Ordinance Purpose

Designating the intersection of Oakland Avenue and Jefferson Avenue as an all-way stop control will improve traffic safety and operational characteristics at the intersection based on a detailed review of traffic conditions and guidance outlined within the Manual on Uniform Traffic Control Devices published by the Federal Highway Administration.

Data collected as part of the analysis included a multi-year crash history assessment, which indicated there are a number of right angle crashes at this intersection.

I certify that all the facts presented herein are accurate.

SUBJECT: PROPOSED ORDINANCE – MULTI-WAY STOP INTERSECTION

Please be advised, this Division has proposed legislation (for the Council’s consideration) amending Chapter 332(Vehicles and Traffic) Section 332-9(Stop Intersections) of the Jersey City Traffic Code designating Oakland Avenue and Jefferson Avenue as an all way stop intersection.

Designating these intersections as all-way stop control will improve traffic safety and operational characteristics at each intersection based on a detailed review of traffic conditions and guidance outlined within the Manual on Uniform Traffic Control Devices published by the Federal Highway Administration. Data collected as part of the analysis included a multi-year crash history assessment, which indicated there are a number of right angle crashes at this intersection.

Councilman Boggiano has been advised by Email of the proposed traffic regulation. (copy attached) The recommended amendments should appear on the Agenda for the March 13, 2019 Municipal Council Meeting.

Please feel free to contact Andrew Vischio, P.E., at 201.547.4419 or AVischio@jcni.org if you have any questions regarding the legislation.

Ordinance Purpose

Please be advised that on January 15, 2019, at the Regular Meeting of the Planning Board of the City of Jersey City the Board reviewed and commented on the proposed ordinance listed above. The purpose of the amendments to the Redevelopment Plan is to expand the list of permitted principal uses in the Garfield Avenue Redevelopment Plan. In the Adaptive Reuse District of the plan these amendments list and define paint spray booth as a permitted principal use and further specifies that automobile spray booths be not permitted under this section. In the Residential district these amendments adds auto sales and repair uses, which is already a pre-existing use in that district. These amendments with permit the growth of employment opportunities in this area.

At their meeting, the Planning Board discussed, were provided the opportunity to ask questions and reviewed the amendment and its conformance to the Master Plan. Many members of the public came out in support. After public comments, the Board voted unanimously to recommend to the Council that this ordinance amending the Garfield Avenue Redevelopment Plan be adopted.

Community meetings with the GRACO neighborhood association were conducted prior to the planning board meeting.

No other changes. A NW Financial report was deemed unnecessary.

I certify that all the facts presented herein are accurate.
