachments (including any approved assignments, subcontracts or modifications) and all supporting documents including any documents submitted by the PROVIDER AGENCY as part of their response to the Request for Proposals (RFP). The Contract constitutes the entire Agreement between the parties.

Expiration means the cessation of the Contract because its term has ended.

Notice means an official written communication between the Department and the PROVIDER AGENCY. All Notices shall be delivered in person or by certified mail, return receipt
requested, and shall be directed to the persons and addresses specified for such purpose in the
Annex(es) or to such other persons as either party may designate in writing.

The Notice shall also be sent by regular mail and shall be presumed to have been received by
the addressee five days after being sent to the last address known by the Department.

Termination means an official cessation of this Contract, prior to the expiration of its term that
results from action taken by the Department or PROVIDER AGENCY in accordance with the
provisions contained in this Contract.

II. Basic Obligation of the Department

Section 2.01 Payment Payment for Contract services delivered shall be based on allowable
expenditures or the specified rate per unit of service delivered as established in Annex B. Such
payment(s) shall be authorized by the Department in accordance with the time frames specified
in the Annex B. Total payments shall not exceed the maximum Contract amount. All
payments authorized by the Department under this Contract shall be subject to revision on the
basis of an audit or audits conducted under Section 3.08 Audit or on the basis of any
Department monitoring or evaluation of the Contract.

Section 2.02 Referenced Materials Upon written request of the PROVIDER AGENCY,
the Department shall make available to the PROVIDER AGENCY copies of federal and State
regulations and other material specifically referenced in this document.

III. Basic Obligation of the PROVIDER AGENCY

Section 3.01 Contract Services The PROVIDER AGENCY shall provide services to eligible
persons in accordance with all specifications contained in this Contract.

Section 3.02 Reporting The PROVIDER AGENCY shall submit to the Department
programmatic and financial reports on forms provided by the Department and any additional
forms that may be required to meet reporting requirements under this agreement. The report
frequency and due date(s) are to be specified by the Department.

Section 3.03 Compliance with Laws The PROVIDER AGENCY agrees in the
performance of this Contract to comply with all applicable Federal, State and local laws, rules
and regulations (collectively, "laws"), including but not limited to the following: State and
local laws relating to licensure; Federal and State laws relating to safeguarding of client
information; the Federal Civil Rights Act of 1964 (as amended); P.L. 1975, Chapter 127, of
the State of New Jersey (N.J.S.A. 10:5-31 et seq.) and associated executive orders pertaining
to affirmative action and nondiscrimination in public contracts; the Federal Equal Employment
Opportunity Act; Section 504 of the Federal Rehabilitation Act of 1973 pertaining to non-
discrimination on the basis of handicap, and regulations thereunder; the Americans with
 Disabilities Act (ADA), 42 U.S.C. 12101 et seq. Failure to comply with the laws, rules and
regulation referenced above shall be grounds for Termination of this Contract for cause.

If any provision of this Contract shall conflict with any Federal or State law(s) or shall have
the effect of causing the State to be ineligible for federal financial participation in payment for
Contract services, the specific Contract provision shall be considered amended or nullified to
conform to such law(s). All other Contract provisions shall remain unchanged and shall continue in full force and effect.

Section 3.04 Set-Off for State Tax  

Pursuant to N.J.S.A. 54:49-19, et. seq., and not withstanding any provision of the law to the contrary, whenever any taxpayer (PROVIDER AGENCY), partnership or corporation under contract to provide goods or services or construction projects to the Department is entitled to payment for those goods or services at the same time a taxpayer, partner, or shareholder of that entity is indebted for any State tax, the Director of the Division of Taxation shall seek to set off so much of that payment as shall be necessary to satisfy the indebtedness. The amount of the set-off shall not allow for the deduction of any expense or other deduction, which might be attributable to the taxpayer, partner, or shareholder subject to, set-off under this Act.

The Director of Taxation shall give notice of the set-off to the taxpayer, partner, or shareholder and provide an opportunity for a hearing within 30 days of such notice under the procedures for protests established under R.S. 54:49-18. No request for conference, protest or subsequent appeal to the Tax Court from any protest shall stay the collection of the indebtedness. Interest that may be payable by the State, pursuant to P.L. 1987, c. 184 (c. 52:32-32 et seq.) to the taxpayer shall be stayed.

Section 3.05 Affirmative Action  

During the performance of this Contract, the PROVIDER AGENCY agrees as follows:

The PROVIDER AGENCY and its subcontractors, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, sex or disability. Except with respect to affectional sexual orientation, the PROVIDER AGENCY will take to ensure that such applicants are recruited and employed.

The PROVIDER AGENCY will also take affirmative action to ensure that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, sex or disability. Such action shall include, but not limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The PROVIDER AGENCY agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The PROVIDER AGENCY and its subcontractors, where applicable, in all solicitations or advertisements for employees placed by or on behalf of the PROVIDER AGENCY, shall state that all qualified applicants will receive consideration for employment without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, sex or disability.

The PROVIDER AGENCY and its subcontractors, where applicable, will send to each labor union or representative or workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the PROVIDER AGENCY's commitments under this Act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
The PROVIDER AGENCY and its subcontractors, where applicable, agrees to comply with the regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amend and supplemented from time to time.

The PROVIDER AGENCY and its subcontractors agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, and labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, sex or disability, and that it will discontinue the use of any recruitment agency, which engages in direct or indirect discriminatory practices.

The PROVIDER AGENCY and its subcontractors agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable federal law and applicable federal court decisions.

The PROVIDER AGENCY and its subcontractors agrees to review all procedures relating to transfer, upgrading, downgrading and layoff to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, sex or disability, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable federal law and applicable federal court decisions.

The PROVIDER AGENCY and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the Office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

Section 3.06 Department Policies and Procedures In the administration of this Contract, the PROVIDER AGENCY shall comply with all applicable policies and procedures issued by the Department including, but not limited to, the policies and procedures contained in the County of Hudson's Purchasing Procedures and Procurement Manual or as otherwise directed by the appropriate personnel of the Department. Failure to comply with these policies and procedures shall be grounds to terminate this Contract.

Section 3.07 Financial Management System The PROVIDER AGENCY’s financial management system shall provide for the following:

a) accurate, current and complete disclosure of the financial results of this Contract and any other contract, grant, program or other activity administered by the PROVIDER AGENCY;

b) records adequately identifying the source and application of all PROVIDER AGENCY funds and all funds administered by the PROVIDER AGENCY. These records shall contain information pertaining to all contract and grant awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays, and income;
c) effective internal control structure over all funds, property and other assets. The PROVIDER AGENCY shall adequately safeguard all such assets and shall ensure that they used solely for authorized purposes;

d) comparison of actual outlays with budgeted amounts for this Contract and for any other contract, grant, program or other activity administered by the PROVIDER AGENCY;

e) accounting records supporting by source documentation;

f) procedures to minimized elapsed time between any advance payment issues and the disbursement of such advance funds by the PROVIDER AGENCY; and

g) Procedures consistent with the provisions of any applicable Department policies and procedures for determining the reasonableness, and whether allocation of costs under this Contract are allowed.

Section 3.08 Audit The Department requires submission of the PROVIDER AGENCY’s annual organization-wide audit.

Audits shall be conducted in accordance with the Federal Single Audit Act of 1984, generally accepted auditing standards as specified in the Statements on Auditing Standards issued by the American Institute of Certified Public Accounts and Government Auditing Standards issued by the Comptroller General of the United States.

At any time during the Contract term, the PROVIDER AGENCY’s overall operations, its compliance with specific Contract provisions, and the operations of any assignees or subcontractors engaged by the PROVIDER AGENCY under Section 5.02 Assignment and Subcontracts may be subject to audit by the Department, by any other appropriate unit or agency of State or federal government, and/or by a private firm or firms retained or approved by the Department for such purpose.

Whether or not such audits are conducted during the Contract term, a final financial and compliance audit of Contract operations, including the relevant operations of any assignees or subcontractors, may be conducted after Contract Termination or Expiration. The PROVIDER AGENCY is subject to audit up to four years after Termination or Expiration of the Contract. If any audit has been started but not completed or resolved before the end of the four year period, the PROVIDER AGENCY continues to be subject to such audit until it is completed and resolved.

IV. Termination

The Department may terminate or suspend this Contract in accordance with the section listed below.

Section 4.01 Termination for Convenience by the Department or PROVIDER AGENCY The Department may terminate this Contract upon 60 days written advance notice to the other party for any reason whatsoever, including lack of funding by the Department. The PROVIDER AGENCY may terminate this Contract upon 90 days advance written notice.
The parties expressly recognize and agree that the Department's ability to honor the terms and conditions of this Contract is contingent upon receipt of federal funds and/or appropriations of the State legislature. If during the term of this Contract, therefore, the federal and/or the State government reduce its allocation to the Department, the Department reserves the right, upon notice to the PROVIDER AGENCY, to reduce or terminate the Contract.

Section 4.02 Default and Termination for Cause If the PROVIDER AGENCY fails to fulfill or comply with any of the terms or conditions of the Contract, in whole or in part, the Department may by Notice place the PROVIDER AGENCY in default status, and take any action(s) as permitted by law or regulation.

The above notwithstanding, the Department may immediately upon Notice terminate the Contract prior to expiration, in whole or in part, whenever it is determined that the PROVIDER AGENCY has jeopardized the safety and welfare of the Department's clients, materially failed to comply with the terms and conditions of the Contract, or whenever the fiscal or programmatic integrity of the Contract has been compromised. The Notice of Termination shall state the reason for the action(s); the PROVIDER AGENCY's informal review options, time frames, and procedures; the effective date of the Termination; and the fact that a request for a review of the decision for action(s) does not preclude the determined action(s) from being implemented.

Section 4.03 Termination Settlement When a Contract is terminated, the PROVIDER AGENCY shall be prohibited from incurring additional obligations of Contract funds. The Department may allow costs, which the PROVIDER AGENCY could not reasonably avoid during the Termination process to the extent that said costs, are determined to be necessary and reasonable.

The PROVIDER AGENCY and Department shall settle or adjust all accounts in a manner specified by the Department and shall be subject to a final audit under Section 3.08 Audit.

V. Additional Provisions

Section 5.01 Application of New Jersey Law This Contract shall be governed, construed and interpreted in accordance with the laws of the State of New Jersey including the New Jersey Contractual Liability Act (N.J.S.A. 59:13-1 et seq.)

Section 5.02 Assignment and Subcontractors This Contract, in whole or in part, may not be assigned by the PROVIDER AGENCY or assumed by another entity for any reason, including but not limited to changes in the corporate status of the PROVIDER AGENCY, without the prior written consent of the Department. Upon prior written notice of a proposed assignment, the Department may (i) approve the assignment and continue the Contract to term; (ii) approve the assignment conditioned upon the willingness of the assignee to accept all contractual modifications deemed necessary by the Department; or (iii) disapprove the assignment and either terminate the Contract or continue the Contract with the original PROVIDER AGENCY.

Section 5.03 Client Fees Other than as provided for in the Annex (as) and/or Department specific policies, the PROVIDER AGENCY shall impose no fees or any other types of charges of any kind upon recipients of Contract services.
Section 5.04 Indemnification  The PROVIDER AGENCY shall assume all risk of a responsibility for, and agrees to indemnify, defend and hold harmless the County of Hudson and its employees from and against any and all claims, demands, suits, actions, recoveries, judgments and costs, and expenses in connection therewith on account of loss of life, property or injury or damages to the person, body or property of any person or persons, whatsoever, which shall arise from or result directly or indirectly from (i) the work, service or materials provided under this Contract; or (ii) any failure to perform the PROVIDER AGENCY's obligations under this Contract or any improper or deficient performance of the PROVIDER AGENCY's obligations under this Contract. This indemnification obligation is not limited by, but is in addition to, the insurance obligations contained in this Contract.

Furthermore, the provisions of this indemnification clause shall in no way limit the obligations assumed by the PROVIDER AGENCY under this Contract, nor shall they be construed to relieve the PROVIDER AGENCY from any liability nor preclude the County of Hudson, its Agencies, and/or the Department from taking any other actions available to them under any other provisions of this Contract or otherwise in law.

Section 5.05 Insurance  The PROVIDER AGENCY shall maintain adequate insurance coverage. The County of Hudson shall be included as an Additional Named Insured on any insurance policy applicable to this Contract. Should the PROVIDER AGENCY fail to pay any premium on any insurance policy when due, the Department may pay the premium and, upon Notice to the PROVIDER AGENCY, reduce payment to the PROVIDER AGENCY by the amount of the premium payment.

Section 5.06 Modification and Amendments  If both parties to this Contract agree to amend or supplement this Contract, any and all such amendments or supplement shall be in writing and signed by both parties. The amendment or supplement shall incorporate the entire Contract by reference and will not serve to contradict, amend, or supplement the Contract except as specifically expressed in the amendment or supplement.

Section 5.07 Statement of Non-Influence  No person employed by the State of New Jersey has been or will be paid any fee, commission, or compensation of any kind or granted any gratuity by the PROVIDER AGENCY or any representative thereof in order to influence the awarding or administration of this Contract.

Section 5.08 Exercise of Rights  A failure or a delay on the part of the Department or the PROVIDER AGENCY in exercising any right, power or privilege under this Contract shall not waive that right, power or privilege. Moreover, a single or a partial exercise shall not prevent another or a further exercise of that or of any other right, power or privilege.

Section 5.09 Recognition of Cultural Sensitivity  The PROVIDER AGENCY agrees in the performance of this Contract to be sensitive to the needs of the minority population of the State of New Jersey. This sensitivity includes the employment, if possible, of a culturally diverse staff that can communicate with, and be representative of, the community it serves.

The PROVIDER AGENCY shall make programs linguistically appropriate and culturally relevant to undeserved minority groups within the community. Appropriate accommodations for services shall be developed and maintained for those minority individuals who are deprived of reasonable access to those services due to language barriers or ethnic and cultural differences. In addition, PROVIDER AGENCY shall make certain that all programs and services are reflective of the demographic needs of the community, while providing all
minorities the opportunity to experience any and all available social services irrespective of their ethnic or cultural heritage.

Section 5.10 Copyrights The Department reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish or otherwise use any work or materials developed under a Department or federally funded contract or subcontract. The Department also reserves the right to authorize others to reproduce, publish or otherwise use any work or materials developed under said contract and subcontract.

Section 5.11 Successor Contracts If an audit or Contract closeout reveals that the PROVIDER AGENCY has failed to comply with the terms and/or conditions of this Contract, the Department reserves the right to make all financial and/or programmatic adjustments it deems appropriate to any other Contract entered into between the Department and the PROVIDER AGENCY.

Section 5.12 Sufficiency of Funds The PROVIDER AGENCY agrees that this Contract is contingent upon availability of appropriated funding and fulfillment of the following procedure(s):

A separate Contract and award letter shall be sent by the Department to the Provider prior to the effective date of the Contract. The Contract shall include the Contract term and the approved Contract reimbursable ceiling. The Contract shall be signed by the authorized Provider signatory and returned to the Department. The Contract shall not be valid or binding and no payment(s), will be approved until the Contract is properly executed.

Whenever a Contract ceiling is revised (increased or decreased) during the Contract term, a Contract Modification confirmation letter shall be prepared by the Department and signed by the authorized Provider signatory.

The Contract term and reimbursement ceiling specified in the Contract confirmation letter(s) are hereby incorporated into and made a part of this Contract.

Section 5.13 Collective Bargaining State and federal law allow employees to organize themselves into a collective bargaining unit.

Funds provided under this Contract shall not be utilized to abridge the rights of employees to organize themselves into a collective bargaining organization or preclude them from negotiating with PROVIDER AGENCY management. Funds may be utilized for legitimate and reasonable management purposes at the direction of the PROVIDER AGENCY during the process of collective bargaining organization.

Section 5.14 Independent Employer Status Employees of PROVIDER AGENCYS that Contract with the Department are employees of the PROVIDER AGENCY, not the State or County.

In accordance with the National Labor Relations Act, 29 U.S.C.A. 152(2) and State law, N.J.S.A. 34:13A-1 et seq., PROVIDER AGENCYS are independent, private employers with all the rights and obligations of such, and are not political subdivisions of the Department of Health and Human Services.
As such, the PROVIDER AGENCY acknowledges that it is an independent PROVIDER AGENCY, providing services to the Department of Health and Human Services, typically through a contract-for-services agreement. As independent grant recipients, the PROVIDER AGENCY is responsible for the organization's overall function, including the overseeing and monitoring of its operations, the establishing of salary and benefit levels for its employees, and the handling of all personnel matters as the employer of its workers.

The PROVIDER AGENCY acknowledges its relationship with its employees as that of employer. While the Department has an adjunct role with PROVIDER AGENCY through regulatory oversight and ensuring contractual performance, the PROVIDER AGENCY understands that the Department is not the employer of any PROVIDER AGENCY employees.

The PROVIDER AGENCY further acknowledges that while the Department reimburses the PROVIDER AGENCY for all allowable costs under this Agreement, this funding mechanism does not translate into the Department being responsible for any of the elements of any collective bargaining agreements into which PROVIDER AGENCY may enter. Moreover, the PROVIDER AGENCY understands that it is responsible for funding its own programs and is not limited to the amount of funding provided by the Department, and, in fact, is encouraged to solicit non-State sources of funding, whenever possible.

Section 6.0 County Living Wage Ordinance  Unless specifically exempted in writing by the County, the PROVIDER AGENCY recognizes the applicability of Hudson County’s “Living Wage Ordinance” Resolution No. 364-6-2014, and agrees to comply with the terms of the ordinance.

Employment Screening

The contractor and the V.P. of Compliance (hereinafter "owner") do hereby agree that the provisions of Title II of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. § 12141 et seq.), which prohibit discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expenses to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor prejudice the owner from taking any other action available to it under any other provisions of the Agreement or otherwise at law.

Subject: Resolution of the Municipal Council of the City of Jersey City Authorizing a Contract with Civitas, LLC for Preparation of the City’s Five-Year Consolidated Plan for 2020-2024, Annual Action Plan & Update the City’s Analysis of Impediments (AI) to Fair Housing Plan

Synopsis: The City of Jersey City Division of Community Development will contract with Civitas, LLC to develop the City’s 2020-2024 Five-Year Consolidated Plan (ConPlan) required by the U.S. Department of Housing and Urban Development (HUD), as well as an updated Analysis of Impediments to Fair Housing Choice (AI). Civitas will complete this project for a total sum of $30,910.

Background: HUD requires submission of a Consolidated Plan every five years from all municipalities receiving federal formula block grant money from the following programs:

- CDBG: Community Development Block Grant Program
- HOME: HOME Investment Partnerships Program
- ESG: Emergency Solutions Grants Program
- HOPWA: Housing Opportunities for Persons with AIDS Program

The Consolidated Plan describes the municipality’s community development priorities and multiyear goals based on an assessment of housing and community development needs, an analysis of housing and economic market conditions and available resources. The Division of Community Development, which receives funds for all four programs, is currently operating under the City’s 2015-2019 Consolidated Plan, which expires at the end of the 2019 fiscal year.

Additionally, the Fair Housing Act mandates that HUD “affirmatively further fair housing” through its programs. The Analysis of
Impediments to Fair Housing Choice is a critical component of these fair housing efforts. AIs contain a comprehensive review of all the factors affecting housing in an area and recommendations for addressing housing needs. Jersey City's AI was last updated in 2011, and the City has seen substantial change since then. A new AI will be important in determining the state of housing in Jersey City and developing planning priorities.

Email Address: erich.chatham@civitassc.com

Tax Identification Number: 80-0443389
Organization Type: Limited Liability Corporation (LLC)
Date Established: 2009
Number of Employees: Six

Brief History of Civitas: Civitas was founded in 2009 by Jimmy Ardis and Erich Chatham, two graduates of the College of Charleston’s Masters of Public Administration program. Jimmy, an Air Force veteran, and Erich, a former high school teacher, found that they each brought a unique set of skills, personality, and knowledge base to the organization that provided incredible balance and productivity. After graduating they saw a need in the market for housing policy experts who can provide assistance to a variety of clients who were looking to address their community’s housing needs. Through their dedication and hard work, they developed Civitas into one of the foremost housing policy firms in the country, particularly with regard to HUD programs.

Since 2009, the organization has seen healthy growth in both clients and staff. Two specialists, Peter Neiger and Vern Xiong, were added to the staff in 2014. Peter and Vern’s data analysis and visualization expertise allowed Civitas to continue to grow and provide their services to more clients. Currently, Civitas has six employees who are not only experts in the Consolidated Planning process, but they also specialize in additional aspects of affordable housing policy allowing Civitas to provide the quality of a larger firm with the nimbleness of a small firm all for a price affordable to clients of all sizes. As 2018 is coming to a close, Civitas is on track to continue its healthy growth and provide even greater assistance throughout the country.
Qualifications and Experience

Civitas, LLC is a veteran-owned housing and community development consulting firm based in South Carolina. We are in the business of thinking and doing. We help local government, non-profit, and for-profit enterprises solve problems and implement solutions. Our knowledge and experience with HUD programs, social science research, economic development, and community revitalization puts us in a unique position to assist the City of Jersey City to complete the Consolidated Plan and Analysis to Impediments of Fair Housing.

We bring a passion for public service to our work in areas such as affordable housing development, grant writing and administration, program evaluation, research design and implementation, social and economic impact analysis, survey research, GIS mapping and spatial analysis, and project management. Formally organized in 2009, Civitas consultants have decades of combined experience in the community development field. We have continued healthy growth since our founding and currently have a six-person staff with diverse skill sets that allow us to produce high-quality products at reasonable prices.

HUD documents are our specialty and Civitas has successfully completed or assisted with the completion of Consolidated Plans and Annual Action Plans for multiple communities in numerous states — including South Carolina, North Carolina, California, Florida, Texas, Tennessee, Utah, Colorado, Illinois, Michigan, and Pennsylvania. Our firm also has several subcontracts with companies contracted directly with HUD to provide national technical assistance services to HUD grantees. We provide expertise, training, and problem solving to HUD grantees across the nation. We are experts on the Consolidated Planning Process, AAPs, AIs, Analyses of Fair Housing, IDIS, DRGR, CDBG, HOME, and a variety of other HUD programs and cross cutting regulations.

eCon Planning Suite Experience

The Consolidated Plan will be developed using HUD’s IDIS-based e-Con Planning Suite. It would be difficult to find a team more knowledgeable of this system. Our consultants have been involved with eCon since its inception. Furthermore, Civitas consultants have been contracted with HUD to provide direct training and technical assistance to grantees on IDIS. The Planning Suite provides streamlined data collection and a standardized template that provides grantees with greater certainty that their planning process adheres to HUD-guidelines and vision. Consultants will utilize the ConPlan template and include the most recently available data in the data tables, narratives, charts, and maps into IDIS. Civitas will enter the full Consolidated Plan into IDIS and submit for HUD approval per Federal guidelines and in accordance with the submission deadline.

Vern earned a Bachelor of Art from Greenville College, Illinois and a Certificate of Grant Proposal Writing from Fort Hayes State University.
Approach

Civitas’ methodology for completing ConPlans and AIs has proven to be very successful. We balance the need for both qualitative and quantitative analysis to provide a document that meets HUD requirements, as well as one that is customized to meet the needs of each unique client. What follows is our detailed proposed scope of work for each section.

Consolidated Plan

Using a mix of qualitative and quantitative methods we propose to deliver a high-quality Consolidated Plan that will provide insights into economic development and the housing profile of Jersey City.

"The Consolidated Plan is designed to be a collaborative process whereby a community establishes a unified vision for community development actions. It offers local jurisdictions the opportunity to shape the various housing and community development programs into effective, coordinated neighborhood and community development strategies. It also creates the opportunity for strategic planning and citizen participation to take place in a comprehensive context, and to reduce duplication of effort at the local level."—HUD

The ConPlan and AAP will be developed using HUD’s IDIS-based e-Con Planning Suite. All team members are fluent and knowledgeable of system, have attended all relevant HUD training webinars on the subject from the onset, and have successfully completed HUD-approved Con Plans using the e-Con Planning Suite. Consultants will utilize the ConPlan template to import all relevant data tables, narratives, charts, and maps into IDIS. When necessary, CPD Maps will be used for spatial analysis and mapping. Given that CPD Maps tend to be outdated, Civitas prefers to use the most up-to-date data and create custom maps for our clients. Similarly, Civitas will use a combination of HUD-provided data, BLS, US Census, and other data sources to allow for an accurate analysis.

Below is a description of the major plan components that will be developed and compiled using the e-Con Planning Suite to deliver the City of Jersey City a timely, quality and compliant Consolidated Plan. The components listed below are extracted directly from the IDIS template.

Executive Summary: If requested, Civitas members will meet on-site with City representatives to discuss the project, develop detailed schedules and collect necessary information. Resources include, but are not limited to the City of Jersey City’s existing ConPlan, the Hudson County Continuum of Care, the City’s comprehensive plan, and other relevant information from local agencies. City representatives will be asked to assist in identifying and providing any other relevant data or information to ensure that all community needs, conditions and resources are considered.

Demographic Data Collection: The consultant team will develop a Community Profile, which will provide a general overview of the City. This present-day sketch will outline the City's employment situation and major employers, current urban development issues, recreational activities, and any successful development or redevelopment ventures. The demographic and housing section will give a brief overview the current population, including its ethnic and socio-economic makeup, as well as the current state of its housing situation, and land use issues. The policy section will outline any current government policies that might have an impact on affordable housing or the operation of housing agencies within the jurisdiction.

Citizen Participation: To complete this section, Civitas consultants will utilize the information gathered from the necessary public hearings held in the City. Additionally, we will support staff should they request assistance in developing a citizen outreach program to ensure all voices are heard. We can use a variety of methods to gather data from citizens, including
consultation with key stakeholders and public officials, public meetings and presentations, and a review of data sets applicable to the City. Additionally, the consultant team can develop a survey for citizen and stakeholder feedback in both online and hard copy format in English and, if requested, Spanish. Civitas has successfully conducted many such surveys across the nation as part of the Consolidated Planning process and are experts in extracting useful qualitative data from the community.

**Housing Needs Assessment:** The consultant team will develop an updated housing needs profile specifically for the City of Jersey City. The consultant team will work with City representatives to identify any additional data and information, including existing housing and/or homeless studies and information on special needs populations, etc., not previously considered. After obtaining this information, the consultants will use it—along with the information gathered at the initial meeting, census data and other HUD resources—to develop a needs assessment for the City’s review and approval.

The needs assessment will meet all of the minimum requirements of 24 CFR Part 91 and 570 and will include an estimate of the housing needs within the City. The assessment will include the specification of such housing related needs, a discussion of specific housing problems, assessment of the specific needs of racial and ethnic groups, the extent of homelessness in the City, the characteristics and needs of low-income people, existing facilities such as outreach and assessment, existence of emergency shelters and services, estimates of the number of people requiring supportive services, and a description of supportive housing needs.

**Housing Market Analysis:** In cooperation with local stakeholders and representatives, the consultant team will develop a housing market analysis, using information from interviews, surveys, public hearings, census data, consultation with local lenders, realtors, appraisers, and related GIS software. Consultants will incorporate into this analysis an evaluation of the City’s housing supply, the demand for housing, the current housing conditions, the cost of housing stock, and the kind of housing available to the disabled and to people with HIV/AIDS. In addition, the consultant team will provide a description of the number of housing units by income level and by type of household that currently receive assistance from local, state or federal programs and an assessment of whether any such units will be lost from the assisted-housing inventory.

**Homeless Needs Assessment:** Consultants will provide a concise summary of the nature and extent of homelessness within the City (including rural homelessness and chronic homelessness if applicable), addressing separately the need for facilities and services for homeless persons and homeless families with children, both sheltered and unsheltered, and homeless subpopulations. The summary will include the characteristics and needs of low-income individuals and children, especially extremely low income who are currently housed but are at imminent risk of either residing in shelters or becoming unsheltered. In addition, the assessment will include a description of the nature and extent of homelessness by racial and ethnic group. As part of the homeless needs assessment, the consultant team will identify area facilities and services in place to provide for the homeless population. This shall include, at a minimum, the Upstate Continuum of Care, all emergency shelters, any homeless outreach program(s) as well as available transitional and permanent housing options.

**Non-homeless Special Needs including HOPWA:** The consultants will update population data and review changes to existing programs and/or services. This will include and analysis of the number of persons in various subpopulations that are not homeless but may require housing or supportive services, including the elderly, frail elderly, persons with disabilities (mental, physical, developmental), persons with HIV/AIDS and their families), persons with alcohol or other drug addiction, victims of domestic violence, and any other categories the jurisdiction may specify and describe their supportive housing needs.

**Lead-based Paint Hazards & Remediation Programs:** The consultant team will update any changes to lead-based paint hazards remediation programs/practices. They will estimate the number of housing units that contain lead-based paint
hazards, as defined in Section 1004 of the Residential Lead-Based Paint Hazard Reduction Act of 1992, and are occupied by extremely low income, low income, and moderate-income families. Since almost three-fourths of housing built before 1978 contains lead-based paint, it poses a serious risk to occupants, particularly pregnant women and children. The consultant team will furthermore identify and, based on local conditions, provide strategies to remove or abate lead-based paint in the City’s housing stock.

Public and Assisted Housing Services & Facilities: The consultant team will provide an updated list of publicly operated or otherwise subsidized housing facilities, to include LIHTC, Tax Exempt Bond Financing, CDC, CHDO, PHA, Section 8 HCV and otherwise subsidized housing facilities and programs. In cooperation with the Jersey City Housing Authority and other agencies located within its boundaries the consultants will describe the needs of public housing, including the number of public housing units in the jurisdiction, the physical condition of such units, the restoration and revitalization needs of public housing projects within the jurisdiction, and other factors, including the number of families on public housing and tenant-based waiting lists and results from the Section 504 needs assessment of public housing projects located within its boundaries.

Non-Housing Community Development Initiatives: The consultant team will identify the City’s priority non-housing community development needs eligible for assistance. This includes public facilities, public improvements, public services and economic development. This analysis will include a look at the homebuilding industry in the City, its current neighborhood development policies, and its economic development initiatives. This shall include but be limited to the following; public libraries and museums, parks and community centers, health facilities, historic preservation, continuing education/adult education facilities, and any additional youth, adult or senior programs. This review shall also incorporate regional planning and economic development initiatives including but not limited to urban development, infrastructure, public safety, public transportation, employment training, and business attraction and retention.

Strategic Plan: The consultant team will develop a strategic plan that addresses the needs identified in the approved needs assessment and any existing policies. The strategic plan will be consistent with the minimum HUD requirements as outlined in CFR 24 Part 91 as well as with other guidance issued by HUD. The strategic plan will detail the City’s housing, homeless, and non-housing priorities for the next five years. Specific objectives and strategies will be developed that address stated priority needs. City representatives will review and provide comments on the draft of the strategic plan, which the consultants will incorporate into the finalized version. The consultant team will obtain comments and direction on the draft Strategic Plan and discuss actions to implement the approved strategies.

Annual Action Plan
The consultant team will develop an Annual Action Plan that supports the objectives and strategies outlined in the previous assessments and analyses. Specific benchmarks/performance measures will be developed so that Spartanburg and HUD will be able to assess and evaluate the City’s progress in reaching its goals. The one-year action plan will be consistent with the minimum requirements outlined in 24 CFR Part 91, 24 CFR Part 570, as well as with other guidance issued by HUD. City representatives will review and provide comments on the draft of the Annual Action Plan, which the consultants will incorporate into the finalized version.

Analysis of Impediments to Fair Housing
Fair housing has long been an important issue in American urban policy – a problem born in discrimination and fueled by growing civil unrest that reached a boiling point in the Civil Rights Movement. The passing of the Fair Housing Act in 1968
was a critical step towards addressing this complex problem – but it was far from a solution. Since the passing of the Act, community groups, private business, concerned citizens, and government agencies at all levels have worked earnestly at battling housing discrimination. The Fair Housing Act mandates that the Department of Housing and Urban Development (HUD) 'affirmatively further fair housing' through its programs. Towards this end HUD requires funding recipients to undertake fair housing planning (FHP) to proactively take steps that will lead to less discriminatory housing markets and better living conditions for minority groups and vulnerable populations. The Analysis to Impediments to Fair Housing Choice is a critical component of HUD's fair housing efforts.

Civitas will conduct a comprehensive AI for the City of Jersey City that includes both a qualitative and quantitative analysis. Policy recommendations will be made to address any barriers or impediments found during the analysis. The AI will be conducted in full compliance with all relevant federal, state, and local laws and regulations, including HUD's Fair Housing Planning Guide. Unless otherwise instructed by City staff, the AI will utilize all relevant HUD guidance — including definitions for housing types and income levels — as set forth in CFR's, handbooks, and notices. The AI will conform to HUD's suggested format as detailed in the "Fair Housing Planning Guide." When possible, the Affirmatively Furthering Fair Housing Rule will be incorporated into the AI.

In conducting the AI, Civitas will provide a thorough demographic and economic analysis of the City of Jersey City. Data gathered during the Consolidated Planning process will be consulted for insights and the most current data sources available at the time of writing will be utilized. This includes, but is not limited to, CHAS data, 2000 and 2010 Decennial Census, Home Mortgage Disclosure Act, 2016 American Community Survey data or 2017 American Community Survey data, if available. Data will also be gathered from state and local agencies. In addition to narratives, graphs, and tables, data will be presented geographically by Census Tract using mapping services provided by public and private agencies, as well as custom GIS mapping specifically for the City. A sample of indicators that will be utilized includes population, race and ethnicity, transportation, employment, education, income, the location of racially/ethnically concentrated areas of poverty (R/ECAP), and disproportionate housing needs.

A housing profile will be included to provide a detailed overview of the housing stock within the jurisdiction. This profile will be combined with demographic and jurisdictional background to serve as a foundation for a data-driven review of fair housing. For example, comparing the area median income (AMI) with housing prices will allow an assessment of housing affordability and affordable housing gaps by income. Mapping software and services such as OneCPD, PolicyMap, ArchGIS, Tableau, and the HUD-provided AFFH Mapping Tool will be used to display relationships between any key housing and demographic variables. Some of the data points that will be explored and analyzed include sales figures, construction activity, tenure, condition, vacancy, and age of housing.

The AI for the City of Jersey City will include:

- A comprehensive review of planning, development and housing programs, laws, policies, zoning ordinances and others to assess how they influence the location, availability, and accessibility of housing. This includes an evaluation of the City of Jersey City’s CDBG, HOME, and other grant programs for proper practices, monitor compliance, and achievement of performance measures. Civitas will conduct interviews and presentations with key stakeholders, government officials, community leaders, and the public.
State and local laws, zoning regulations and practices, housing programs, and policies will be analyzed against the backdrop of HUD guidelines, as well as national best practices and research.

- A review of the City of Jersey City's fair housing legal status will be reviewed. This includes a review of all fair housing complaints sent to state, federal, and local fair housing entities, as well as any findings of discrimination and suits filed by the Department of Justice or individuals.

- An assessment of public-sector conditions that may influence fair housing choice for protected classes. Examples of such items include tax policies, municipal services, transportation accessibility, building codes, tenant selection policies for public housing, segregation, access to quality education, and displacement of residents due to economic and public housing factors.

- An assessment of private-sector conditions and practices that may influence fair housing choice. The main item of importance here is lending practices and may include "steering" certain demographics into certain neighborhoods based on race, sex, religion, or other protected classes. Discriminatory practices in the rental market by property management and leasing agents are also a concern. Data for private sector practices will be collected from Home Mortgage Disclosure Act reports, local industry associations, fair housing complaints, and any other available sources.

- The extent of fair housing enforcement and compliance, informational programs on fair housing and citizens' rights under the Fair Housing Act and any applicable state or local laws, and accessibility for the disabled are areas that will be reviewed for both public and private sectors.

- Utilization of HUD's Affirmatively Furthering Fair Housing Rule, Al User Interface Tool, and the AFFH Data and Mapping Tool.

- Special focus on Fair Housing Contributing Factors that includes identification and prioritization of factors that affect access to fair housing choice or access to opportunities.

- Goals and priorities that are established to overcome fair housing issues and contributing factors.

- A review of the current Al.

- Support and recommendations for Staff with regards to overall activities, structure, and management of the Al Plan.

AMERICANS WITH DISABILITIES ACT OF 1990
Federal Opportunity for Individuals with Disability

The contractor and the ___________________ (hereafter "owner") do hereby agree that the provisions of Title II of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. 12131 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violated or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature, arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity for Individuals with Disability

The contractor and the ___________________________ (hereinafter "owner") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. §12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature, arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

Adopted at a meeting of the Municipal Council of the City of Jersey City N.J.

Rolando R. Lavarrro, Jr., President of Council

Refect Byrne, City Clerk
Outside Counsel Agreement

This Agreement dated the ____ day of ________________, 2019 between the City of Jersey City, a municipal corporation, with offices at 280 Grove Street, Jersey City, New Jersey 07302 ("City") and Brach Eichler, LLC 101 Eisenhower Parkway, Roseland, New Jersey 07068, ("Special Counsel"). The Corporation Counsel of the City of Jersey City has selected Special Counsel to serve as Outside Counsel in connection with Terri Reynolds and Lorraine Oliver v. City of Jersey City, et al.

In consideration of the mutual promises and covenants set forth herein, the parties agree as follows:

I. CONFLICTS OF INTEREST

A. Initial Conflicts Check.

Outside Counsel must be sensitive both to direct conflicts of interest that representation of the City and other clients poses, and to the less direct, but nevertheless serious, conflicts that may arise from the same firm’s advocacy, on behalf of other clients, of positions conflicting with important City interests. Prior to Outside Counsel’s engagement, Outside Counsel shall carefully review whether any conflicts of either type exist and, if so, bring those conflicts to the attention of the Corporation Counsel. The City shall be promptly informed of and consulted with respect to all potential conflicts. Although issue conflicts may not necessarily result in a disqualification of Outside Counsel, the City shall be consulted before Outside Counsel accepts an engagement that will require the firm to advocate a position that may be adverse to a City legal interest or otherwise prejudicial to the interests of the City. The City in its sole discretion shall, after consultation with Outside Counsel, determine whether an impermissible conflict exists, or whether other circumstances exist that would undermine the public’s confidence if representation by Outside Counsel continued.

Outside Counsel’s acceptance of an engagement on a matter without written disclosure of any conflicts constitutes Outside Counsel’s representation that it has conducted an appropriate conflict check and no conflict exists.

B. City Conflicts.

The City has a duty to protect the public interest. As part of this responsibility, the City sets policies to ensure that the legal system operates in a manner that safeguards the public’s confidence in the integrity and impartiality of its administration. For this reason, in addition to
insisting that its attorneys follow the Rules of Professional Conduct, the City prohibits Outside Counsel that represent the City, while such matter is pending, from:

(1) Representing private parties before the City or any of its boards, proceedings, commissions or autonomous agencies in adversarial, transactional or non-adversarial proceedings. Outside Counsel also may not, on behalf of a private client, lobby the City or any City department.

(2) Representing private parties in any matter in which the City also is a party, if the private party has interests adverse to the City.

(3) Representing a private client with interests adverse to the City.

(4) Representing another client if that representation would present a substantial risk that Outside Counsel's responsibilities to the City would limit its ability to provide independent advice or diligent and competent representation either to the City or the other client.

(5) Representing another client where the Outside Counsel's knowledge of the City's legal positions or strategy, derived from its representation or prospective representation of the City, could be used to the advantage of the other client or the disadvantage of the City.

C. Continuing Obligation.

The obligation to disclose conflicts continues throughout the course of the representation. Outside Counsel must review conflicts of interest on an ongoing basis as new matters are opened. Any new attorney/client relationships that potentially create a conflict shall be reported to the Corporation Counsel immediately.

D. Attorney-Client Privilege Group/No Representation of Other Persons/Entities Absent Approval.

Outside attorneys engaged to represent the City (as opposed to a named person) shall consider themselves to have formed an attorney-client relationship only with the City, and not any of its individual employees. When speaking with current or former employees of the City, Outside Counsel shall, as appropriate, advise those employees that although their dialogue will be considered attorney-client communications to the fullest possible extent, counsel's responsibility is to the City and they do not represent those employees in their individual capacities. As a matter proceeds, if employees of the City will be examined under oath or interviewed in other adverse contexts, and if Outside Counsel believes it advisable for them to represent the employees in their individual capacities at such events, Outside Counsel must obtain the Corporation Counsel's advance consent before agreeing to represent such persons in their individual capacities. The Corporation Counsel, in consultation with other City personnel,
will determine if it is appropriate for the individual to receive representation and, if so, by whom.

Outside Counsel who is engaged to represent both an entity and employees of that entity simultaneously shall take all necessary steps to ensure the continuing absence of conflicts, and to preserve their ability to continue representing the entity in the event that conflicts develop between the entity and individual clients.

II. WORKING RELATIONSHIP

A. Identification of Objectives/Relationship Attorney.

The Corporation Counsel or his designee will be Outside Counsel’s principal and regular point of contact for financial and strategic decisions. Only the Corporation Counsel or his designee has authority to direct Outside Counsel in the handling of the matter. If a City employee other than the Corporation Counsel or his designee asks Outside Counsel to proceed in a certain fashion or to perform certain activities with respect to a specific legal matter, Outside Counsel shall report the request to the Corporation Counsel and obtain direction prior to proceeding.

Outside counsel shall designate an Attorney to be the Corporation Counsel’s principal contact. In all matters, the City remains ultimately responsible for making all substantive decisions and determining the costs and benefits of contemplated legal activity. In many matters, City attorneys will act as full co-counsel and be engaged with Outside Counsel in the day-to-day conduct of the case. In matters where Outside Counsel is handling that day-to-day conduct without City personnel as co-counsel, the City shall be consulted on a regular basis throughout the course of Outside Counsel’s engagement and to be kept fully informed of the current status and proposed course of the matters assigned to Outside Counsel’s firm. All strategic, tactical, staffing (including any proposed staffing changes) and significant resource allocation decisions about City legal matters must be made in collaboration with the Corporation Counsel.

B. Early Case Assessment/Cost Assessment.

Each complex matter is to be thoroughly evaluated at its outset. The same applies to actions in which the City is the plaintiff, except that the analysis will be performed before the case is filed. In any matter, Outside Counsel shall provide an early case assessment that includes analysis of (1) likely costs to the City from the process, (2) possible outcomes, indicating the likelihood of each, and (3) strategy and tactics for termination or resolution. The format of the early case assessment may vary from a formal written document to a verbal briefing or a combination of a written budget with a verbal briefing on other aspects of the case.

Please note that time spent preparing a budget is not billable, but counsel may bill for time spent preparing an early case assessment or a recommended discovery plan.
The City places significant reliance on cost estimates and Outside Counsel shall prepare them with care. Although the City understands that unanticipated events may have an impact on costs, the City shall be consulted promptly if Outside Counsel believes that the most recent cost estimate provided is no longer accurate. Should total fees or costs exceed the agreed budget, or should fees or costs for a phase of the case exceed the agreed estimate for that phase, without adequate explanation in advance that the increased expense will be necessary, the City may require that an increased discount be applied to unanticipated fees or costs and reserves the right not to pay Outside Counsel for any amounts incurred or expended in excess of the approved budget or estimate.

For bond matters and other transactional engagements, counsel may be expected to provide a fee cap for the transaction, approved by the City, prior to commencing work. Only where a transaction materially changes in scope will the City consider revisions to an agreed fee cap. No payments above the agreed fee cap shall be made unless and until a revised fee cap has been approved in writing by the Director of the City or his/her designee.

C. Staffing.

Unless otherwise agreed, the senior attorney retained shall be directly and ultimately responsible for the entire assignment. The day-to-day involvement of that senior attorney, however, shall be appropriate to the magnitude of the matter and the efficiency required for a timely, cost effective, quality work product. When a senior attorney can handle an assignment most efficiently (based on skill and experience), that senior attorney shall complete the assignment.

The City shall be billed for only one attorney to attend events such as depositions, witness meetings, settlement conferences, negotiations and meetings with other parties' counsel. The City recognizes that in more complex matters and those with multiple work-streams, it may occasionally be appropriate for multiple attorneys to attend significant events and for members of the team to consult with each other. The City insists, however, that no more than the minimum number of attorneys necessary to an event attend, that billable internal conferences and charges for drafting and reading internal email correspondence occur only when absolutely required, and that the Corporation Counsel be regularly informed both of the number of attorneys who will attend significant events and the reason for the attendance of each billing timekeeper.

The City believes that it is most efficient for a single attorney or group of attorneys to handle a matter from beginning to end and Outside Counsel shall strive for such continuity. The City will not pay for learning time that may result from staffing changes at Outside Counsel’s firm. In addition, the City will not reimburse Outside Counsel for any routine training or supervisory time, including time spent at seminars, unless specifically approved in advance and included as part of the budget. The City will not ordinarily pay for summer associate time unless such time has been identified as part of the approved staffing plan for appropriate work. The City will not
pay for time submitted by librarians; secretaries; billing, filing, docketing or document clerks; internal messengers/couriers; temporary or clerical support staff; word processors; and IT professionals other than electronic discovery specialists serving a function similar to that of paralegals/case managers. The City also will not pay for time billed by attorneys or paralegals to perform tasks (filing, indexing, etc.) that could and should have been handled by support personnel.

D. Settlement.

Outside Counsel shall have no settlement authority unless and until such authority is explicitly conferred on them by the Corporation Counsel. If Outside Counsel believes that settlement should be pursued, Outside Counsel must seek instructions in this regard from the Corporation Counsel, and not pursue formal or informal settlement discussions without the Corporation Counsel’s approval. Outside Counsel shall immediately inform the Corporation Counsel of any settlement proposal or overture, formal or informal, by the opposing party or counsel. Please note that under no circumstances can the City agree to designate a settlement agreement as confidential. All City settlement records are, by definition, public documents.

E. Media Relations/Law Firm Advertising.

The City does not authorize outside counsel or vendors to comment publicly in any manner on any aspect of the City’s legal matters. All media inquiries relating to the City shall be referred promptly to the Corporation Counsel and discussed with the Corporation Counsel before responding to the media contact in any manner. This includes even “no comment” or other non-substantive responses. If time is of the essence and Outside Counsel cannot reach the Corporation Counsel, the Press Secretary in the Office of the Mayor shall be contacted.

The City does not permit Outside Counsel to advertise or promote their relationship with the City, other than by listing the City as a representative client.

F. Engagement of E-Discovery and Other Vendors, Including Experts.

Before engaging any vendor, including electronic discovery firms and experts, lobbyists or other consultants (in each case, a “vendor”), Outside Counsel must pre-clear that engagement with the Corporation Counsel, unless the Corporation Counsel has explicitly granted exceptions to this preclearance requirement. The City will not be responsible for vendor fees or costs unless that vendor’s engagement was pre-approved by the City. The City may require Outside Counsel to engage vendors with which the City has master contracts or preferred pricing arrangements, and always will insist on engagement of the lowest-cost vendor qualified to handle a task (understanding that complex tasks may require vendors with specialized expertise).
Outside Counsel will pay all third-party service providers directly and will bill the City for those services’ detailed disbursements included in monthly invoices. This City will not accept separate invoices from service providers directly to the City for payment.

Outside Counsel has the responsibility to ensure that there are no conflicts between any vendor and the City. In addition, all vendors must execute the confidentiality agreement attached as Appendix A. The fee and disbursement policies as outlined in this Agreement shall be made available to, and followed by vendors. It is Outside Counsel’s responsibility to confirm that all third party billings comply with this Agreement.

Vendor payment arrangements shall be discussed in advance with the Corporation Counsel. In general, Outside Counsel shall contract with vendors themselves and pay the third party invoices directly, incorporating those invoices into their own bills to the City and including appropriate detail for reasonable review by City personnel. The City may request Outside Counsel to provide full copies of vendor invoices; Outside Counsel therefore shall retain those invoices in accordance with IRS guidelines. The Corporation Counsel may approve other payment arrangements, including (in rare cases) direct contracting with and payment by the City.

When engaging court reporting services, Outside Counsel shall request only one transcript (electronic or hard copy). The City will not reimburse charges for additional transcripts.

G. Adherence to Ethical Standards.

The City conducts itself in accordance with the highest ethical standards and expects the same of its Outside Counsel. No City employee ever has authority to instruct Outside Counsel to act in an unethical manner. If Outside Counsel believes that a City employee has engaged or will engage in illegal or unethical activity, Outside Counsel must immediately advise the Corporation Counsel. The City will terminate its relationship with any Outside Counsel who, in the City’s sole discretion, fails to adhere to the foregoing ethical standards.

At all times, Outside Counsel will remain aware of and in compliance with each of the City’s “Pay-to-Play” ordinances and any amendments thereto.

H. Gratuities.

City officers and employees are prohibited from accepting any gift, favor, service or other thing of value related in any way to the City officer’s or employee’s public duties. In addition, any vendor to the City is prohibited from offering a gift or other thing of value to a City officer or employee with which the vendor transacts business or offers to transact business. Any City officer or employee is prohibited from soliciting a gift or thing of value from a City vendor. This includes charitable donations made in the name of a City employee.
The City reserves the right to amend this Agreement from time to time, providing written notification to Outside Counsel within thirty (30) days of the effective date of any substantive changes. Failure to accept amendments may result in the termination of services from the City.

I. **Malpractice Insurance.**

Outside Counsel representing the City shall maintain malpractice insurance coverage that is reasonable and prudent in relation to the types and sizes of matters handled. Outside Counsel shall, upon request, promptly provide the Corporation Counsel with copies of any applicable policies required under this section, and/or a certificate of insurance. Each policy provided must be certified by the agent or underwriter to be a true copy. If Outside Counsel does not have coverage or if coverage is cancelled and not immediately replaced with comparable coverage, Outside Counsel must immediately report this to the Corporation Counsel.

J. **File Retention.**

For Litigated Matters: Outside Counsel shall retain pleadings, correspondence, discovery materials, deposition transcripts and similar documents and work product for a period of no less than seven (7) years from the date the matter is concluded or for the time period specified by rule or law in the jurisdiction in which the matter was pending, whichever is longer. Beyond this period, Outside Counsel shall notify the City in writing no less than sixty (60) days prior to destroying any file. Along with the written notification, Outside Counsel shall submit an inventory of any original City documents contained in the file to be destroyed and a representation that any electronic version of the file will also be destroyed or deleted.

For Bond and Other Transactions, and Advice Matters: Documents shall be retained in accordance with the same policies applicable to litigated matters unless applicable law mandates any longer retention schedule. However, bond counsel and transactional/advice counsel shall retain all transcripts of transactions and memoranda of advice indefinitely unless otherwise directed by the Corporation Counsel.

III. **Billing**

A. **Rates.**

Outside Counsel shall be compensated at the rate of $150.00 per hour, including expenses. The total amount of this agreement shall not exceed $75,000.00.

The City will pay for actual services rendered at rates established in Requests for Qualifications or otherwise agreed to in advance. At the time of Outside Counsel’s initial engagement, Outside Counsel shall furnish the Corporation Counsel with a schedule of billing rates for partners, associates and all other timekeepers expected to bill time against the matter for review and approval prior to billing time to the City. Because of City procurement rules, the rates
applicable at the inception of each specific matter must remain in effect for the duration of that matter.

Hourly rates shall include all overhead costs (see Acceptable Fees/Charges, below), none of which shall be included in disbursements.

Time must be billed in 0.1 hour increments and on a per-task basis. The time entry description must be specific, detailing the action taken and the subject matter. Absent prior consent, the City will not pay for more than ten (10) hours of time by a single timekeeper in a single day, but the Corporation Counsel may increase that number of permissible hours in matters of special urgency or where cases are in or approaching trial.

Outside Counsel shall bear in mind that invoices may be disclosed pursuant to the City’s open records laws and that courts may not sustain assertions of privilege by the City. Although the City will endeavor to redact privileged information before releasing bills for public consumption, Outside Counsel shall, to the extent practicable and consistent with the need to fully inform the City of its activities and to allow the City to evaluate the reasonableness of billing narratives, avoid the inclusion of privileged matter in invoices.

B. Invoicing Policy.

All invoices must be submitted to the Corporation Counsel.

For litigation, advice, and non-bond transactional matters, Outside Counsel generally are expected to submit monthly invoices within thirty days of the conclusion of the billing period, absent the City’s prior consent to a longer delay. All charges must reflect the work performed within the billing period or a reasonable time before the billing period. Absent good cause, as defined by the City, the City will not pay for services or expenses incurred more than 90 days prior to the date the invoice is submitted. For bond matters, Outside Counsel are expected to submit their invoice within thirty days of the conclusion of the transaction.

Absent a specific agreement to an alternative fee arrangement, Outside Counsel fees shall be computed by applying the negotiated hourly rate to the time for the services expended. Hours shown must accurately reflect the time spent on the described activity and must either be the exact amount of time or the exact time rounded down to the nearest one-tenth of an hour. Block billing—grouping multiple activities under a single time charge—will not be accepted, and the City will not pay for any time recorded in a block fashion unless this requirement is waived by the Director of the City of Law or his or her designee.

Every bill from Outside Counsel is deemed to be a certification by the firm and billing partner that all legal services and disbursements reflected on the bill are reasonable for the legal matter involved and necessary for the proper provision of legal services to the City. The City may deduct certain fees and charges that are inconsistent with this Agreement.
The City reserves the right to audit all fee and disbursement details that Outside Counsel submit, as well as the corresponding legal file. The City will promptly terminate the services of any Outside Counsel whose billing practices raise questions about the Outside Counsel’s integrity, honesty or compliance with the applicable rules of professional conduct or this Agreement.

C. **Invoice Format.**

Each invoice will include the following minimum requirements:

- Unique invoice number
- Invoice date
- Matter name
- Outside Counsel’s matter number
- Date(s) services were performed
- Timekeeper name or ID
- Timekeeper title or level
- A narrative description of the services provided or tasks performed for each specific task. The description shall clearly state the nature of the task performed sufficient to allow the City to determine why it was necessary. Incomplete or vague charge descriptions are unacceptable. Examples of incomplete or vague charges include, but are not limited to: ‘analysis’, ‘review file’, ‘conference’, ‘attention to matter’; ‘worked on discovery’, ‘work on file’, ‘prepare for meeting’, ‘misc.’, and ‘other’
- Time entry to the nearest tenth (.10) of an hour
- Timekeeper rate
- Charge total
- Detail of reimbursable expenses and disbursements at actual cost

The detailed billing report from Outside Counsel’s system will provide this information. If Outside Counsel provides services on more than one matter during a billing period, a separate invoice for each matter is required.

D. **Acceptable Fees/Charges.**

Overhead charges may not be billed. The City will not reimburse Outside Counsel for basic support services, which the City deems to be part of Outside Counsel’s overhead and built into its rates. The City will not pay for any of the following items under any circumstances:

- Billing inquiries
- Opening and closing files
- Internal filing
- Secretarial services (including overtime charges)
E. **Basic legal research may not be billed.**

Outside Counsel shall be familiar with the basic substantive law at issue in the matter for which the firm was retained, and the City shall not be charged for this type of research. If legal research benefits other clients, only the proportionate share of that cost shall be billed to the City. The City shall also benefit from previously prepared briefs and memoranda, and when such briefs or memoranda exist, will pay only for actual time spent updating or tailoring the same. All other anticipated legal research shall be addressed in Outside Counsel's proposed budget. Legal research projects necessary in a particular litigation assignment must be approved in advance by the Corporation Counsel before the research is commenced.

The City will pay only for the actual time spent by Outside Counsel or other approved timekeeper conducting the research. As explained *infra*, fees charged by electronic or other research services, including library fees, Westlaw, Lexis and other online services are considered general overhead and are not reimbursable.

F. **Out-of-pocket costs must be itemized and passed through with no markup.**

The City will reimburse Outside Counsel for reasonable, documented and itemized out-of-pocket disbursements and costs incurred on behalf of the City, with the exceptions and limitations set forth in this Agreement. Outside Counsel's invoices to the City shall reflect the actual cost and shall not include any markup. All disbursements must be fully itemized with a description sufficient for review, identifying the number of units, price per unit and total cost. The City may refuse to pay for disbursements billed as 'miscellaneous,' billed in a group (e.g., Travel Expenses - $4,000.00) or disbursements without descriptions.

G. **Prohibited disbursements.**

The City considers certain disbursements to be part of a law firm's overhead and will not pay such charges. These items include:

- Rent (including temporary office space)
- Westlaw, Lexis and other legal database services
- Cost or usage of computers or mobile devices or internet service charges
- Equipment rental
H. **Copying/scanning.**

Copying charges may be billed to the City at the lesser of the most favorable rate applied by Outside Counsel or five cents per page. The City will reimburse for document scanning at Outside Counsel firm's regular rate, up to a maximum of five cents per page, for document productions, but the City will not pay time charges associated with scanning, and there shall be no charges associated with the scanning and filing of court papers and correspondence. Every effort shall be made to minimize scanning expenses by working with documents in electronic format whenever possible.

I. **Couriers and Overnight Mail.**

The City will reimburse for actual charges billed to Outside Counsel for deliveries (including overnight express) that are necessary in the interest of speed and reliability. Outside Counsel shall use the lowest cost service consistent with need and reliability, and to arrange schedules, whenever practicable, to avoid the need for premium-priced couriers. Outside Counsel shall use less expensive means, such as email (encrypted, when necessary) or regular mail where it is practical to do so.

J. **Travel Expenses.**

All air and rail travel must be first approved by the Corporation Counsel, ideally as part of the case budget. Outside Counsel shall use good judgment in selecting hotels and restaurants and incurring expenses for which the taxpayers are to be charged. Outside Counsel shall use alternatives to travel such as conference calls or videoconferences whenever practicable. If the travel involves another client, the City may be billed only for its proportionate share of both time and related expenses. Non-working travel time is not billable without the Corporation Counsel's prior approval.

K. **Reimbursement of Meals for Overnight Travel.**
The City will reimburse for meals consumed while traveling overnight on City business, but limited (absent prior approval) to no more than seventy dollars ($70) per person, per day. Under no circumstances will the City reimburse costs for alcoholic beverages.

L. Maintenance of Expense Records.

To ensure compliance with the City's reimbursement policies, Outside Counsel shall require itemization of out-of-pocket expenses such as airline tickets, meals and hotel bills before making reimbursement to any attorney, employee or third party, and maintain original receipts. Travel and meal expenses and receipts may be audited and shall be retained by Outside Counsel in accordance with applicable IRS guidelines. Unless requested to do so by the City, Outside Counsel shall not forward copies of travel and meal expense receipts to the City with the firm's invoices.

M. Personal Expenses Not Reimbursable.

Please take care to distinguish between personal expenses and properly chargeable business expenses. The City will not reimburse for, among other things, recreation fees, salon or spa charges, pay-per-view movies or other personal entertainment charges, airline baggage charges, travel agency expenses, shoe shines, toiletries, dry cleaning or laundry (except in the unlikely event travel of more than seven days' duration is required), or luggage.

N. Vendor discounts must be passed through.

If Outside Counsel receives a discount or rebate from a vendor based on the aggregate level of business with that vendor, such discount shall be disclosed and the City shall receive the benefit on a proportionate basis. This does not include frequent-flyer miles or similar perquisites allocated to individual travelers.

IV. CONFIDENTIALITY

In the course of representing the City, Outside Counsel will frequently gain access to nonpublic and confidential information. The City requires Outside Counsel to maintain the confidentiality of such information both during and after the course of Outside Counsel's representation of the City. Outside Counsel must have in place appropriate procedures to ensure the protection of all such information. In the event the representation requires Outside Counsel to become privy to protected personally-identifiable information about any person, such as health or financial records, Social Security numbers or other such information, then this information must be handled with the utmost care both within facilities in Outside Counsel's control, and certainly when that information is being transported. Under no circumstances shall such confidential information be transported outside Counsel's offices—either physically or over the public internet—unless the information is appropriately encrypted. In the event information is
compromised or potentially compromised, Outside Counsel must notify the City immediately.

Outside Counsel must follow all statutory, regulatory, and ethical provisions relating to privacy, confidentiality and nondisclosure of all privileged, proprietary and confidential information. Outside Counsel must take appropriate measures to ensure that all legal and non-legal personnel are familiar with this requirement and are effectively supervised in this regard.

Vendors to whom Outside Counsel gives access to confidential or proprietary material of the City (including work product) must sign the confidentiality agreement attached as Appendix A. It is the responsibility of Outside Counsel to obtain a signed confidentiality agreement from each vendor and to retain those agreements.

This Confidentiality Section, and the corresponding Confidentiality Agreement attached as Appendix A, is above and beyond any relationships or privileges held or created separate and apart from this Agreement.

V. NEW JERSEY BUSINESS REGISTRATION REQUIREMENTS

Outside Counsel shall provide written notice to its subcontractors of the responsibility to submit proof of business registration to the contractor.

Before final payment on the contract is made by the contracting agency, the contractor shall submit an accurate list and the proof of business registration of each subcontractor or supplier used in the fulfillment of the contract, or shall attest that no subcontractors were used.

For the term of the contract, the contractor and each of its affiliates and a subcontractor and each of its affiliates [N.J.S.A. 52:32-44(g)(3)] shall collect and remit to the Director, New Jersey Division of Taxation, the use tax due pursuant to the Sales and Use Tax Act on all sales of tangible personal property delivered into this State, regardless of whether the tangible personal property is intended for a contract with a contracting agency.

A business organization that fails to provide a copy of a business registration as required pursuant to section 1 of P.L.2001, c.134 (C.52:32-44 et al.) or subsection e. or f. of section 92 of P.L.1977, c.110 (C.5:12-92), or that provides false business registration information under the requirements of either of those sections, shall be liable for a penalty of $25 for each day of violation, not to exceed $50,000 for each business registration copy not properly provided under a contract with a contracting agency.

VI. TERMINATION

The City reserves the right to terminate the within Agreement at any time for any reason whatsoever, in which event Outside Counsel shall be paid for services due up to the date of termination. Thereafter, this Agreement shall be considered null and void with no further
rights or obligations emanating there from. Unless sooner terminated or renewed, this contract shall be for a term of one (1) year commencing on the date the contract is executed by City officials.

VII. GENERAL TERMS

A. Governing Law/Jurisdiction.

This Agreement will be interpreted in accordance with, and governed by, the laws of the State of New Jersey. The courts of the State of New Jersey will have exclusive jurisdiction and the parties irrevocably attorney to the jurisdiction of such courts.

B. Counterparts Clause.

This Agreement may be executed by e-mail in counterparts all of which will be deemed originals and legally binding once delivered to each of the other parties’ authorized e-mail addresses and such delivery is acknowledged by reply e-mail. Although not necessary to legally bind the parties, each party agrees to promptly circulate signed originals in sufficient number to the other parties for record-keeping purposes after completing the e-mail execution and delivery. All counterparts when executed and delivered (by e-mail or in paper form) will be construed together to be an original and will constitute one and the same agreement.

By accepting an engagement by the City, law firms will be deemed to have familiarized themselves with this agreement and to have agreed to adhere to it in all respects, now and as they may be amended from time to time upon written notice and acceptance. This acceptance is a matter both of contract and professional responsibility.

AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity for Individuwx with Disability

The contractor and the __________________________, (hereinafter "owner") do hereby agree that the provisions of Title II of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. §12101 et seq.), which prohibit discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature, arising out of or claimed to arise out of the alleged violation. The contractor shall, on its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner’s grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense or incurs a violation of the ADA which has been brought pursuant to the grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor’s obligations assumed in this Agreement, nor shall they be continued to relieve the contractor from any liability, nor preclude the owner from taking any other action or proceeding in any way other provisions of the Agreement or otherwise at law.

N.V.—Not Voting (Abstain)

Adopted at a meeting of the Municipal Council of the City of Jersey City N.J.

Roberto G. Lavarro, Jr., President of Council

Robert Byrne, City Clerk
Outside Counsel Agreement

This Agreement dated the ___ day of ___________ 2019 between the City of Jersey City, a municipal corporation, with offices at 280 Grove Street, Jersey City, New Jersey 07302 ("City") and, Lite DePalma Greenberg, LLC, 570 Broad Street, Suite 1201, Newark, New Jersey 07102 ("Special Counsel"). The Corporation Counsel of the City of Jersey City has selected Special Counsel to serve as Outside Counsel in connection with Nakia Wiggins v. City of Jersey City, et al.

In consideration of the mutual promises and covenants set forth herein, the parties agree as follows:

I. CONFLICTS OF INTEREST

A. Initial Conflicts Check.

Outside Counsel must be sensitive both to direct conflicts of interest that representation of the City and other clients poses, and to the less direct, but nevertheless serious, conflicts that may arise from the same firm's advocacy, on behalf of other clients, of positions conflicting with important City interests. Prior to Outside Counsel's engagement, Outside Counsel shall carefully review whether any conflicts of either type exist and, if so, bring those conflicts to the attention of the Corporation Counsel. The City shall be promptly informed of and consulted with respect to all potential conflicts. Although issue conflicts may not necessarily result in a disqualification of Outside Counsel, the City shall be consulted before Outside Counsel accepts an engagement that will require the firm to advocate a position that may be adverse to a City legal interest or otherwise prejudicial to the interests of the City. The City in its sole discretion shall, after consultation with Outside Counsel, determine whether an impermissible conflict exists, or whether other circumstances exist that would undermine the public's confidence if representation by Outside Counsel continued.

Outside Counsel's acceptance of an engagement on a matter without written disclosure of any conflicts constitutes Outside Counsel's representation that it has conducted an appropriate conflict check and no conflict exists.

B. City Conflicts.

The City has a duty to protect the public interest. As part of this responsibility, the City sets policies to ensure that the legal system operates in a manner that safeguards the public's confidence in the integrity and impartiality of its administration. For this reason, in addition to
insisting that its attorneys follow the Rules of Professional Conduct, the City prohibits Outside Counsel that represent the City, while such matter is pending, from:

(1) Representing private parties before the City or any of its boards, proceedings, commissions or autonomous agencies in adversarial, transactional or non-adversarial proceedings. Outside Counsel also may not, on behalf of a private client, lobby the City or any City department.

(2) Representing private parties in any matter in which the City also is a party, if the private party has interests adverse to the City.

(3) Representing a private client with interests adverse to the City.

(4) Representing another client if that representation would present a substantial risk that Outside Counsel’s responsibilities to the City would limit its ability to provide independent advice or diligent and competent representation either to the City or the other client.

(5) Representing another client where the Outside Counsel’s knowledge of the City’s legal positions or strategy, derived from its representation or prospective representation of the City, could be used to the advantage of the other client or the disadvantage of the City.

C. Continuing Obligation.

The obligation to disclose conflicts continues throughout the course of the representation. Outside Counsel must review conflicts of interest on an ongoing basis as new matters are opened. Any new attorney/client relationships that potentially create a conflict shall be reported to the Corporation Counsel immediately.

D. Attorney-Client Privilege Group/No Representation of Other Persons/Entities Absent Approval.

Outside attorneys engaged to represent the City (as opposed to a named person) shall consider themselves to have formed an attorney-client relationship only with the City, and not any of its individual employees. When speaking with current or former employees of the City, Outside Counsel shall, as appropriate, advise those employees that although their dialogue will be considered attorney-client communications to the fullest possible extent, counsel’s responsibility is to the City and they do not represent those employees in their individual capacities. As a matter proceeds, if employees of the City will be examined under oath or interviewed in other adverse contexts, and if Outside Counsel believe it advisable for them to represent the employees in their individual capacities at such events, Outside Counsel must obtain the Corporation Counsel’s advance consent before agreeing to represent such persons in their individual capacities. The Corporation Counsel, in consultation with other City personnel,
will determine if it is appropriate for the individual to receive representation and, if so, by whom.

Outside Counsel who are engaged to represent both an entity and employees of that entity simultaneously shall take all necessary steps to ensure the continuing absence of conflicts, and to preserve their ability to continue representing the entity in the event that conflicts develop between the entity and individual clients.

II. WORKING RELATIONSHIP

A. Identification of Objectives/Relationship Attorney.

The Corporation Counsel or his designee will be Outside Counsel’s principal and regular point of contact for financial and strategic decisions. Only the Corporation Counsel or his designee has authority to direct Outside Counsel in the handling of the matter. If a City employee other than the Corporation Counsel or his designee asks Outside Counsel to proceed in a certain fashion or to perform certain activities with respect to a specific legal matter, Outside Counsel shall report the request to the Corporation Counsel and obtain direction prior to proceeding.

Outside counsel shall designate an Attorney to be the Corporation Counsel’s principal contact. In all matters, the City remains ultimately responsible for making all substantive decisions and determining the costs and benefits of contemplated legal activity. In many matters, City attorneys will act as full co-counsel and be engaged with Outside Counsel in the day-to-day conduct of the case. In matters where Outside Counsel is handling that day-to-day conduct without City personnel as co-counsel, the City shall be consulted on a regular basis throughout the course of Outside Counsel’s engagement and to be kept fully informed of the current status and proposed course of the matters assigned to Outside Counsel’s firm. All strategic, tactical, staffing (including any proposed staffing changes) and significant resource allocation decisions about City legal matters must be made in collaboration with the Corporation Counsel.

B. Early Case Assessment/Cost Assessment.

Each complex matter is to be thoroughly evaluated at its outset. The same applies to actions in which the City is the plaintiff, except that the analysis will be performed before the case is filed. In any matter, Outside Counsel shall provide an early case assessment that includes analysis of (1) likely costs to the City from the process, (2) possible outcomes, indicating the likelihood of each, and (3) strategy and tactics for termination or resolution. The format of the early case assessment may vary from a formal written document to a verbal briefing or a combination of a written budget with a verbal briefing on other aspects of the case.

Please note that time spent preparing a budget is not billable, but counsel may bill for time spent preparing an early case assessment or a recommended discovery plan.
The City places significant reliance on cost estimates and Outside Counsel shall prepare them with care. Although the City understands that unanticipated events may have an impact on costs, the City shall be consulted promptly if Outside Counsel believes that the most recent cost estimate provided is no longer accurate. Should total fees or costs exceed the agreed budget, or should fees or costs for a phase of the case exceed the agreed estimate for that phase, without adequate explanation in advance that the increased expense will be necessary, the City may require that an increased discount be applied to unanticipated fees or costs and reserves the right not to pay Outside Counsel for any amounts incurred or expended in excess of the approved budget or estimate.

For bond matters and other transactional engagements, counsel may be expected to provide a fee cap for the transaction, approved by the City, prior to commencing work. Only where a transaction materially changes in scope will the City consider revisions to an agreed fee cap. No payments above the agreed fee cap shall be made unless and until a revised fee cap has been approved in writing by the Director of the City or his/her designee.

C. Staffing.

Unless otherwise agreed, the senior attorney retained shall be directly and ultimately responsible for the entire assignment. The day-to-day involvement of that senior attorney, however, shall be appropriate to the magnitude of the matter and the efficiency required for a timely, cost effective, quality work product. When a senior attorney can handle an assignment most efficiently (based on skill and experience), that senior attorney shall complete the assignment.

The City shall be billed for only one attorney to attend events such as depositions, witness meetings, settlement conferences, negotiations and meetings with other parties' counsel. The City recognizes that in more complex matters and those with multiple work-streams, it may occasionally be appropriate for multiple attorneys to attend significant events and for members of the team to consult with each other. The City insists, however, that no more than the minimum number of attorneys necessary to an event attend, that billable internal conferences and charges for drafting and reading internal email correspondence occur only when absolutely required, and that the Corporation Counsel be regularly informed both of the number of attorneys who will attend significant events and the reason for the attendance of each billing timekeeper.

The City believes that it is most efficient for a single attorney or group of attorneys to handle a matter from beginning to end and Outside Counsel shall strive for such continuity. The City will not pay for learning time that may result from staffing changes at Outside Counsel’s firm. In addition, the City will not reimburse Outside Counsel for any routine training or supervisory time, including time spent at seminars, unless specifically approved in advance and included as part of the budget. The City will not ordinarily pay for summer associate time unless such time
has been identified as part of the approved staffing plan for appropriate work. The City will not
pay for time submitted by librarians; secretaries; billing, filing, docketing or document clerks;
internal messengers/couriers; temporary or clerical support staff; word processors; and IT
professionals other than electronic discovery specialists serving a function similar to that of
paralegals/case managers. The City also will not pay for time billed by attorneys or paralegals to
perform tasks (filing, indexing, etc.) that could and should have been handled by support
personnel.

D. Settlement.

Outside Counsel shall have no settlement authority unless and until such authority is explicitly
conferred on them by the Corporation Counsel. If Outside Counsel believes that settlement
should be pursued, Outside Counsel must seek instructions in this regard from the Corporation
Counsel, and not pursue formal or informal settlement discussions without the Corporation
Counsel’s approval. Outside Counsel shall immediately inform the Corporation Counsel of any
settlement proposal or overture, formal or informal, by the opposing party or counsel. Please
note that under no circumstances can the City agree to designate a settlement agreement as
confidential. All City settlement records are, by definition, public documents.

E. Media Relations/Law Firm Advertising.

The City does not authorize outside counsel or vendors to comment publicly in any manner
on any aspect of the City’s legal matters. All media inquiries relating to the City shall be
referred promptly to the Corporation Counsel and discussed with the Corporation Counsel
before responding to the media contact in any manner. This includes even “no comment” or
other non-substantive responses. If time is of the essence and Outside Counsel cannot reach the
Corporation Counsel, the Press Secretary in the Office of the Mayor shall be contacted.

The City does not permit Outside Counsel to advertise or promote their relationship with the
City, other than by listing the City as a representative client.

F. Engagement of E-Discovery and Other Vendors, Including Experts.

Before engaging any vendor, including electronic discovery firms and experts, lobbyists or
other consultants (in each case, a “vendor”), Outside Counsel must pre-clear that engagement
with the Corporation Counsel, unless the Corporation Counsel has explicitly granted exceptions
to this preclearance requirement. The City will not be responsible for vendor fees or costs unless
that vendor’s engagement was pre-approved by the City. The City may require Outside
Counsel to engage vendors with which the City has master contracts or preferred pricing
arrangements, and always will insist on engagement of the lowest-cost vendor qualified to
handle a task (understanding that complex tasks may require vendors with specialized
expertise).
Outside Counsel will pay all third-party service providers directly and will bill the City for those services' detailed disbursements included in monthly invoices. This City will not accept separate invoices from service providers directly to the City for payment.

Outside Counsel has the responsibility to ensure that there are no conflicts between any vendor and the City. In addition, all vendors must execute the confidentiality agreement attached as Appendix A. The fee and disbursement policies as outlined in this Agreement shall be made available to, and followed by vendors. It is Outside Counsel’s responsibility to confirm that all third party billings comply with this Agreement.

Vendor payment arrangements shall be discussed in advance with the Corporation Counsel. In general, Outside Counsel shall contract with vendors themselves and pay the third party invoices directly, incorporating those invoices into their own bills to the City and including appropriate detail for reasonable review by City personnel. The City may request Outside Counsel to provide full copies of vendor invoices; Outside Counsel therefore shall retain those invoices in accordance with IRS guidelines. The Corporation Counsel may approve other payment arrangements, including (in rare cases) direct contracting with and payment by the City.

When engaging court reporting services, Outside Counsel shall request only one transcript (electronic or hard copy). The City will not reimburse charges for additional transcripts.

G. Adherence to Ethical Standards.

The City conducts itself in accordance with the highest ethical standards and expects the same of its Outside Counsel. No City employee ever has authority to instruct Outside Counsel to act in an unethical manner. If Outside Counsel believes that a City employee has engaged or will engage in illegal or unethical activity, Outside Counsel must immediately advise the Corporation Counsel. The City will terminate its relationship with any Outside Counsel who, in the City’s sole discretion, fails to adhere to the foregoing ethical standards.

At all times, Outside Counsel will remain aware of and in compliance with each of the City’s “Pay-to-Play” ordinances and any amendments thereto.

H. Gratuities.

City officers and employees are prohibited from accepting any gift, favor, service or other thing of value related in any way to the City officer’s or employee’s public duties. In addition, any vendor to the City is prohibited from offering a gift or other thing of value to a City officer or employee with which the vendor transacts business or offers to transact business. Any City officer or employee is prohibited from soliciting a gift or thing of value from a City vendor. This includes charitable donations made in the name of a City employee.
The City reserves the right to amend this Agreement from time to time, providing written notification to Outside Counsel within thirty (30) days of the effective date of any substantive changes. Failure to accept amendments may result in the termination of services from the City.

I. **Malpractice Insurance.**

Outside Counsel representing the City shall maintain malpractice insurance coverage that is reasonable and prudent in relation to the types and sizes of matters handled. Outside Counsel shall, upon request, promptly provide the Corporation Counsel with copies of any applicable policies required under this section, and/or a certificate of insurance. Each policy provided must be certified by the agent or underwriter to be a true copy. If Outside Counsel does not have coverage or if coverage is cancelled and not immediately replaced with comparable coverage, Outside Counsel must immediately report this to the Corporation Counsel.

J. **File Retention.**

For Litigated Matters: Outside Counsel shall retain pleadings, correspondence, discovery materials, deposition transcripts and similar documents and work product for a period of no less than seven (7) years from the date the matter is concluded or for the time period specified by rule or law in the jurisdiction in which the matter was pending, whichever is longer. Beyond this period, Outside Counsel shall notify the City in writing no less than sixty (60) days prior to destroying any file. Along with the written notification, Outside Counsel shall submit an inventory of any original City documents contained in the file to be destroyed and a representation that any electronic version of the file will also be destroyed or deleted.

For Bond and Other Transactions, and Advice Matters: Documents shall be retained in accordance with the same policies applicable to litigated matters unless applicable law mandates any longer retention schedule. However, bond counsel and transactional/advice counsel shall retain all transcripts of transactions and memoranda of advice indefinitely unless otherwise directed by the Corporation Counsel.

III. **Billing**

A. **Rates.**

Outside Counsel shall be compensated at the rate of $150.00 per hour, including expenses. The total amount of this agreement shall not exceed $75,000.

The City will pay for actual services rendered at rates established in Requests for Qualifications or otherwise agreed to in advance. At the time of Outside Counsel’s initial engagement, Outside Counsel shall furnish the Corporation Counsel with a schedule of billing rates for partners, associates and all other timekeepers expected to bill time against the matter for review and approval prior to billing time to the City. Because of City procurement rules, the rates
applicable at the inception of each specific matter must remain in effect for the duration of that matter.

Hourly rates shall include all overhead costs (see Acceptable Fees/Charges, below), none of which shall be included in disbursements.

Time must be billed in 0.1 hour increments and on a per-task basis. The time entry description must be specific, detailing the action taken and the subject matter. Absent prior consent, the City will not pay for more than ten (10) hours of time by a single timekeeper in a single day, but the Corporation Counsel may increase that number of permissible hours in matters of special urgency or where cases are in or approaching trial.

Outside Counsel shall bear in mind that invoices may be disclosed pursuant to the City’s open records laws and that courts may not sustain assertions of privilege by the City. Although the City will endeavor to redact privileged information before releasing bills for public consumption, Outside Counsel shall, to the extent practicable and consistent with the need to fully inform the City of its activities and to allow the City to evaluate the reasonableness of billing narratives, avoid the inclusion of privileged matter in invoices.

B. Term.

The term of this agreement is twelve (12) months effective as of October 2, 2017.

C. Invoicing Policy.

All invoices must be submitted to the Corporation Counsel.

For litigation, advice, and non-bond transactional matters, Outside Counsel generally are expected to submit monthly invoices within thirty days of the conclusion of the billing period, absent the City’s prior consent to a longer delay. All charges must reflect the work performed within the billing period or a reasonable time before the billing period. Absent good cause, as defined by the City, the City will not pay for services or expenses incurred more than 90 days prior to the date the invoice is submitted. For bond matters, Outside Counsel are expected to submit their invoice within thirty days of the conclusion of the transaction.

Absent a specific agreement to an alternative fee arrangement, Outside Counsel fees shall be computed by applying the negotiated hourly rate to the time for the services expended. Hours shown must accurately reflect the time spent on the described activity and must either be the exact amount of time or the exact time rounded down to the nearest one-tenth of an hour. Block billing—grouping multiple activities under a single time charge—will not be accepted, and the City will not pay for any time recorded in a block fashion unless this requirement is waived by the Director of the City of Law or his or her designee.
Every bill from Outside Counsel is deemed to be a certification by the firm and billing partner that all legal services and disbursements reflected on the bill are reasonable for the legal matter involved and necessary for the proper provision of legal services to the City. The City may deduct certain fees and charges that are inconsistent with this Agreement.

The City reserves the right to audit all fee and disbursement details that Outside Counsel submit, as well as the corresponding legal file. The City will promptly terminate the services of any Outside Counsel whose billing practices raise questions about the Outside Counsel's integrity, honesty or compliance with the applicable rules of professional conduct or this Agreement.

D. **Invoice Format.**

Each invoice will include the following minimum requirements:

- Unique invoice number
- Invoice date
- Matter name
- Outside Counsel's matter number
- Date(s) services were performed
- Timekeeper name or ID
- Timekeeper title or level
- A narrative description of the services provided or tasks performed for each specific task. The description shall clearly state the nature of the task performed sufficient to allow the City to determine why it was necessary. Incomplete or vague charge descriptions are unacceptable. Examples of incomplete or vague charges include, but are not limited to: 'analysis', 'review file', 'conference', 'attention to matter'; 'worked on discovery', 'work on file', 'prepare for meeting', 'misc.' and 'other'.
- Time entry to the nearest tenth (.10) of an hour
- Timekeeper rate
- Charge total
- Detail of reimbursable expenses and disbursements at actual cost

The detailed billing report from Outside Counsel's system will provide this information. If Outside Counsel provides services on more than one matter during a billing period, a separate invoice for each matter is required.

E. **Acceptable Fees/Charges.**

**Overhead charges may not be billed.** The City will not reimburse Outside Counsel for basic support services, which the City deems to be part of Outside Counsel's overhead and built into its rates. The City will not pay for any of the following items under any circumstances:
F. Basic legal research may not be billed.

Outside Counsel shall be familiar with the basic substantive law at issue in the matter for which the firm was retained, and the City shall not be charged for this type of research. If legal research benefits other clients, only the proportionate share of that cost shall be billed to the City. The City shall also benefit from previously prepared briefs and memoranda, and when such briefs or memoranda exist, will pay only for actual time spent updating or tailoring the same. All other anticipated legal research shall be addressed in Outside Counsel's proposed budget. Legal research projects necessary in a particular litigation assignment must be approved in advance by the Corporation Counsel before the research is commenced.

The City will pay only for the actual time spent by Outside Counsel or other approved timekeeper conducting the research. As explained infra, fees charged by electronic or other research services, including library fees, Westlaw, Lexis and other online services are considered general overhead and are not reimbursable.

G. Out-of-pocket costs must be itemized and passed through with no markup.

The City will reimburse Outside Counsel for reasonable, documented and itemized out-of-pocket disbursements and costs incurred on behalf of the City, with the exceptions and limitations set forth in this Agreement. Outside Counsel's invoices to the City shall reflect the actual cost and shall not include any markup. All disbursements must be fully itemized with a description sufficient for review, identifying the number of units, price per unit and total cost. The City may refuse to pay for disbursements billed as 'miscellaneous,' billed in a group (e.g., Travel Expenses - $4,000.00) or disbursements without descriptions.

H. Prohibited disbursements.

The City considers certain disbursements to be part of a law firm's overhead and will not pay such charges. These items include:

- Billing inquiries
- Opening and closing files
- Internal filing
- Secretarial services (including overtime charges)
- Word processing or proofreading
- Maintenance of a calendar or tickler system
- Investigating potential conflicts
- Preparing budgets
- Library usage (including book purchases or subscriptions) or library staff time
- Office supplies
- Conference room charges
• Rent (including temporary office space)
• Westlaw, Lexis and other legal database services
• Cost or usage of computers or mobile devices or internet service charges
• Equipment rental
• Storage charges
• Catering for internal meetings
• Meals (except during business travel, and then limited to $70 per day)
• Mileage for short trips (<30 miles one way)
• Travel costs exceeding discounted, non-refundable coach fares except where excess costs have been approved in advance
• Telephone charges
• Facsimile charges
• Allocated charges from a firm’s blanket service agreements with outside vendors

I. **Copying/scanning.**

Copying charges may be billed to the City at the lesser of the most favorable rate applied by Outside Counsel or five cents per page. The City will reimburse for document scanning at Outside Counsel firm’s regular rate, up to a maximum of five cents per page, for document productions, but the City will not pay time charges associated with scanning, and there shall be no charges associated with the scanning and filing of court papers and correspondence. Every effort shall be made to minimize scanning expenses by working with documents in electronic format whenever possible.

J. **Couriers and Overnight Mail.**

The City will reimburse for actual charges billed to Outside Counsel for deliveries (including overnight express) that are necessary in the interest of speed and reliability. Outside Counsel shall use the lowest cost service consistent with need and reliability, and to arrange schedules, whenever practicable, to avoid the need for premium-priced couriers. Outside Counsel shall use less expensive means, such as email (encrypted, when necessary) or regular mail where it is practical to do so.

K. **Travel Expenses.**

All air and rail travel must be first approved by the Corporation Counsel, ideally as part of the case budget. Outside Counsel shall use good judgment in selecting hotels and restaurants and incurring expenses for which the taxpayers are to be charged. Outside Counsel shall use alternatives to travel such as conference calls or videoconferences whenever practicable. If the travel involves another client, the City may be billed only for its proportionate share of both time and related expenses. **Non-working travel time is not billable without the Corporation Counsel’s prior approval.**
L. **Reimbursement of Meals for Overnight Travel.**

The City will reimburse for meals consumed while traveling overnight on City business, but limited (absent prior approval) to no more than seventy dollars ($70) per person, per day. Under no circumstances will the City reimburse costs for alcoholic beverages.

M. **Maintenance of Expense Records.**

To ensure compliance with the City’s reimbursement policies, Outside Counsel shall require itemization of out-of-pocket expenses such as airline tickets, meals and hotel bills before making reimbursement to any attorney, employee or third party, and maintain original receipts. Travel and meal expenses and receipts may be audited and shall be retained by Outside Counsel in accordance with applicable IRS guidelines. Unless requested to do so by the City, Outside Counsel shall not forward copies of travel and meal expense receipts to the City with the firm’s invoices.

N. **Personal Expenses Not Reimbursable.**

Please take care to distinguish between personal expenses and properly chargeable business expenses. The City will not reimburse for, among other things, recreation fees, salon or spa charges, pay-per-view movies or other personal entertainment charges, airline baggage charges, travel agency expenses, shoe shines, toiletries, dry cleaning or laundry (except in the unlikely event travel of more than seven days’ duration is required), or luggage.

O. **Vendor discounts must be passed through.**

If Outside Counsel receives a discount or rebate from a vendor based on the aggregate level of business with that vendor, such discount shall be disclosed and the City shall receive the benefit on a proportionate basis. This does not include frequent-flyer miles or similar perquisites allocated to individual travelers.

**IV. CONFIDENTIALITY**

In the course of representing the City, Outside Counsel will frequently gain access to nonpublic and confidential information. The City requires Outside Counsel to maintain the confidentiality of such information both during and after the course of Outside Counsel’s representation of the City. Outside Counsel must have in place appropriate procedures to ensure the protection of all such information. In the event the representation requires Outside Counsel to become privy to
protected personally-identifiable information about any person, such as health or financial records, Social Security numbers or other such information, then this information must be handled with the utmost care both within facilities in Outside Counsel’s control, and certainly when that information is being transported. Under no circumstances shall such confidential information be transported outside Counsel’s offices—either physically or over the public internet—unless the information is appropriately encrypted. In the event information is compromised or potentially compromised, Outside Counsel must notify the City immediately.

Outside Counsel must follow all statutory, regulatory, and ethical provisions relating to privacy, confidentiality and nondisclosure of all privileged, proprietary and confidential information. Outside Counsel must take appropriate measures to ensure that all legal and non-legal personnel are familiar with this requirement and are effectively supervised in this regard.

Vendors to whom Outside Counsel gives access to confidential or proprietary material of the City (including work product) must sign the confidentiality agreement attached as Appendix A. It is the responsibility of Outside Counsel to obtain a signed confidentiality agreement from each vendor and to retain those agreements.

This Confidentiality Section and the corresponding Confidentiality Agreement attached as Appendix A, is above and beyond any relationships or privileges held or created separate and apart from this Agreement.

V. NEW JERSEY BUSINESS REGISTRATION REQUIREMENTS

Outside Counsel shall provide written notice to its subcontractors of the responsibility to submit proof of business registration to the contractor.

Before final payment on the contract is made by the contracting agency, the contractor shall submit an accurate list and the proof of business registration of each subcontractor or supplier used in the fulfillment of the contract, or shall attest that no subcontractors were used.

For the term of the contract, the contractor and each of its affiliates and a subcontractor and each of its affiliates [N.J.S.A. 52:32-44(g)(3)] shall collect and remit to the Director, New Jersey Division of Taxation, the use tax due pursuant to the Sales and Use Tax Act on all sales of tangible personal property delivered into this State, regardless of whether the tangible personal property is intended for a contract with a contracting agency.

A business organization that fails to provide a copy of a business registration as required pursuant to section 1 of P.L.2001, c.134 (C.52:32-44 et al.) or subsection e. or f. of section 92 of P.L.1977, c.110 (C.5:12-92), or that provides false business registration information under the requirements of either of those sections, shall be liable for a penalty of $25 for each day of violation, not to exceed $50,000 for each business registration copy not properly provided under a contract with a contracting agency.
VI. TERMINATION

The City reserves the right to terminate the within Agreement at any time for any reason whatsoever, in which event Outside Counsel shall be paid for services due up to the date of termination. Thereafter, this Agreement shall be considered null and void with no further rights or obligations emanating therefrom. Unless sooner terminated or renewed, this contract shall be for a term of one (1) year commencing on the date the contract is executed by City officials.

VII. GENERAL TERMS

A. Governing Law/Jurisdiction.

This Agreement will be interpreted in accordance with, and governed by, the laws of the State of New Jersey. The courts of the State of New Jersey will have exclusive jurisdiction and the parties irrevocably consent to the jurisdiction of such courts.

B. Counterparts Clause.

This Agreement may be executed by e-mail in counterparts all of which will be deemed originals and legally binding once delivered to each of the other parties' authorized e-mail addresses and such delivery is acknowledged by reply e-mail. Although not necessary to legally bind the parties, each party agrees to promptly circulate signed originals in sufficient number to the other parties for record-keeping purposes after completing the e-mail execution and delivery. All counterparts when executed and delivered (by e-mail or in paper form) will be construed together to be an original and will constitute one and the same agreement.

By accepting an engagement by the City, law firms will be deemed to have familiarized themselves with this agreement and to have agreed to adhere to it in all respects, now and as they may be amended from time to time upon written notice and acceptance. This acceptance is a matter both of contract and professional responsibility.

APPENDIX A  
AMERICANS WITH DISABILITIES ACT OF 1990  
Equal Opportunity for Individuals with Disability

The contractor and the ____________________________, (owner) do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (29 U.S.C. § 5121 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, damages, or expenses of whatever kind or nature arising out of any claim to arise out of the alleged violation. The contractor shall, at its own expense, defend, and pay any and all expenses for legal services and any and all costs and other expenses arising from any action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. Any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cause a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall indemnify and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnity or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor prejudice the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

Outside Counsel Agreement

This Agreement dated the ___ day of __________, 2019 between the City of Jersey City, a municipal corporation, with offices at 280 Grove Street, Jersey City, New Jersey 07302 ("City") and, Florio, Kenny, Raval, LLP, 125 Chubb Ave Suite 310 - N, Lyndhurst, NJ 07071 ("Special Counsel"). The Corporation Counsel of the City of Jersey City has selected Special Counsel to serve as Outside Counsel in connection with State v. Keith Armstrong.

In consideration of the mutual promises and covenants set forth herein, the parties agree as follows:

I. CONFLICTS OF INTEREST

A. Initial Conflicts Check.

Outside Counsel must be sensitive both to direct conflicts of interest that representation of the City and other clients poses, and to the less direct, but nevertheless serious, conflicts that may arise from the same firm’s advocacy, on behalf of other clients, of positions conflicting with important City interests. Prior to Outside Counsel’s engagement, Outside Counsel shall carefully review whether any conflicts of either type exist and, if so, bring those conflicts to the attention of the Corporation Counsel. The City shall be promptly informed of and consulted with respect to all potential conflicts. Although issue conflicts may not necessarily result in a disqualification of Outside Counsel, the City shall be consulted before Outside Counsel accepts an engagement that will require the firm to advocate a position that may be adverse to a City legal interest or otherwise prejudicial to the interests of the City. The City in its sole discretion shall, after consultation with Outside Counsel, determine whether an impermissible conflict exists, or whether other circumstances exist that would undermine the public’s confidence if representation by Outside Counsel continued.

Outside Counsel’s acceptance of an engagement on a matter without written disclosure of any conflicts constitutes Outside Counsel’s representation that it has conducted an appropriate conflict check and no conflict exists.

B. City Conflicts.

The City has a duty to protect the public interest. As part of this responsibility, the City sets policies to ensure that the legal system operates in a manner that safeguards the public’s confidence in the integrity and impartiality of its administration. For this reason, in addition to insisting that its attorneys follow the Rules of Professional Conduct, the City prohibits Outside Counsel that represent the City, while such matter is pending, from:
(1) Representing private parties before the City or any of its boards, proceedings, commissions or autonomous agencies in adversarial, transactional or non-adversarial proceedings. Outside Counsel also may not, on behalf of a private client, lobby the City or any City department.

(2) Representing private parties in any matter in which the City also is a party, if the private party has interests adverse to the City.

(3) Representing a private client with interests adverse to the City.

(4) Representing another client if that representation would present a substantial risk that Outside Counsel's responsibilities to the City would limit its ability to provide independent advice or diligent and competent representation either to the City or the other client.

(5) Representing another client where the Outside Counsel’s knowledge of the City’s legal positions or strategy, derived from its representation or prospective representation of the City, could be used to the advantage of the other client or the disadvantage of the City.

C. Continuing Obligation.

The obligation to disclose conflicts continues throughout the course of the representation. Outside Counsel must review conflicts of interest on an ongoing basis as new matters are opened. Any new attorney/client relationships that potentially create a conflict shall be reported to the Corporation Counsel immediately.

D. Attorney-Client Privilege Group/No Representation of Other Persons/Entities Absent Approval.

Outside attorneys engaged to represent the City (as opposed to a named person) shall consider themselves to have formed an attorney-client relationship only with the City, and not any of its individual employees. When speaking with current or former employees of the City, Outside Counsel shall, as appropriate, advise those employees that although their dialogue will be considered attorney-client communications to the fullest possible extent, counsel’s responsibility is to the City and they do not represent those employees in their individual capacities. As a matter proceeds, if employees of the City will be examined under oath or interviewed in other adverse contexts, and if Outside Counsel believe it advisable for them to represent the employees in their individual capacities at such events, Outside Counsel must obtain the Corporation Counsel’s advance consent before agreeing to represent such persons in their individual capacities. The Corporation Counsel, in consultation with other City personnel, will determine if it is appropriate for the individual to receive representation and, if so, by whom.
Outside Counsel who are engaged to represent both an entity and employees of that entity simultaneously shall take all necessary steps to ensure the continuing absence of conflicts, and to preserve their ability to continue representing the entity in the event that conflicts develop between the entity and individual clients.

II. WORKING RELATIONSHIP

A. Identification of Objectives/Relationship Attorney.

The Corporation Counsel or his designee will be Outside Counsel’s principal and regular point of contact for financial and strategic decisions. Only the Corporation Counsel or his designee has authority to direct Outside Counsel in the handling of the matter. If a City employee other than the Corporation Counsel or his designee asks Outside Counsel to proceed in a certain fashion or to perform certain activities with respect to a specific legal matter, Outside Counsel shall report the request to the Corporation Counsel and obtain direction prior to proceeding.

Outside counsel shall designate an Attorney to be the Corporation Counsel’s principal contact. In all matters, the City remains ultimately responsible for making all substantive decisions and determining the costs and benefits of contemplated legal activity. In many matters, City attorneys will act as full co-counsel and be engaged with Outside Counsel in the day-to-day conduct of the case. In matters where Outside Counsel is handling that day-to-day conduct without City personnel as co-counsel, the City shall be consulted on a regular basis throughout the course of Outside Counsel’s engagement and to be kept fully informed of the current status and proposed course of the matters assigned to Outside Counsel’s firm. All strategic, tactical, staffing (including any proposed staffing changes) and significant resource allocation decisions about City legal matters must be made in collaboration with the Corporation Counsel.

B. Early Case Assessment/Cost Assessment.

Each complex matter is to be thoroughly evaluated at its outset. The same applies to actions in which the City is the plaintiff, except that the analysis will be performed before the case is filed. In any matter, Outside Counsel shall provide an early case assessment that includes analysis of (1) likely costs to the City from the process, (2) possible outcomes, indicating the likelihood of each, and (3) strategy and tactics for termination or resolution. The format of the early case assessment may vary from a formal written document to a verbal briefing or a combination of a written budget with a verbal briefing on other aspects of the case.

Please note that time spent preparing a budget is not billable, but counsel may bill for time spent preparing an early case assessment or a recommended discovery plan.

The City places significant reliance on cost estimates and Outside Counsel shall prepare them with care. Although the City understands that unanticipated events may have an impact on
costs, the City shall be consulted promptly if Outside Counsel believes that the most recent cost estimate provided is no longer accurate. Should total fees or costs exceed the agreed budget, or should fees or costs for a phase of the case exceed the agreed estimate for that phase, without adequate explanation in advance that the increased expense will be necessary, the City may require that an increased discount be applied to unanticipated fees or costs and reserves the right not to pay Outside Counsel for any amounts incurred or expended in excess of the approved budget or estimate.

For bond matters and other transactional engagements, counsel may be expected to provide a fee cap for the transaction, approved by the City, prior to commencing work. Only where a transaction materially changes in scope will the City consider revisions to an agreed fee cap. No payments above the agreed fee cap shall be made unless and until a revised fee cap has been approved in writing by the Director of the City or his/her designee.

C. Staffing.

Unless otherwise agreed, the senior attorney retained shall be directly and ultimately responsible for the entire assignment. The day-to-day involvement of that senior attorney, however, shall be appropriate to the magnitude of the matter and the efficiency required for a timely, cost effective, quality work product. When a senior attorney can handle an assignment most efficiently (based on skill and experience), that senior attorney shall complete the assignment.

The City shall be billed for only one attorney to attend events such as depositions, witness meetings, settlement conferences, negotiations and meetings with other parties' counsel. The City recognizes that in more complex matters and those with multiple work-streams, it may occasionally be appropriate for multiple attorneys to attend significant events and for members of the team to consult with each other. The City insists, however, that no more than the minimum number of attorneys necessary to an event attend, that billable internal conferences and charges for drafting and reading internal email correspondence occur only when absolutely required, and that the Corporation Counsel be regularly informed both of the number of attorneys who will attend significant events and the reason for the attendance of each billing timekeeper.

The City believes that it is most efficient for a single attorney or group of attorneys to handle a matter from beginning to end and Outside Counsel shall strive for such continuity. The City will not pay for learning time that may result from staffing changes at Outside Counsel’s firm. In addition, the City will not reimburse Outside Counsel for any routine training or supervisory time, including time spent at seminars, unless specifically approved in advance and included as part of the budget. The City will not ordinarily pay for summer associate time unless such time has been identified as part of the approved staffing plan for appropriate work. The City will not pay for time submitted by librarians; secretaries; billing, filing, docketing or document clerks; internal messengers/couriers; temporary or clerical support staff; word processors; and IT
professionals other than electronic discovery specialists serving a function similar to that of paralegals/case managers. The City also will not pay for time billed by attorneys or paralegals to perform tasks (filing, indexing, etc.) that could and should have been handled by support personnel.

D. Settlement.

Outside Counsel shall have no settlement authority unless and until such authority is explicitly conferred on them by the Corporation Counsel. If Outside Counsel believes that settlement should be pursued, Outside Counsel must seek instructions in this regard from the Corporation Counsel, and not pursue formal or informal settlement discussions without the Corporation Counsel’s approval. Outside Counsel shall immediately inform the Corporation Counsel of any settlement proposal or overture, formal or informal, by the opposing party or counsel. Please note that under no circumstances can the City agree to designate a settlement agreement as confidential. All City settlement records are, by definition, public documents.

E. Media Relations/Law Firm Advertising.

The City does not authorize outside counsel or vendors to comment publicly in any manner on any aspect of the City’s legal matters. All media inquiries relating to the City shall be referred promptly to the Corporation Counsel and discussed with the Corporation Counsel before responding to the media contact in any manner. This includes even “no comment” or other non-substantive responses. If time is of the essence and Outside Counsel cannot reach the Corporation Counsel, the Press Secretary in the Office of the Mayor shall be contacted.

The City does not permit Outside Counsel to advertise or promote their relationship with the City, other than by listing the City as a representative client.

F. Engagement of E-Discovery and Other Vendors, Including Experts.

Before engaging any vendor, including electronic discovery firms and experts, lobbyists or other consultants (in each case, a “vendor”), Outside Counsel must pre-clear that engagement with the Corporation Counsel, unless the Corporation Counsel has explicitly granted exceptions to this preclearance requirement. The City will not be responsible for vendor fees or costs unless that vendor’s engagement was pre-approved by the City. The City may require Outside Counsel to engage vendors with which the City has master contracts or preferred pricing arrangements, and always will insist on engagement of the lowest-cost vendor qualified to handle a task (understanding that complex tasks may require vendors with specialized expertise).

Outside Counsel will pay all third-party service providers directly and will bill the City for those services’ detailed disbursements included in monthly invoices. This City will not accept separate invoices from service providers directly to the City for payment.
Outside Counsel has the responsibility to ensure that there are no conflicts between any vendor and the City. In addition, all vendors must execute the confidentiality agreement attached as Appendix A. The fee and disbursement policies as outlined in this Agreement shall be made available to, and followed by vendors. It is Outside Counsel's responsibility to confirm that all third party billings comply with this Agreement.

Vendor payment arrangements shall be discussed in advance with the Corporation Counsel. In general, Outside Counsel shall contract with vendors themselves and pay the third party invoices directly, incorporating those invoices into their own bills to the City and including appropriate detail for reasonable review by City personnel. The City may request Outside Counsel to provide full copies of vendor invoices; Outside Counsel therefore shall retain those invoices in accordance with IRS guidelines. The Corporation Counsel may approve other payment arrangements, including (in rare cases) direct contracting with and payment by the City.

When engaging court reporting services, Outside Counsel shall request only one transcript (electronic or hard copy). The City will not reimburse charges for additional transcripts.

G. **Adherence to Ethical Standards.**

The City conducts itself in accordance with the highest ethical standards and expects the same of its Outside Counsel. No City employee ever has authority to instruct Outside Counsel to act in an unethical manner. If Outside Counsel believes that a City employee has engaged or will engage in illegal or unethical activity, Outside Counsel must immediately advise the Corporation Counsel. The City will terminate its relationship with any Outside Counsel who, in the City's sole discretion, fails to adhere to the foregoing ethical standards.

At all times, Outside Counsel will remain aware of and in compliance with each of the City's "Pay-to-Play" ordinances and any amendments thereto.

H. **Gratuities.**

City officers and employees are prohibited from accepting any gift, favor, service or other thing of value related in any way to the City officer’s or employee’s public duties. In addition, any vendor to the City is prohibited from offering a gift or other thing of value to a City officer or employee with which the vendor transacts business or offers to transact business. Any City officer or employee is prohibited from soliciting a gift or thing of value from a City vendor. This includes charitable donations made in the name of a City employee.

The City reserves the right to amend this Agreement from time to time, providing written notification to Outside Counsel within thirty (30) days of the effective date of any substantive changes. Failure to accept amendments may result in the termination of services from the City.
I. Malpractice Insurance.

Outside Counsel representing the City shall maintain malpractice insurance coverage that is reasonable and prudent in relation to the types and sizes of matters handled. Outside Counsel shall, upon request, promptly provide the Corporation Counsel with copies of any applicable policies required under this section, and/or a certificate of insurance. Each policy provided must be certified by the agent or underwriter to be a true copy. If Outside Counsel does not have coverage or if coverage is cancelled and not immediately replaced with comparable coverage, Outside Counsel must immediately report this to the Corporation Counsel.

J. File Retention.

For Litigated Matters: Outside Counsel shall retain pleadings, correspondence, discovery materials, deposition transcripts and similar documents and work product for a period of no less than seven (7) years from the date the matter is concluded or for the time period specified by rule or law in the jurisdiction in which the matter was pending, whichever is longer. Beyond this period, Outside Counsel shall notify the City in writing no less than sixty (60) days prior to destroying any file. Along with the written notification, Outside Counsel shall submit an inventory of any original City documents contained in the file to be destroyed and a representation that any electronic version of the file will also be destroyed or deleted.

For Bond and Other Transactions, and Advice Matters: Documents shall be retained in accordance with the same policies applicable to litigated matters unless applicable law mandates any longer retention schedule. However, bond counsel and transactional/advice counsel shall retain all transcripts of transactions and memoranda of advice indefinitely unless otherwise directed by the Corporation Counsel.

III. Billing

A. Rates.

Outside Counsel shall be compensated at the rate of $150.00 per hour, including expenses. The total amount of this agreement shall not exceed $20,000.00.

The City will pay for actual services rendered at rates established in Requests for Qualifications or otherwise agreed to in advance. At the time of Outside Counsel’s initial engagement, Outside Counsel shall furnish the Corporation Counsel with a schedule of billing rates for partners, associates and all other timekeepers expected to bill time against the matter for review and approval prior to billing time to the City. Because of City procurement rules, the rates applicable at the inception of each specific matter must remain in effect for the duration of that matter.
Hourly rates shall include all overhead costs (see Acceptable Fees/Charges, below), none of which shall be included in disbursements.

Time must be billed in 0.1 hour increments and on a per-task basis. The time entry description must be specific, detailing the action taken and the subject matter. Absent prior consent, the City will not pay for more than ten (10) hours of time by a single timekeeper in a single day, but the Corporation Counsel may increase that number of permissible hours in matters of special urgency or where cases are in or approaching trial.

Outside Counsel shall bear in mind that invoices may be disclosed pursuant to the City’s open records laws and that courts may not sustain assertions of privilege by the City. Although the City will endeavor to redact privileged information before releasing bills for public consumption, Outside Counsel shall, to the extent practicable and consistent with the need to fully inform the City of its activities and to allow the City to evaluate the reasonableness of billing narratives, avoid the inclusion of privileged matter in invoices.

B. Term.

The term of this agreement is twelve (12) months effective as of October 2, 2017.

C. Invoicing Policy.

All invoices must be submitted to the Corporation Counsel.

For litigation, advice, and non-bond transactional matters, Outside Counsel generally are expected to submit monthly invoices within thirty days of the conclusion of the billing period, absent the City’s prior consent to a longer delay. All charges must reflect the work performed within the billing period or a reasonable time before the billing period. Absent good cause, as defined by the City, the City will not pay for services or expenses incurred more than 90 days prior to the date the invoice is submitted. For bond matters, Outside Counsel are expected to submit their invoice within thirty days of the conclusion of the transaction.

Absent a specific agreement to an alternative fee arrangement, Outside Counsel fees shall be computed by applying the negotiated hourly rate to the time for the services expended. Hours shown must accurately reflect the time spent on the described activity and must either be the exact amount of time or the exact time rounded down to the nearest one-tenth of an hour. Block billing—grouping multiple activities under a single time charge—will not be accepted, and the City will not pay for any time recorded in a block fashion unless this requirement is waived by the Director of the City of Law or his or her designee.

Every bill from Outside Counsel is deemed to be a certification by the firm and billing partner that all legal services and disbursements reflected on the bill are reasonable for the legal matter
involved and necessary for the proper provision of legal services to the City. The City may deduct certain fees and charges that are inconsistent with this Agreement.

The City reserves the right to audit all fee and disbursement details that Outside Counsel submit, as well as the corresponding legal file. The City will promptly terminate the services of any Outside Counsel whose billing practices raise questions about the Outside Counsel’s integrity, honesty or compliance with the applicable rules of professional conduct or this Agreement.

D. **Invoice Format.**

Each invoice will include the following minimum requirements:

- Unique invoice number
- Invoice date
- Matter name
- Outside Counsel’s matter number
- Date(s) services were performed
- Timekeeper name or ID
- Timekeeper title or level
- A narrative description of the services provided or tasks performed for each specific task. The description shall clearly state the nature of the task performed sufficient to allow the City to determine why it was necessary. Incomplete or vague charge descriptions are unacceptable. Examples of incomplete or vague charges include, but are not limited to: ‘analysis’, ‘review file’, ‘conference’, ‘attention to matter’; ‘worked on discovery’, ‘work on file’, ‘prepare for meeting’, ‘misc.’, and ‘other’
- Time entry to the nearest tenth (.10) of an hour
- Timekeeper rate
- Charge total
- Detail of reimbursable expenses and disbursements at actual cost

The detailed billing report from Outside Counsel’s system will provide this information. If Outside Counsel provides services on more than one matter during a billing period, a separate invoice for each matter is required.

E. **Acceptable Fees/Charges.**

**Overhead charges may not be billed.** The City will not reimburse Outside Counsel for basic support services, which the City deems to be part of Outside Counsel’s overhead and built into its rates. The City will not pay for any of the following items under any circumstances:

- Billing inquiries
- Opening and closing files
• Internal filing
• Secretarial services (including overtime charges)
• Word processing or proofreading
• Maintenance of a calendar or tickler system
• Investigating potential conflicts
• Preparing budgets
• Library usage (including book purchases or subscriptions) or library staff time
• Office supplies
• Conference room charges

F. **Basic legal research may not be billed.**

Outside Counsel shall be familiar with the basic substantive law at issue in the matter for which the firm was retained, and the City shall not be charged for this type of research. If legal research benefits other clients, only the proportionate share of that cost shall be billed to the City. The City shall also benefit from previously prepared briefs and memoranda, and when such briefs or memoranda exist, will pay only for actual time spent updating or tailoring the same. All other anticipated legal research shall be addressed in Outside Counsel’s proposed budget. Legal research projects necessary in a particular litigation assignment must be approved in advance by the Corporation Counsel before the research is commenced.

The City will pay only for the actual time spent by Outside Counsel or other approved timekeeper conducting the research. As explained *infra*, fees charged by electronic or other research services, including library fees, Westlaw, Lexis and other online services are considered general overhead and are not reimbursable.

G. **Out-of-pocket costs must be itemized and passed through with no markup.**

The City will reimburse Outside Counsel for reasonable, documented and itemized out-of-pocket disbursements and costs incurred on behalf of the City, with the exceptions and limitations set forth in this Agreement. Outside Counsel’s invoices to the City shall reflect the actual cost and shall not include any markup. All disbursements must be fully itemized with a description sufficient for review, identifying the number of units, price per unit and total cost. The City may refuse to pay for disbursements billed as ‘miscellaneous,’ billed in a group (e.g., Travel Expenses - $4,000.00) or disbursements without descriptions.

H. **Prohibited disbursements.**

The City considers certain disbursements to be part of a law firm’s overhead and will not pay such charges. These items include:

• Rent (including temporary office space)
• Westlaw, Lexis and other legal database services
• Cost or usage of computers or mobile devices or internet service charges
• Equipment rental
• Storage charges
• Catering for internal meetings
• Meals (except during business travel, and then limited to $70 per day)
• Mileage for short trips (<30 miles one way)
• Travel costs exceeding discounted, non-refundable coach fares except where excess costs have been approved in advance
• Telephone charges
• Facsimile charges
• Allocated charges from a firm’s blanket service agreements with outside vendors

I. Copying/scanning.

Copying charges may be billed to the City at the lesser of the most favorable rate applied by Outside Counsel or five cents per page. The City will reimburse for document scanning at Outside Counsel firm’s regular rate, up to a maximum of five cents per page, for document productions, but the City will not pay time charges associated with scanning, and there shall be no charges associated with the scanning and filing of court papers and correspondence. Every effort shall be made to minimize scanning expenses by working with documents in electronic format whenever possible.

J. Couriers and Overnight Mail.

The City will reimburse for actual charges billed to Outside Counsel for deliveries (including overnight express) that are necessary in the interest of speed and reliability. Outside Counsel shall use the lowest cost service consistent with need and reliability, and to arrange schedules, whenever practicable, to avoid the need for premium-priced couriers. Outside Counsel shall use less expensive means, such as email (encrypted, when necessary) or regular mail where it is practical to do so.

K. Travel Expenses.

All air and rail travel must be first approved by the Corporation Counsel, ideally as part of the case budget. Outside Counsel shall use good judgment in selecting hotels and restaurants and incurring expenses for which the taxpayers are to be charged. Outside Counsel shall use alternatives to travel such as conference calls or videoconferences whenever practicable. If the travel involves another client, the City may be billed only for its proportionate share of both time and related expenses. Non-working travel time is not billable without the Corporation Counsel’s prior approval.
L. **Reimbursement of Meals for Overnight Travel.**

The City will reimburse for meals consumed while traveling overnight on City business, but limited (absent prior approval) to no more than seventy dollars ($70) per person, per day. Under no circumstances will the City reimburse costs for alcoholic beverages.

M. **Maintenance of Expense Records.**

To ensure compliance with the City’s reimbursement policies, Outside Counsel shall require itemization of out-of-pocket expenses such as airline tickets, meals and hotel bills before making reimbursement to any attorney, employee or third party, and maintain original receipts. Travel and meal expenses and receipts may be audited and shall be retained by Outside Counsel in accordance with applicable IRS guidelines. Unless requested to do so by the City, Outside Counsel shall not forward copies of travel and meal expense receipts to the City with the firm’s invoices.

N. **Personal Expenses Not Reimbursable.**

Please take care to distinguish between personal expenses and properly chargeable business expenses. The City will not reimburse for, among other things, recreation fees, salon or spa charges, pay-per-view movies or other personal entertainment charges, airline baggage charges, travel agency expenses, shoe shines, toiletries, dry cleaning or laundry (except in the unlikely event travel of more than seven days’ duration is required), or luggage.

O. **Vendor discounts must be passed through.**

If Outside Counsel receives a discount or rebate from a vendor based on the aggregate level of business with that vendor, such discount shall be disclosed and the City shall receive the benefit on a proportionate basis. This does not include frequent-flyer miles or similar perquisites allocated to individual travelers.

**IV. CONFIDENTIALITY**

In the course of representing the City, Outside Counsel will frequently gain access to nonpublic and confidential information. The City requires Outside Counsel to maintain the confidentiality of such information both during and after the course of Outside Counsel’s representation of the City. Outside Counsel must have in place appropriate procedures to ensure the protection of all such information. In the event the representation requires Outside Counsel to become privy to protected personally-identifiable information about any person, such as health or financial records, Social Security numbers or other such information, then this information must be handled with the utmost care both within facilities in Outside Counsel’s control, and certainly
when that information is being transported. Under no circumstances shall such confidential information be transported outside Counsel’s offices—either physically or over the public internet—unless the information is appropriately encrypted. In the event information is compromised or potentially compromised, Outside Counsel must notify the City immediately.

Outside Counsel must follow all statutory, regulatory, and ethical provisions relating to privacy, confidentiality and nondisclosure of all privileged, proprietary and confidential information. Outside Counsel must take appropriate measures to ensure that all legal and non-legal personnel are familiar with this requirement and are effectively supervised in this regard.

Vendors to whom Outside Counsel gives access to confidential or proprietary material of the City (including work product) must sign the confidentiality agreement attached as Appendix A. It is the responsibility of Outside Counsel to obtain a signed confidentiality agreement from each vendor and to retain those agreements.

This Confidentiality Section and the corresponding Confidentiality Agreement attached as Appendix A is above and beyond any relationships or privileges held or created separate and apart from this Agreement.

V. NEW JERSEY BUSINESS REGISTRATION REQUIREMENTS

Outside Counsel shall provide written notice to its subcontractors of the responsibility to submit proof of business registration to the contractor.

Before final payment on the contract is made by the contracting agency, the contractor shall submit an accurate list and the proof of business registration of each subcontractor or supplier used in the fulfillment of the contract, or shall attest that no subcontractors were used.

For the term of the contract, the contractor and each of its affiliates and a subcontractor and each of its affiliates [N.J.S.A. 52:32-44(g)(3)] shall collect and remit to the Director, New Jersey Division of Taxation, the use tax due pursuant to the Sales and Use Tax Act on all sales of tangible personal property delivered into this State, regardless of whether the tangible personal property is intended for a contract with a contracting agency.

A business organization that fails to provide a copy of a business registration as required pursuant to section 1 of P.L.2001, c.134 (C.52:32-44 et al.) or subsection e. or f. of section 92 of P.L.1977, c.110 (C.5:12-92), or that provides false business registration information under the requirements of either of those sections, shall be liable for a penalty of $25 for each day of violation, not to exceed $50,000 for each business registration copy not properly provided under a contract with a contracting agency.

VI. TERMINATION
The City reserves the right to terminate the within Agreement at any time for any reason whatsoever, in which event Outside Counsel shall be paid for services due up to the date of termination. Thereafter, this Agreement shall be considered null and void with no further rights or obligations emanating there from. Unless sooner terminated or renewed, this contract shall be for a term of one (1) year commencing on the date the contract is executed by City officials.

VII. GENERAL TERMS

A. Governing Law/Jurisdiction.

This Agreement will be interpreted in accordance with, and governed by, the laws of the State of New Jersey. The courts of the State of New Jersey will have exclusive jurisdiction and the parties irrevocably attorney to the jurisdiction of such courts.

B. Counterparts Clause.

This Agreement may be executed by e-mail in counterparts all of which will be deemed originals and legally binding once delivered to each of the other parties’ authorized e-mail addresses and such delivery is acknowledged by reply e-mail. Although not necessary to legally bind the parties, each party agrees to promptly circulate signed originals in sufficient number to the other parties for record-keeping purposes after completing the e-mail execution and delivery. All counterparts when executed and delivered (by e-mail or in paper form) will be construed together to be an original and will constitute one and the same agreement.

By accepting an engagement by the City, law firms will be deemed to have familiarized themselves with this agreement and to have agreed to adhere to it in all respects, now and as they may be amended from time to time upon written notice and acceptance. This acceptance is a matter both of contract and professional responsibility.

AMERICANS WITH DISABILITIES ACT OF 1990

Equal Opportunity for Individuals with Disability

The contractor and the Partnership of ________________________________(hereafter "owner") do hereby agree that the provisions of Title 1 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. §12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. The owner shall, as soon as practicable after notice has been given to the contractor, give written notice thereof to the contractor along with full and complete particulars of the claim. All claims or actions brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

Outside Counsel Agreement

This Agreement dated the ____ day of ________________, 2018 between the City of Jersey City, a municipal corporation, with offices at 280 Grove Street, Jersey City, New Jersey 07302 ("City") and, McAndrew Vuotto, LLC, 222 Ridgedale Avenue, 2nd Floor, Cedar Knolls, NJ 07927 ("Special Counsel"). The Corporation Counsel of the City of Jersey City has selected Special Counsel to serve as Outside Counsel to serve as Special Counsel to the City of Jersey City in bankruptcy matters.

In consideration of the mutual promises and covenants set forth herein, the parties agree as follows:

I. CONFLICTS OF INTEREST

A. Initial Conflicts Check.

Outside Counsel must be sensitive both to direct conflicts of interest that representation of the City and other clients poses, and to the less direct, but nevertheless serious, conflicts that may arise from the same firm’s advocacy, on behalf of other clients, of positions conflicting with important City interests. Prior to Outside Counsel’s engagement, Outside Counsel shall carefully review whether any conflicts of either type exist and, if so, bring those conflicts to the attention of the Corporation Counsel. The City shall be promptly informed of and consulted with respect to all potential conflicts. Although issue conflicts may not necessarily result in a disqualification of Outside Counsel, the City shall be consulted before Outside Counsel accepts an engagement that will require the firm to advocate a position that may be adverse to a City legal interest or otherwise prejudicial to the interests of the City. The City in its sole discretion shall, after consultation with Outside Counsel, determine whether an impermissible conflict exists, or whether other circumstances exist that would undermine the public’s confidence if representation by Outside Counsel continued.

Outside Counsel’s acceptance of an engagement on a matter without written disclosure of any conflicts constitutes Outside Counsel’s representation that it has conducted an appropriate conflict check and no conflict exists.

B. City Conflicts.

The City has a duty to protect the public interest. As part of this responsibility, the City sets policies to ensure that the legal system operates in a manner that safeguards the public’s
confidence in the integrity and impartiality of its administration. For this reason, in addition to insisting that its attorneys follow the Rules of Professional Conduct, the City prohibits Outside Counsel that represent the City, while such matter is pending, from:

(1) Representing private parties before the City or any of its boards, proceedings, commissions or autonomous agencies in adversarial, transactional or non-adversarial proceedings. Outside Counsel also may not, on behalf of a private client, lobby the City or any City department.

(2) Representing private parties in any matter in which the City also is a party, if the private party has interests adverse to the City.

(3) Representing a private client with interests adverse to the City.

(4) Representing another client if that representation would present a substantial risk that Outside Counsel’s responsibilities to the City would limit its ability to provide independent advice or diligent and competent representation either to the City or the other client.

(5) Representing another client where the Outside Counsel’s knowledge of the City’s legal positions or strategy, derived from its representation or prospective representation of the City, could be used to the advantage of the other client or the disadvantage of the City.

C. **Continuing Obligation.**

The obligation to disclose conflicts continues throughout the course of the representation. Outside Counsel must review conflicts of interest on an ongoing basis as new matters are opened. Any new attorney/client relationships that potentially create a conflict shall be reported to the Corporation Counsel immediately.

D. **Attorney-Client Privilege Group/No Representation of Other Persons/Entities Absent Approval.**

Outside attorneys engaged to represent the City (as opposed to a named person) shall consider themselves to have formed an attorney-client relationship only with the City, and not any of its individual employees. When speaking with current or former employees of the City, Outside Counsel shall, as appropriate, advise those employees that although their dialogue will be considered attorney-client communications to the fullest possible extent, counsel’s responsibility is to the City and they do not represent those employees in their individual capacities. As a matter proceeds, if employees of the City will be examined under oath or interviewed in other adverse contexts, and if Outside Counsel believe it advisable for them to represent the employees in their individual capacities at such events, Outside Counsel must obtain the Corporation Counsel’s advance consent before agreeing to represent such persons in their individual capacities. The Corporation Counsel, in consultation with other City personnel,
will determine if it is appropriate for the individual to receive representation and, if so, by whom.

Outside Counsel who are engaged to represent both an entity and employees of that entity simultaneously shall take all necessary steps to ensure the continuing absence of conflicts, and to preserve their ability to continue representing the entity in the event that conflicts develop between the entity and individual clients.

II. WORKING RELATIONSHIP

A. Identification of Objectives/Relationship Attorney.

The Corporation Counsel or his designee will be Outside Counsel’s principal and regular point of contact for financial and strategic decisions. Only the Corporation Counsel or his designee has authority to direct Outside Counsel in the handling of the matter. If a City employee other than the Corporation Counsel or his designee asks Outside Counsel to proceed in a certain fashion or to perform certain activities with respect to a specific legal matter, Outside Counsel shall report the request to the Corporation Counsel and obtain direction prior to proceeding.

Outside counsel shall designate an Attorney to be the Corporation Counsel’s principal contact. In all matters, the City remains ultimately responsible for making all substantive decisions and determining the costs and benefits of contemplated legal activity. In many matters, City attorneys will act as full co-counsel and be engaged with Outside Counsel in the day-to-day conduct of the case. In matters where Outside Counsel is handling that day-to-day conduct without City personnel as co-counsel, the City shall be consulted on a regular basis throughout the course of Outside Counsel’s engagement and to be kept fully informed of the current status and proposed course of the matters assigned to Outside Counsel’s firm. All strategic, tactical, staffing (including any proposed staffing changes) and significant resource allocation decisions about City legal matters must be made in collaboration with the Corporation Counsel.

B. Early Case Assessment/Cost Assessment.

Each complex matter is to be thoroughly evaluated at its outset. The same applies to actions in which the City is the plaintiff, except that the analysis will be performed before the case is filed. In any matter, Outside Counsel shall provide an early case assessment that includes analysis of (1) likely costs to the City from the process, (2) possible outcomes, indicating the likelihood of each, and (3) strategy and tactics for termination or resolution. The format of the early case assessment may vary from a formal written document to a verbal briefing or a combination of a written budget with a verbal briefing on other aspects of the case.

Please note that time spent preparing a budget is not billable, but counsel may bill for time spent preparing an early case assessment or a recommended discovery plan.
The City places significant reliance on cost estimates and Outside Counsel shall prepare them with care. Although the City understands that unanticipated events may have an impact on costs, the City shall be consulted promptly if Outside Counsel believes that the most recent cost estimate provided is no longer accurate. Should total fees or costs exceed the agreed budget, or should fees or costs for a phase of the case exceed the agreed estimate for that phase, without adequate explanation in advance that the increased expense will be necessary, the City may require that an increased discount be applied to unanticipated fees or costs and reserves the right not to pay Outside Counsel for any amounts incurred or expended in excess of the approved budget or estimate.

For bond matters and other transactional engagements, counsel may be expected to provide a fee cap for the transaction, approved by the City, prior to commencing work. Only where a transaction materially changes in scope will the City consider revisions to an agreed fee cap. No payments above the agreed fee cap shall be made unless and until a revised fee cap has been approved in writing by the Director of the City or his/her designee.

C. Staffing.

Unless otherwise agreed, the senior attorney retained shall be directly and ultimately responsible for the entire assignment. The day-to-day involvement of that senior attorney, however, shall be appropriate to the magnitude of the matter and the efficiency required for a timely, cost effective, quality work product. When a senior attorney can handle an assignment most efficiently (based on skill and experience), that senior attorney shall complete the assignment.

The City shall be billed for only one attorney to attend events such as depositions, witness meetings, settlement conferences, negotiations and meetings with other parties' counsel. The City recognizes that in more complex matters and those with multiple work-streams, it may occasionally be appropriate for multiple attorneys to attend significant events and for members of the team to consult with each other. The City insists, however, that no more than the minimum number of attorneys necessary to an event attend, that billable internal conferences and charges for drafting and reading internal email correspondence occur only when absolutely required, and that the Corporation Counsel be regularly informed both of the number of attorneys who will attend significant events and the reason for the attendance of each billing timekeeper.

The City believes that it is most efficient for a single attorney or group of attorneys to handle a matter from beginning to end and Outside Counsel shall strive for such continuity. The City will not pay for learning time that may result from staffing changes at Outside Counsel's firm. In addition, the City will not reimburse Outside Counsel for any routine training or supervisory time, including time spent at seminars, unless specifically approved in advance and included as part of the budget. The City will not ordinarily pay for summer associate time unless such time
has been identified as part of the approved staffing plan for appropriate work. The City will not pay for time submitted by librarians; secretaries; billing, filing, docketing or document clerks; internal messengers/couriers; temporary or clerical support staff; word processors; and IT professionals other than electronic discovery specialists serving a function similar to that of paralegals/case managers. The City also will not pay for time billed by attorneys or paralegals to perform tasks (filing, indexing, etc.) that could and should have been handled by support personnel.

D. Settlement.

Outside Counsel shall have no settlement authority unless and until such authority is explicitly conferred on them by the Corporation Counsel. If Outside Counsel believes that settlement should be pursued, Outside Counsel must seek instructions in this regard from the Corporation Counsel, and not pursue formal or informal settlement discussions without the Corporation Counsel’s approval. Outside Counsel shall immediately inform the Corporation Counsel of any settlement proposal or overture, formal or informal, by the opposing party or counsel. Please note that under no circumstances can the City agree to designate a settlement agreement as confidential. All City settlement records are, by definition, public documents.

E. Media Relations/Law Firm Advertising.

The City does not authorize outside counsel or vendors to comment publicly in any manner on any aspect of the City’s legal matters. All media inquiries relating to the City shall be referred promptly to the Corporation Counsel and discussed with the Corporation Counsel before responding to the media contact in any manner. This includes even “no comment” or other non-substantive responses. If time is of the essence and Outside Counsel cannot reach the Corporation Counsel, the Press Secretary in the Office of the Mayor shall be contacted.

The City does not permit Outside Counsel to advertise or promote their relationship with the City, other than by listing the City as a representative client.

F. Engagement of E-Discovery and Other Vendors, Including Experts.

Before engaging any vendor, including electronic discovery firms and experts, lobbyists or other consultants (in each case, a “vendor”), Outside Counsel must pre-clear that engagement with the Corporation Counsel, unless the Corporation Counsel has explicitly granted exceptions to this preclearance requirement. The City will not be responsible for vendor fees or costs unless that vendor’s engagement was pre-approved by the City. The City may require Outside Counsel to engage vendors with which the City has master contracts or preferred pricing arrangements, and always will insist on engagement of the lowest-cost vendor qualified to handle a task (understanding that complex tasks may require vendors with specialized expertise).
Outside Counsel will pay all third-party service providers directly and will bill the City for those services' detailed disbursements included in monthly invoices. This City will not accept separate invoices from service providers directly to the City for payment.

Outside Counsel has the responsibility to ensure that there are no conflicts between any vendor and the City. In addition, all vendors must execute the confidentiality agreement attached as Appendix A. The fee and disbursement policies as outlined in this Agreement shall be made available to, and followed by vendors. It is Outside Counsel's responsibility to confirm that all third party billings comply with this Agreement.

Vendor payment arrangements shall be discussed in advance with the Corporation Counsel. In general, Outside Counsel shall contract with vendors themselves and pay the third party invoices directly, incorporating those invoices into their own bills to the City and including appropriate detail for reasonable review by City personnel. The City may request Outside Counsel to provide full copies of vendor invoices; Outside Counsel therefore shall retain those invoices in accordance with IRS guidelines. The Corporation Counsel may approve other payment arrangements, including (in rare cases) direct contracting with and payment by the City.

When engaging court reporting services, Outside Counsel shall request only one transcript (electronic or hard copy). The City will not reimburse charges for additional transcripts.

G. Adherence to Ethical Standards.

The City conducts itself in accordance with the highest ethical standards and expects the same of its Outside Counsel. No City employee ever has authority to instruct Outside Counsel to act in an unethical manner. If Outside Counsel believes that a City employee has engaged or will engage in illegal or unethical activity, Outside Counsel must immediately advise the Corporation Counsel. The City will terminate its relationship with any Outside Counsel who, in the City’s sole discretion, fails to adhere to the foregoing ethical standards.

At all times, Outside Counsel will remain aware of and in compliance with each of the City’s “Pay-to-Play” ordinances and any amendments thereto.

H. Gratuities.

City officers and employees are prohibited from accepting any gift, favor, service or other thing of value related in any way to the City officer’s or employee’s public duties. In addition, any vendor to the City is prohibited from offering a gift or other thing of value to a City officer or employee with which the vendor transacts business or offers to transact business. Any City officer or employee is prohibited from soliciting a gift or thing of value from a City vendor. This includes charitable donations made in the name of a City employee.
I. Malpractice Insurance.

Outside Counsel representing the City shall maintain malpractice insurance coverage that is reasonable and prudent in relation to the types and sizes of matters handled. Outside Counsel shall, upon request, promptly provide the Corporation Counsel with copies of any applicable policies required under this section, and/or a certificate of insurance. Each policy provided must be certified by the agent or underwriter to be a true copy. If Outside Counsel does not have coverage or if coverage is cancelled and not immediately replaced with comparable coverage, Outside Counsel must immediately report this to the Corporation Counsel.

J. File Retention.

For Litigated Matters: Outside Counsel shall retain pleadings, correspondence, discovery materials, deposition transcripts and similar documents and work product for a period of no less than seven (7) years from the date the matter is concluded or for the time period specified by rule or law in the jurisdiction in which the matter was pending, whichever is longer. Beyond this period, Outside Counsel shall notify the City in writing no less than sixty (60) days prior to destroying any file. Along with the written notification, Outside Counsel shall submit an inventory of any original City documents contained in the file to be destroyed and a representation that any electronic version of the file will also be destroyed or deleted.

For Bond and Other Transactions, and Advice Matters: Documents shall be retained in accordance with the same policies applicable to litigated matters unless applicable law mandates any longer retention schedule. However, bond counsel and transactional/advice counsel shall retain all transcripts of transactions and memoranda of advice indefinitely unless otherwise directed by the Corporation Counsel.

III. Billing

A. Rates.

Outside Counsel shall be compensated at the rate of $150.00 per hour, including expenses. The total amount of this agreement shall not exceed $20,000.00.

The City will pay for actual services rendered at rates established in Requests for Qualifications or otherwise agreed to in advance. At the time of Outside Counsel’s initial engagement, Outside Counsel shall furnish the Corporation Counsel with a schedule of billing rates for partners, associates and all other timekeepers expected to bill time against the matter for review and approval prior to billing time to the City. Because of City procurement rules, the rates applicable at the inception of each specific matter must remain in effect for the duration of that matter.
applicable at the inception of each specific matter must remain in effect for the duration of that
matter.

Hourly rates shall include all overhead costs (see Acceptable Fees/Charges, below), none of
which shall be included in disbursements.

Time must be billed in 0.1 hour increments and on a per-task basis. The time entry description
must be specific, detailing the action taken and the subject matter. Absent prior consent, the
City will not pay for more than ten (10) hours of time by a single timekeeper in a single day, but
the Corporation Counsel may increase that number of permissible hours in matters of special
urgency or where cases are in or approaching trial.

Outside Counsel shall bear in mind that invoices may be disclosed pursuant to the City’s open
records laws and that courts may not sustain assertions of privilege by the City. Although the
City will endeavor to redact privileged information before releasing bills for public
consumption, Outside Counsel shall, to the extent practicable and consistent with the need to
fully inform the City of its activities and to allow the City to evaluate the reasonableness of
billing narratives, avoid the inclusion of privileged matter in invoices.

B. Term.

The term of this agreement is twelve (12) months effective as of February 24, 2019.

C. Invoicing Policy.

All invoices must be submitted to the Corporation Counsel.

For litigation, advice, and non-bond transactional matters, Outside Counsel generally are
expected to submit monthly invoices within thirty days of the conclusion of the billing period,
absent the City’s prior consent to a longer delay. All charges must reflect the work performed
within the billing period or a reasonable time before the billing period. Absent good cause, as
defined by the City, the City will not pay for services or expenses incurred more than 90 days
prior to the date the invoice is submitted. For bond matters, Outside Counsel are expected to
submit their invoice within thirty days of the conclusion of the transaction.

Absent a specific agreement to an alternative fee arrangement, Outside Counsel fees shall be
computed by applying the negotiated hourly rate to the time for the services expended. Hours
shown must accurately reflect the time spent on the described activity and must either be the
exact amount of time or the exact time rounded down to the nearest one-tenth of an hour. Block
billing—grouping multiple activities under a single time charge—will not be accepted, and the
City will not pay for any time recorded in a block fashion unless this requirement is waived by
the Director of the City of Law or his or her designee.
Every bill from Outside Counsel is deemed to be a certification by the firm and billing partner that all legal services and disbursements reflected on the bill are reasonable for the legal matter involved and necessary for the proper provision of legal services to the City. The City may deduct certain fees and charges that are inconsistent with this Agreement.

The City reserves the right to audit all fee and disbursement details that Outside Counsel submit, as well as the corresponding legal file. The City will promptly terminate the services of any Outside Counsel whose billing practices raise questions about the Outside Counsel’s integrity, honesty or compliance with the applicable rules of professional conduct or this Agreement.

D. **Invoice Format.**

Each invoice will include the following minimum requirements:

- Unique invoice number
- Invoice date
- Matter name
- Outside Counsel’s matter number
- Date(s) services were performed
- Timekeeper name or ID
- Timekeeper title or level
- A narrative description of the services provided or tasks performed for each specific task. The description shall clearly state the nature of the task performed sufficient to allow the City to determine why it was necessary. Incomplete or vague charge descriptions are unacceptable. Examples of incomplete or vague charges include, but are not limited to: ‘analysis’, ‘review file’, ‘conference’, ‘attention to matter’, ‘worked on discovery’, ‘work on file’, ‘prepare for meeting’, ‘misc.’, and ‘other’
- Time entry to the nearest tenth (.10) of an hour
- Timekeeper rate
- Charge total
- Detail of reimbursable expenses and disbursements at actual cost

The detailed billing report from Outside Counsel’s system will provide this information. If Outside Counsel provides services on more than one matter during a billing period, a separate invoice for each matter is required.

E. **Acceptable Fees/Charges.**

**Overhead charges may not be billed.** The City will not reimburse Outside Counsel for basic support services, which the City deems to be part of Outside Counsel’s overhead and built into its rates. The City will not pay for any of the following items under any circumstances:
• Billing inquiries
• Opening and closing files
• Internal filing
• Secretarial services (including overtime charges)
• Word processing or proofreading
• Maintenance of a calendar or tickler system
• Investigating potential conflicts
• Preparing budgets
• Library usage (including book purchases or subscriptions) or library staff time
• Office supplies
• Conference room charges

F. **Basic legal research may not be billed.**

Outside Counsel shall be familiar with the basic substantive law at issue in the matter for which the firm was retained, and the City shall not be charged for this type of research. If legal research benefits other clients, only the proportionate share of that cost shall be billed to the City. The City shall also benefit from previously prepared briefs and memoranda, and when such briefs or memoranda exist, will pay only for actual time spent updating or tailoring the same. All other anticipated legal research shall be addressed in Outside Counsel’s proposed budget. Legal research projects necessary in a particular litigation assignment must be approved in advance by the Corporation Counsel before the research is commenced.

The City will pay only for the actual time spent by Outside Counsel or other approved timekeeper conducting the research. As explained *infra*, fees charged by electronic or other research services, including library fees, Westlaw, Lexis and other online services are considered general overhead and are not reimbursable.

G. **Out-of-pocket costs must be itemized and passed through with no markup.**

The City will reimburse Outside Counsel for reasonable, documented and itemized out-of-pocket disbursements and costs incurred on behalf of the City, with the exceptions and limitations set forth in this Agreement. Outside Counsel’s invoices to the City shall reflect the actual cost and shall not include any markup. All disbursements must be fully itemized with a description sufficient for review, identifying the number of units, price per unit and total cost. The City may refuse to pay for disbursements billed as ‘miscellaneous,’ billed in a group (e.g., Travel Expenses - $4,000.00) or disbursements without descriptions.

H. **Prohibited disbursements.**

The City considers certain disbursements to be part of a law firm’s overhead and will not pay such charges. These items include:
• Rent (including temporary office space)
• Westlaw, Lexis and other legal database services
• Cost or usage of computers or mobile devices or internet service charges
• Equipment rental
• Storage charges
• Catering for internal meetings
• Meals (except during business travel, and then limited to $70 per day)
• Mileage for short trips (<30 miles one way)
• Travel costs exceeding discounted, non-refundable coach fares except where excess costs have been approved in advance
• Telephone charges
• Facsimile charges
• Allocated charges from a firm’s blanket service agreements with outside vendors

I. **Copying/scanning.**

Copying charges may be billed to the City at the lesser of the most favorable rate applied by Outside Counsel or five cents per page. The City will reimburse for document scanning at Outside Counsel firm’s regular rate, up to a maximum of five cents per page, for document productions, but the City will not pay time charges associated with scanning, and there shall be no charges associated with the scanning and filing of court papers and correspondence. Every effort shall be made to minimize scanning expenses by working with documents in electronic format whenever possible.

J. **Couriers and Overnight Mail.**

The City will reimburse for actual charges billed to Outside Counsel for deliveries (including overnight express) that are necessary in the interest of speed and reliability. Outside Counsel shall use the lowest cost service consistent with need and reliability, and to arrange schedules, whenever practicable, to avoid the need for premium-priced couriers. Outside Counsel shall use less expensive means, such as email (encrypted, when necessary) or regular mail where it is practical to do so.

K. **Travel Expenses.**

All air and rail travel must be first approved by the Corporation Counsel, ideally as part of the case budget. Outside Counsel shall use good judgment in selecting hotels and restaurants and incurring expenses for which the taxpayers are to be charged. Outside Counsel shall use alternatives to travel such as conference calls or videoconferences whenever practicable. If the travel involves another client, the City may be billed only for its proportionate share of both time and related expenses. **Non-working travel time is not billable without the Corporation Counsel’s prior approval.**
L. **Reimbursement of Meals for Overnight Travel.**

The City will reimburse for meals consumed while traveling overnight on City business, but limited (absent prior approval) to no more than seventy dollars ($70) per person, per day. Under no circumstances will the City reimburse costs for alcoholic beverages.

M. **Maintenance of Expense Records.**

To ensure compliance with the City’s reimbursement policies, Outside Counsel shall require itemization of out-of-pocket expenses such as airline tickets, meals and hotel bills before making reimbursement to any attorney, employee or third party, and maintain original receipts. Travel and meal expenses and receipts may be audited and shall be retained by Outside Counsel in accordance with applicable IRS guidelines. Unless requested to do so by the City, Outside Counsel shall not forward copies of travel and meal expense receipts to the City with the firm’s invoices.

N. **Personal Expenses Not Reimbursable.**

Please take care to distinguish between personal expenses and properly chargeable business expenses. The City will not reimburse for, among other things, recreation fees, salon or spa charges, pay-per-view movies or other personal entertainment charges, airline baggage charges, travel agency expenses, shoe shines, toiletries, dry cleaning or laundry (except in the unlikely event travel of more than seven days’ duration is required), or luggage.

O. **Vendor discounts must be passed through.**

If Outside Counsel receives a discount or rebate from a vendor based on the aggregate level of business with that vendor, such discount shall be disclosed and the City shall receive the benefit on a proportionate basis. This does not include frequent-flyer miles or similar perquisites allocated to individual travelers.

IV. **CONFIDENTIALITY**

In the course of representing the City, Outside Counsel will frequently gain access to nonpublic and confidential information. The City requires Outside Counsel to maintain the confidentiality of such information both during and after the course of Outside Counsel’s representation of the City. Outside Counsel must have in place appropriate procedures to ensure the protection of all such information. In the event the representation requires Outside Counsel to become privy to protected personally-identifiable information about any person, such as health or financial records, Social Security numbers or other such information, then this information must be handled with the utmost care both within facilities in Outside Counsel’s control, and certainly when that information is being transported. Under no circumstances shall such confidential information be transported outside Counsel’s offices—either physically or over the public
internet—unless the information is appropriately encrypted. In the event information is compromised or potentially compromised, Outside Counsel must notify the City immediately.

Outside Counsel must follow all statutory, regulatory, and ethical provisions relating to privacy, confidentiality and nondisclosure of all privileged, proprietary and confidential information. Outside Counsel must take appropriate measures to ensure that all legal and non-legal personnel are familiar with this requirement and are effectively supervised in this regard.

Vendors to whom Outside Counsel gives access to confidential or proprietary material of the City (including work product) must sign the confidentiality agreement attached as Appendix A. It is the responsibility of Outside Counsel to obtain a signed confidentiality agreement from each vendor and to retain those agreements.

This Confidentiality Section and the corresponding Confidentiality Agreement attached as Appendix A, is above and beyond any relationships or privileges held or created separate and apart from this Agreement.

V. NEW JERSEY BUSINESS REGISTRATION REQUIREMENTS

Outside Counsel shall provide written notice to its subcontractors of the responsibility to submit proof of business registration to the contractor.

Before final payment on the contract is made by the contracting agency, the contractor shall submit an accurate list and the proof of business registration of each subcontractor or supplier used in the fulfillment of the contract, or shall attest that no subcontractors were used.

For the term of the contract, the contractor and each of its affiliates and a subcontractor and each of its affiliates [N.J.S.A. 52:32-44(g)(3)] shall collect and remit to the Director, New Jersey Division of Taxation, the use tax due pursuant to the Sales and Use Tax Act on all sales of tangible personal property delivered into this State, regardless of whether the tangible personal property is intended for a contract with a contracting agency.

A business organization that fails to provide a copy of a business registration as required pursuant to section 1 of P.L.2001, c.134 (C.52:32-44 et al.) or subsection e. or f. of section 92 of P.L.1977, c.110 (C.5:12-92), or that provides false business registration information under the requirements of either of those sections, shall be liable for a penalty of $25 for each day of violation, not to exceed $50,000 for each business registration copy not properly provided under a contract with a contracting agency.

VI. TERMINATION

The City reserves the right to terminate the within Agreement at any time for any reason whatsoever, in which event Outside Counsel shall be paid for services due up to the date of termination. Thereafter, this Agreement shall be considered null and void with no further
rights or obligations emanating therefrom. Unless sooner terminated or renewed, this contract shall be for a term of one (1) year commencing on the date the contract is executed by City officials.

VII. GENERAL TERMS

A. Governing Law/Jurisdiction.

This Agreement will be interpreted in accordance with, and governed by, the laws of the State of New Jersey. The courts of the State of New Jersey will have exclusive jurisdiction and the parties irrevocably consent to the jurisdiction of such courts.

B. Counterparts Clause.

This Agreement may be executed by e-mail in counterparts all of which will be deemed originals and legally binding once delivered to each of the other parties' authorized e-mail addresses and such delivery is acknowledged by reply e-mail. Although not necessary to legally bind the parties, each party agrees to promptly circulate signed originals in sufficient number to the other parties for record-keeping purposes after completing the e-mail execution and delivery. All counterparts when executed and delivered (by e-mail or in paper form) will be construed together to be an original and will constitute one and the same agreement.

By accepting an engagement by the City, law firms will be deemed to have familiarized themselves with this agreement and to have agreed to adhere to it in all respects, now and as they may be amended from time to time upon written notice and acceptance. This acceptance is a matter both of contract and professional responsibility.

APPENDIX A
AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity for Individuals with Disability

The contractor and the _______________ of __________________ (hereafter "owner") do hereby agree that the provisions of Title II of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. §12132 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to the Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suit, claim, loss, damages, or charges, of whatever kind or nature, arising out of or claimed to arise out of the alleged violation. The contractor shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor’s obligations assumed in the Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

- Four (4) Nissan Leaf are being leased for the City's fleet.
- It will cost $489.08 monthly per vehicle, $5,858.96 yearly per vehicle.
- Will be replacing at least six light duty vehicles used by various departments including the BA's office, the Mayor's Office, and Law Department, etc.
- Vehicles will be shared among departments using a car sharing software that allowed users to book vehicles for blocks of times using an online portal. This car-sharing software will ensure the city fleet operates more efficiently by allowing more users to utilize less vehicles. This is especially important for electric vehicles because they are most cost-effective when used frequently due to their extremely low operational and maintenance costs compared to conventional vehicles.
- Will be charged using the electric vehicle charging stations being installed this spring at City Hall, the Annex, and DPW. The contract for the charging stations was approved by the Municipal Council in a 2018 resolution.
- The lease of the vehicles, along with the installation of EV chargers and the use of car sharing software are integral part of the City's efforts to reduce its greenhouse gas emissions and meet the City's previous resolutions to purchase green vehicles and reduce emissions in keeping with the Paris climate agreement.
- The vehicles are being leased rather than purchased to take advantage of EV tax credits and to accelerate the Automotive division to this technology.

The contractor and the ___________________ (hereafter "owner") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. §12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by such entities, and the rules and regulations promulgated pursuant thereunto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violates or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature, arising out of or claimed to arise out of the alleged violation. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

Licensee is permitted to enter the premises for the purposes described in this Agreement and subject to the terms and conditions of this Agreement which are set forth below.

1. The term of this License is for a period of eight (8) months and twenty-four (24) days effective on April 1, 2019 after this Agreement is executed by City officials.

2. The Licensee shall be permitted to use the premises for the following activities:
   a. Help rebuild and revitalize the business district in the Bergen Section of Ward F. and to revitalize a clean, safe, and viable business district in which local residents can use and enjoy.
   b. Such other activities as support Licensee’s not-for-profit purpose of improving the economic, physical, social, and civic value of the commercial district it serves.

Use of the premises for activities other than those listed above are permitted only upon the review and written approval of City Officials.

3. The permission hereby granted for use of the premises may be revoked at any time by the City with or without cause, by the City’s Manager of Real Estate giving five (5) days written notice to the Licensee. Revocation shall not relieve the Licensee of any liabilities or obligations which stem from its use of the premises which occurred on or prior to the date of revocation.

4. Any damage to property owned by or under the jurisdiction of the City resulting from or in any way arising out of the use of the premises by the Licensee will be repaired by the Licensee at its own cost and expense. If the Licensee fails to make such repairs within a reasonable time after being requested to do so, the City shall have the right to
make such repairs and the Licensee agrees to reimburse the City for all costs and expenses thereof.

5. The Licensee agrees to assume any and all risk of loss or damage of any kind whatsoever to property or injury to or death including wrongful death of persons arising out of the Licensee’s use of the premises permitted herein. The Licensee further agrees to indemnify and hold harmless the City, its officers, directors, employees or agents from and against any and all claims, suits and demands based upon any of the risks so assumed, whether just or unjust, fraudulent or not, and for all costs and expenses incurred by them in the defense, settlement or satisfaction of any such claims, including attorney's fees and costs of suit. If so directed, the Licensee shall, at no cost or expense to the City, defend against such claims, in which event the Licensee shall not, without obtaining express permission in advance from the Corporation Counsel of the City, raise any defense involving in any way the immunity of the City, or the provisions of any statutes respecting suits against the City. The Licensee’s liability under this License Agreement shall continue after the termination of it with respect to any liability, loss, expense or damage resulting from acts occurring prior to termination.

6. Nothing herein contained shall be understood or construed to create or grant any third party benefits, rights or property interest unless the person claiming such rights is identified herein and the rights claimed are expressly set forth herein.

7. The permission to use the premises is not intended to grant permission to use unoccupied property not under the jurisdiction of the City, nor is it intended to relieve the Licensee from its responsibility to procure and maintain in effect all other requisite permissions and approvals.

8. The entire agreement between the City and Licensee is contained herein and no modifications hereof shall be effective unless in writing, signed by the party to be charged herewith.

9. City officials, officers, directors, employees or agents shall not be charged personally with any liability under any term or provision of this agreement or because of its execution or attempted execution or because of any breach or alleged breach thereof.

10. The Licensee's use of the premises shall keep all improved and open public streets free and clear of obstructions and shall not interfere with their use.

11. The City shall not be responsible for any loss or theft sustained by the Licensee during its use of the premises.

12. The Licensee shall provide insurance coverage to the City indemnifying the City from any liability in connection with the Licensee’s use of the premises. Licensee will supply the City with a copy of its insurance liability policy. The amount of the insurance shall be determined by the City’s Risk Manager. The City shall be named as an insured party. In the event that the same is not removed, the same shall be deemed abandoned and the Licensor shall have the right to dispose of the same and charge the Licensee for any cost of disposing thereof.

15. Hello Kim:
Can you please help me with a correction of one of the resolutions for the Council Caucus meeting tonight? It would need to be hand-delivered to the Clerk’s office today.

Correction was to change the address of the property from “351 Martin Luther King Jr. Drive” to instead read “347-349 and 351-355 Martin Luther King Drive.”

I’ve already done all the necessary changes in the attached documents. (These are also saved on the drive G:\01 Active\Jeremy Jacobsen\MLK Container Village... License Agreement w Jackson Hill SID for 351 MLK v2... Resolution - Jackson Hill SID 351 MLK License Agreement Revised v3).

We just need to get originals and a Council corrections sheet down to the City Clerk’s office ASAP.

Sorry for the last minute request, and thanks for the help!

Hi Renee,
I've just been told that the Jackson Hill / Martin Luther King Jr. resolution does not need to be pulled now (and no need to substitute an ordinance). That one can stay on the agenda.

The only one that still needs to be pulled is the first one (regarding the Jersey City Municipal Utilities Authority & Passaic Valley Sewerage Commission demo project).

Sorry for the confusion and thanks for your help.

Subject: Please Pull 2 Resolutions.

Hello Renee,
I tried to call a few minutes ago regarding pulling a resolution (as we'd discussed earlier this morning) but you were away from your desk. Your colleague suggested that I e-mail you.

In fact, we now actually need to pull two resolutions from tonight's caucus. Their titles are below:
RESOLUTION AUTHORIZING AN AGREEMENT WITH BETWEEN THE CITY OF JERSEY CITY, THE JERSEY CITY MUNICIPAL UTILITIES AUTHORITY AND THE PASSAIC VALLEY SEWERAGE COMMISSION CONCERNING THE DEVELOPMENT OF A GREEN INFRASTRUCTURE DEMONSTRATION PROJECT.

RESOLUTION AUTHORIZING A LICENSE AGREEMENT WITH JACKSON HILL MAIN STREET MANAGEMENT A NJ NONPROFIT CORPORATION GRANTING IT PERMISSION TO ENTER ONTO THE CITY-OWNED PROPERTY KNOWN AS 351 MARTIN LUTHER KING JR. DRIVE, ALSO KNOWN AS BLOCK 22502 LOTS 36 AND 37

Please withdraw the above prior to tonight’s caucus. They will need to be pushed to later meetings.

Note: Eric Fleming from the Innovation Office may be stopping by shortly to discuss substitution of an ordinance for the second of these (regarding MLK drive), if that is feasible.

Signature of Department Director    Date
MEMORANDUM

TO: City Council

FROM: John McKinney

DATE: March 7, 2019

SUBJECT: Procurement of a concession to construct and maintain indoor vertical gardens at various City-owned properties

The City of Jersey City (City) is seeking to promote healthy eating, increase knowledge of steps to limit and prevent nutrition related illnesses and diseases, and to lower barriers to access healthy, locally grown vegetables. To meet these, the City is seeking a vendor that will construct and maintain Indoor Vertical Gardens ("Gardens") at a variety of sites across the City that are owned by the City and other public entities. The Gardens shall be in publicly accessible areas, shall produce vegetables for food consumption, and shall provide an education and awareness component.

N.J.S.A. 40A:11-4.1(j) authorizes the use of competitive contracting to award concession contracts. N.J.S.A. 40A:11-2(37) defines a concession as, "the granting of a license or right to act for or on behalf of the contracting unit, or to provide a service requiring the approval or endorsement of the contracting unit, and which may or may not involve a payment or exchange, or provision of services by or to the contracting unit." Since the Gardens will be built and maintained on public property, the City intends to award the contract for the provision of such services as a concession. N.J.A.C. 5:34-9.4(b)(5) specifically identifies this type of contract as a concession. In particular, it states that "concessions are specifically deemed to include [...] the donation, sale, installation, or maintenance of equipment or facilities for use of the contracting unit."

The Competitive Contracting Law requires that the City publicly solicit proposals. Pursuant to N.J.A.C. 5:34-9.4(d)(2), prior to commencing procurement of any concession, the Municipal Council must pass a resolution authorizing the procurement of a concession. In
addition, pursuant to N.J.A.C. 5:34-9.4(d)(1), the Municipal Council must also obtain from legal counsel an opinion regarding the legality of procuring the concession.

Based upon a review of the statute and regulations governing concession contracts, it is the Law Department’s opinion that a contract with a contractor to install and maintain Gardens on public property that will produce locally grown vegetables for consumption by the public satisfies the definition of a concession. In particular, the City will be paying the contractor for the construction and maintenance of Gardens on City owned properties to produce consumable goods for the public. The installation and maintenance of such Gardens on City owned properties for such services requires the approval or endorsement of the City and involves a fee paid by the City for the provision of services by and to the City. Therefore, such a contract appears to fall within the definition of a concession as defined in N.J.S.A. 40A:11-2(37).
