negligent or willful acts or omissions of MSUR.
A.13. Upon the expiration of the East Property Plaza Maintenance Bond, when the East Property Plaza Improvements or any part thereof is in need of repair or replacement, then the CITY shall make such replacement or repairs, at the CITY'S sole cost and expense, with the same color, type, and quality of improvements and materials initially installed by MSUR and specified in the Final Site Plan Approval.

A.14. Upon the CITY'S acceptance of the Deed of Easement, MSUR shall indemnify, defend and hold harmless the CITY, its employees, officers and agents from and against all claims, damages, losses, suits, actions, judgments, costs and expenses of whatsoever kind or nature, including personal injury and property damage, arising out of or in connection with MSUR's failure to perform the Regular Maintenance Requirements on the East Property Plaza Improvements other than liability arising out of the sole negligence or intentional or wanton or willful acts or omissions of the CITY.

A.15. Upon the CITY'S acceptance of the Deed of Easement, the CITY shall indemnify, defend and hold harmless MSUR, its employees, officers and agents from and against all claims, damages, losses, suits, actions, judgments, costs and expenses of whatsoever kind or nature, including personal injury and property damage, arising out of or in connection with the public's use of the East Property Plaza Improvements or the CITY'S negligent, grossly negligent, or willful actions or omissions in connection with the CITY'S obligation to make the repairs or replacements to the East Property Plaza Improvements.

A.16. Upon the CITY'S acceptance of the Deed of Easement, the CITY and any subcontractors retained by it shall obtain, at their sole cost and expense, standard, basic, comprehensive commercial general liability insurance, workers' compensation insurance, and employer's liability insurance to protect against any loss in connection with the CITY's operation of the East Property Plaza Improvements and its obligation to make repairs or replacements to the
East Property Plaza Improvements. The CITY shall maintain a general liability policy with coverage of a minimum of Two Million ($2,000,000.00) Dollars, which shall name the MSUR and any officer, employee, agent or contractor of the City as additional insureds. Said policy may not be reduced or terminated without providing thirty (30) days’ written notice to the MSUR. A certificate of insurance providing evidence of coverage in compliance with this section shall be provided by the CITY at the time of MSUR’s delivery of a Deed of Easement to the City, and renewal certificates of insurance shall be provided annually.

A.17. Upon the City’s acceptance of a Deed of Easement, MSUR and any subcontractors retained by it shall maintain at their sole cost and expense, standard, basic, comprehensive commercial general liability insurance, workers’ compensation insurance, and employer’s liability insurance to protect against any loss in connection with MSUR’s obligation to perform Regular Maintenance Requirements. MSUR shall maintain a general liability policy with coverage of a minimum of Two Million ($2,000,000.00) Dollars, which shall name the City and any officer, employee, agent or contractor of the City as additional insureds. Said policy may not be reduced or terminated without providing thirty (30) days written notice to the City. A certificate of insurance providing evidence of coverage in compliance with this section shall be provided by MSUR at the time of its delivery of a Deed of Easement to the CITY, and renewal certificates of insurance shall be provided annually.

A.18. In the event the CITY determines that MSUR has failed to timely perform any of the Regular Maintenance Requirements to the East Property Plaza Improvements, the CITY shall give MSUR thirty (30) days’ written notice to cure such failure. If after thirty (30) days, MSUR has not cured such failure, the CITY shall have the right to perform such regular maintenance to the East Property Plaza Improvements at the sole cost and expense of MSUR. MSUR shall reimburse the CITY for those costs and expenses required to perform the regular maintenance not
performed by MSUR in a timely manner. In the event MSUR fails to comply with its obligations under this Agreement (whether intentional or not), the City shall have the right to request that the Jersey City Zoning Officer issue a zoning violation including a fine, summons or citation to MSUR. The amount of any fine shall not exceed the reasonable cost to cure MSUR’s failure to perform its obligations under this Agreement. Any fine shall be waived by the Jersey City Zoning Officer, if MSUR promptly complies with its obligations under this Agreement. In the event that MSUR receives three (3) or more summons or citations from the Jersey City Zoning Officer in any consecutive twelve (12) month period, then the City shall be entitled to demand that MSUR provide a $50,000.00 maintenance bond to secure its obligations under this Agreement (the “Bond”). Following the MSUR’s delivery of the Bond to the City, in the event MSUR fails to comply with its obligations under this Agreement (whether intentional or not), the City shall have the right to request that the Jersey City Zoning Officer issue a zoning violation as described above, or after giving MSUR fourteen (14) days written notice to cure such non-compliance, use the Bond to remedy MSUR’s non-compliance with this Agreement. In the event the City draws down on the Bond, it shall provide written notice to MSUR and MSUR shall be required to replenish the Bond to the full amount. The foregoing remedies shall be in addition to any other remedies available to the City and the Jersey City Zoning Officer, at law or in equity. However, under no circumstances shall the City or Jersey City Zoning Officer be entitled to revoke or order the revocation of the Site Plan Approval or the Certificate of Occupancy for the building and other private improvements constructed on Block 11505, Lot 1. The City shall be permitted, in its sole and absolute discretion, and without the consent of the MSUR to delegate its enforcement authority under this paragraph to the Planning Board.

A.19. In the event that the CITY fails to timely make and repairs or replacements to the East Property Plaza Improvements, MSUR shall give the CITY thirty (30) days’ written notice to
cure such failure. If after thirty (30) days, the CITY has not remedied such failure, MSUR shall have the right to perform such replacement or repair to the East Property Plaza Improvements at the sole cost and expense of the CITY. The CITY shall reimburse MSUR for those costs and expenses required to make repairs and replacements not performed by the CITY in a timely manner. Notwithstanding anything herein to the contrary, MSUR shall have the right to make emergency repairs or replacements to the East Property Plaza Improvements without notice to the CITY in the event MSUR determines, in good faith, that the failure to make such repair or replacement will jeopardize the safety of the occupants of the plaza or the owners, residents, tenants, guest or invitees of the building and other private improvements constructed on Block 11505, Lot 1. The CITY shall reimburse MSUR for those costs and expenses required to make emergency repairs and replacements to the East Property Plaza Improvements.

A.20. Upon the City’s acceptance of the Deed of Easement, the obligations of the parties as recited in paragraphs A.1 through A.19 hereof shall be superseded by the Deed of Easement.

A.21. The CITY agrees to record the Deed of Easement in the Hudson County Register’s Office within ten (10) business days of the CITY’S acceptance thereof. This obligation shall survive the delivery and acceptance of the Deed of Easement.

B. Completion of Provost Street Improvements and Provost Square Plaza:

B.1. The City’s acceptance of the Provost Street Improvements for incorporation into the East Property Plaza Improvements to establish Provost Square Plaza shall be conditioned upon the following:

(i) The completion by BAY of the Provost Street Improvements in accordance with the requirements of the West Property Final Site Plan Approval;
(ii) An inspection by the Jersey City Engineering Division, which shall not be unreasonably delayed or withheld followed by the issuance of a written memorandum confirming that the Provost Street Improvements been completed in accordance with the requirements of the Franchise Ordinance (the “Provost Engineering Memo”);

(iii) The delivery of a two (2) year maintenance bond in an amount determined by the Jersey City Engineering Division which will not exceed 15% of the replacement cost of the Provost Street Improvements (the “Provost Street Improvements Maintenance Bond”) in the form attached hereto as Exhibit E. During the two (2) year period following the City’s issuance of the Provost Engineering Memo, BAY shall promptly correct any deficiencies in workmanship and design which threaten the structural integrity of the Provost Street Improvements or create a risk to public safety, upon receiving written notice from the Municipal Engineer. At the end of the two (2) year period, the City shall be deemed to have finally accepted the Provost Street Improvements and shall be responsible for the repair and replacement of the Provost Street Improvements; and

(iv) The CITY’S adoption of an ordinance within the time frame set forth in paragraph B.2 below that satisfies the requirements of N.J.S.A. 40:56-69 and is consistent with the terms, conditions and covenants set forth in this Agreement.

B.2. Upon the CITY’s acceptance of the Provost Street Improvements, the CITY shall within forty-five (45) days take any and all municipal action required under N.J.S.A. 40:56-69 to close Provost Street to vehicular traffic and open the Provost Street Improvements for use as a pedestrian public plaza in conjunction with the East Property Plaza Improvements.

B.3. Upon the opening of the Provost Street Improvements, the City shall operate the Provost Street Improvements together with the East Property Plaza Improvements in conformance with the operational standards of the CITY for parks and recreation areas as codified in Chapter 239-1, et seq. of the Jersey City Code.
B.4. Upon the opening of the Provost Street Improvements, BAY shall have a perpetual easement to maintain it as required by Schedule 2 attached hereto and made a part hereof (hereinafter the "Provost Regular Maintenance Requirements").

B.5. Upon the opening of the Provost Street Improvements, BAY shall maintain it as required by the Provost Regular Maintenance Requirements at the sole cost and expense of Bay.

B.6. Upon the opening of the Provost Street Improvements, BAY shall have the right to close all or portions of the Provost Street Improvements from time to time for a reasonable period of time during regular business hours to maintain it as required by the Provost Regular Maintenance Requirements. Such closure may be for such duration as reasonably necessary to adequately perform the required repair(s) or replacements. Except in the case of an emergency, BAY shall give the City Clerk and Municipal Engineer at least three (3) business days written notice in accordance with Section C.6 hereof of BAY's intent to close Provost Street to perform maintenance and repairs, or make replacements thereto. Such written notice shall include a brief description of the work to be performed and the anticipated duration of the closure. In the event that BAY closes Provost Street for an unreasonable period of time in order to perform maintenance and repairs, it shall constitute a breach of BAY's obligations hereunder and the City and the Planning Board shall have the rights and remedies against BAY granted to them under Section B.13 of this Agreement.

B.7. BAY shall provide water to the Provost Street Improvements to maintain it as required by the Provost Regular Maintenance Requirements at the sole cost and expense of BAY.

B.8. Upon the opening of the Provost Street Improvements, the CITY will pay full cost and expense of electricity required for all the public use of the Provost Street Improvements including but not limited to all lighting installed in accordance with the Preliminary Site Plan.
Approval amended by a final site plan approval granted to the West Property by the Jersey City Planning Board.

B.9. Upon the opening of the Provost Street Improvements, the CITY shall provide fire protection and police protection at its sole cost and expense and shall enforce all municipal ordinances applicable to parks and recreation areas on the Provost Street Improvements including Chapter 239 -1 et seq. of the Jersey City Municipal Code for the benefit of the public.

B.10. Upon the opening of the Provost Street Improvements, BAY shall have an easement to use and enjoy the Provost Street Improvements in the same manner as the general public.

B.11. Following the expiration of the Provost Street Improvements Maintenance Bond, the CITY shall be responsible for the repair and replacement of the Provost Street Improvements at the CITY’S sole cost and expense unless such repair or replacement is made necessary because of the negligent, grossly negligent or willful acts or omissions of BAY or its successor and assigns.

B.12. Following the expiration of the Provost Street Improvements Maintenance Bond, when it becomes necessary for the CITY to replace or repair the Provost Street Improvements the CITY shall remove, repair, and/or resurface the cobblestone, as needed, to promote safety for the typical pedestrian at the CITY’S sole cost and expense.

B.13. In the event the CITY determines that BAY has failed to timely perform any of the Provost Maintenance Requirements to the Provost Street Improvements, the CITY shall give BAY thirty (30) days written notice to cure such failure. If after thirty (30) days, BAY has not cured such failure, the CITY shall have the right to perform such regular maintenance to the Provost Street Improvements at the sole cost and expense of BAY. BAY shall reimburse the CITY for those costs and expenses required to perform such regular maintenance not performed by BAY in
a timely manner. In the event BAY fails to comply with its obligations under this Agreement (whether intentional or not), the City shall have the right to request that the Jersey City Zoning Officer issue a zoning violation including a fine, summons or citation to BAY. The amount of any fine shall not exceed the reasonable cost to cure BAY’s failure to perform its obligations under this Agreement. Any fine shall be waived by the Jersey City Zoning Officer, if BAY promptly complies with its obligations under this Agreement. In the event that BAY receives three (3) or more summons or citations from the Jersey City Zoning Officer in any consecutive twelve (12) month period, then the City shall be entitled to demand that BAY provide a $50,000.00 maintenance bond to secure its obligations under this Agreement (the “Bond”). Following the BAY’s delivery of the Bond to the City, in the event BAY fails to comply with its obligations under this Agreement (whether intentional or not), the City shall have the right to request that the Jersey City Zoning Officer issue a zoning violation as described above, or after giving BAY fourteen (14) days’ written notice to cure such non-compliance, use the Bond to remedy BAY’s non-compliance with this Agreement. In the event the City draws down on the Bond, it shall provide written notice to BAY and BAY shall be required to replenish the Bond to the full amount. The foregoing remedies shall be in addition to any other remedies available to the City and the Jersey City Zoning Officer, at law or in equity. However, under no circumstances shall the City or Jersey City Zoning Officer be entitled to revoke or order the revocation of the Site Plan Approval or the Certificate of Occupancy for any buildings or other private improvements constructed on the West Property. The City shall be permitted, in its sole and absolute discretion, and without the consent of the Bay to delegate its enforcement authority under this paragraph to the Planning Board.

B.14. In the event that the CITY fails to timely make and repairs or replacements to the Provost Street Improvements, BAY shall give the CITY thirty (30) days’ written notice to cure
such failure. If after thirty (30) days, the CITY has not cured such failure, BAY shall have the right to perform such replacement or repair to the Provost Street Improvements at the sole cost and expense of the CITY. The CITY shall reimburse BAY for those costs and expenses required to make repairs and replacements not performed by the CITY in a timely manner. Notwithstanding anything herein to the contrary, BAY shall have the right to make emergency repairs or replacements to the Provost Street Improvements without notice to the CITY in the event BAY determines, in good faith, that the failure to make such repair or replacement will jeopardize the safety of the occupants of the plaza or the owners, residents, tenants, guest or invitees of the building and other private improvements constructed on West Property provided that BAY shall not be permitted to remove, destroy, or pave over the cobblestone and railroad tracks located in Provost Street. The CITY shall reimburse BAY for those costs and expenses required to make emergency repairs and replacements to the Provost Street Improvements.

B.15. BAY shall indemnify, defend and hold harmless the CITY, its employees, officers and agents from and against all claims, damages, losses, suits, actions, judgments, costs and expenses of whatsoever kind or nature, including personal injury and property damage, arising out of or in connection with BAY’s failure to perform the Provost Regular Maintenance Requirements for the Provost Street Improvements other than any liability arising out of the negligent, grossly negligent or willful acts of the CITY.

B.16. The CITY shall indemnify, defend and hold harmless BAY, their employees, officers and agents from and against all claims, damages, losses, suits, actions, judgments, costs and expenses of whatsoever kind or nature, including personal injury and property damage, arising out of or in connection with the public’s use of the Provost Street Improvements or the CITY’S negligent, grossly negligent or willful failure to make repairs or replacements to the Provost Street Improvements.
B.17. b) Grantor shall provide water to the East Property to maintain the East Property Plaza Improvements as required by the Regular Maintenance Requirements, at the sole cost and expense of Grantor; however, Grantor shall not be required to provide water for the public’s use of the East Property Plaza Improvements.

c) Grantor shall indemnify, defend and hold harmless the Grantee, its employees, officers and agents from and against all claims, damages, losses, suits, actions, judgments, costs and expenses of whatsoever kind or nature, including personal injury and property damage, arising out of or in connection with Grantor’s failure to perform the Regular Maintenance Requirements in the East Property Plaza Improvements other than liability arising out of the sole negligence or intentional or wanton or willful acts or omissions of the Grantee.

d) Grantor and any subcontractors retained by it shall maintain at their sole cost and expense, standard, basic, comprehensive commercial general liability insurance, workers’ compensation insurance, and employer’s liability insurance to protect against any loss in connection with Grantor’s obligation to perform Regular Maintenance Requirements. Grantor shall maintain a general liability policy with coverage of a minimum of Two Million ($2,000,000.00) Dollars, which shall name the Grantee and any officer, employee, agent or contractor of the Grantee as additional insureds. Said policy may not be reduced or terminated without providing thirty (30) days written notice to the Grantee. A certificate of insurance providing evidence of coverage in compliance with this section shall be provided by Grantor at the time of its delivery of this Deed of Easement, and renewal certificates of insurance shall be provided annually.
e) In the event the Grantee determines that Grantor has failed to timely perform any of the Regular Maintenance Requirements the Grantee shall give Grantor thirty (30) days written notice to cure such failure. If after thirty (30) days, Grantor has not cured such failure, the Grantee shall have the right to perform such required maintenance and Grantor agrees to pay the Grantee its costs and expenses to perform these services. In the event Grantor fails to comply with its obligations under this Agreement (whether intentional or not), the Grantee shall have the right to request that the Jersey City Zoning Officer issue a zoning violation including a fine, summons or citation to Grantor. Following the Grantor’s delivery of the Bond to the Grantee, in the event Grantor fails to comply with its obligations under this Agreement (whether intentional or not), the Grantee shall have the right to request that the Jersey City Zoning Officer issue a zoning violation as described above, or after giving Grantor fourteen (14) days written notice to cure such non-compliance, use the Bond to remedy Grantor’s non-compliance with this Agreement. In the event the Grantee draws down on the Bond, it shall provide written notice to Grantor and Grantor shall be required to replenish the Bond to the full amount. The foregoing remedies shall be in addition to any other remedies available to the Grantee and the Jersey City Zoning Officer, at law or in equity. However, under no circumstances shall the Grantee or Jersey City Zoning Officer be entitled to revoke or order the revocation of the Site Plan Approval or the Certificate of Occupancy for the building and other private improvements constructed on Block 11505, Lot 1. The Grantee shall be permitted, in its sole and absolute discretion, and without the consent of the Grantor to delegate its enforcement authority under this paragraph to the Jersey City Planning Board.

c) Grantor shall have an easement in perpetuity to use and enjoy the East Property and East Property Plaza Improvements in the same manner as the general public.

d) Grantor shall have the right to close all or portions of the East Property and East Property Plaza Improvements from time to time for a reasonable period of time during regular business hours to maintain the East Property Plaza Improvements as required by the Regular Maintenance Requirements. Except in the case of an emergency, Grantor shall give the City Clerk and Municipal Engineer at least three (3) business days written notice in accordance with Section 5 hereof) of Grantor's intent to close the East Property to perform maintenance thereto. Such written notice shall include a brief description of the work to be performed and the anticipated duration of the closure. In the event that Grantor closes the East Property for an unreasonable period of time in order to perform maintenance, it shall constitute a breach of Grantor's obligations hereunder and the City and the Planning Board shall have the rights and remedies against Grantor granted to them under Section 2.e of this Deed.

e) Following the expiration of the East Property Plaza Improvement Bond, the Grantee shall be responsible for the repair and replacement of all improvements in the East Property Plaza Improvements at the Grantee's sole cost and expense unless such repair or replacement is made necessary because of the negligent or willful acts or omissions of Grantor.

f) Following the expiration of the East Property Plaza Improvement Bond, when the East Property Plaza Improvements, or any portion thereof, is in need of repair or replacement the Grantee shall make such replacement or repairs, at the Grantee's sole cost and expense, with the same color, type, and quality of improvements and materials initially installed therein by Grantor and specified in Exhibit B attached hereto and made a part hereof.

g) Grantee shall indemnify, defend and hold harmless Grantor, its employees, officers and agents from and against all claims, damages, losses, suits,
actions, judgments, costs and expenses of whatsoever kind or nature, including personal injury and property damage, arising out of or in connection with the public’s use of the East Property or East Property Plaza Improvements or the Grantee’s negligent, grossly negligent, or willful actions or omissions in connection with the public’s use of the East Property or East Property Plaza Improvements and Grantee’s obligation to make repairs or replacements to the East Property Plaza Improvements.

h) Grantee and any subcontractors retained by it shall obtain at their sole cost and expense, standard, basic, comprehensive general liability insurance, workers’ compensation insurance, and employer’s liability insurance to protect against any loss in connection with public’s use of the ease Property Plaza and Grantee’s obligation to make repairs and replacements to the East Property Plaza Improvements. A certificate of insurance providing evidence of coverage in compliance with this section shall be provided by Grantee at the time the Grantee executes this Deed of Easement.

i) Notwithstanding anything herein to the contrary, should the Grantee cease using the East Property and East Property Plaza Improvements as a public pedestrian plaza consistent with the intent and purpose set forth in the Powerhouse Arts District Redevelopment Plan the easement granted to the Grantee herein shall immediately terminate and the sole control and use of the East Property and the East Property Plaza Improvements shall revert to the Grantor, forever.

e) Following the expiration of the East Property Plaza Improvement Bond, the Grantee shall be responsible for the repair and replacement of all improvements in the East Property Plaza Improvements at the Grantee’s sole cost and expense unless such repair or replacement is made necessary because of the negligent or willful acts or omissions of Grantor.

A breaching party shall pay the reasonable attorneys' fees, expert fees, and court costs (including appeals or any judgment or order) incurred by another party in successfully enforcing its rights under this Deed of Easement. CITY ORDINANCE 19-038

TITLE:
ORDINANCE REPEALING ORDINANCES 15-052 AND 15-053 IMPOSING RESTRICTIONS ON FORMULA BUSINESSES WITHIN CERTAIN REDEVELOPMENT AREAS

COUNCIL

offered and moved adoption of the following Ordinance:

WHEREAS, In 2015, the Jersey City Municipal Council enacted ordinances 15-052 and 15-053 restricting “formula businesses” in 41 redevelopment areas of the City, including the 8 Erie Street Redevelopment Area; and

WHEREAS, the 2015 ordinances limit “formula businesses” to “30% of ground floor leasable commercial area” within the affected redevelopment areas; and

WHEREAS, the ordinances define “formula business” as one which is contractually obligated to maintain certain “standardized characteristics” such as “merchandise, menu items, design, signage and trademarks and where 10 or more establishments are in operation with 300 miles of municipal boundaries; and

WHEREAS, the commercial activities restricted within the category of formula businesses are limited to restaurants, retail sales of goods and services, bars and financial service facilities and banks; and

WHEREAS, all fall under the category of “interstate commerce” as that term is used in the Commerce Clause of the 14th Amendment to the Constitution; and

WHEREAS, having received a complaint from an affected owner, the Corporation Counsel has reviewed the ordinances and the factual record on which they are based and has concluded that it is very likely that a federal court will find the ordinances violate the Commerce Clause on the ground that the restrictions they place on out-of-state businesses (“interstate commerce”) are not supported by a factual demonstration sufficient to justify such differential restrictions on formula businesses.

NOW, THEREFORE, BE IT ORDAINED by the Municipal council of the City of Jersey City that Ordinances 15-052 and 15-053 are hereby repealed.

Ordinance Purpose

Designating 60-degree, head-in, angle parking on the north side of Winfield Avenue from Garfield Avenue to Princeton Avenue will increase parking availability on this section of Winfield Avenue from 25 parking spaces to 33 parking spaces. This would be an increase of approximately 8 parking spaces as compared to the existing condition.

Establishing angle parking on the north side of the street results in more spaces because of the relatively long stretches of uninterrupted curb line near the easterly and westerly ends of the block.

Our existing conditions parking capacity calculation contemplates the 25' state statute parking restriction. In reality, people may be parking closer to the crosswalk than is technically allowed, so the parking increase may not be that noticeable, perhaps closer to 4 parking spaces.

I certify that all the facts presented herein are accurate.

Ordinance Purpose

The purpose of this Ordinance is to designate the following intersection as a stop intersection: Clerk Street and Forrest Street.

This intersection currently does not have any traffic control. Clerk Street is one-way in the southbound direction and Forrest Street intersects Clerk Street to make a T-intersection. Therefore, vehicles traveling eastbound on Forrest St must come to a stop and then proceed to safely facilitate a right-turn movement approaching Clerk Street.

Designating this intersection as an all-way stop control intersection will improve traffic safety and operational characteristics at the intersection based on detailed review of traffic conditions and guidance outlined within the Manual on Uniform Traffic Control Devices published by the Federal Highway Administration.

I certify that all the facts presented herein are accurate.

Ordinance Purpose

Please be advised that on March 26, 2019, at the Regular Meeting of the Planning Board of the City of Jersey City the Board reviewed and commented on the proposed ordinance listed above. The purpose of the amendments to the Ordinance is to amend standards and requirements for Block 15801, Lots 49 & 50. These parcels are in the TOD-North Zone. No additional building height or building bulk is requested. There is, however, additional density requested as part of this amendment. These amendments cap the number of residential units at 169 dwelling units. Additionally, 6.5% of all units are to be restricted as affordable pursuant to a Redeveloper's Agreement. That percentage was adjusted up from 5% by a floor amendment from the Planning Board.

At their meeting, the Planning Board discussed, were provided the opportunity to ask questions and reviewed the amendment and its conformance to the Master Plan. Many members of the public came out in support. After public comments, the Board voted unanimously to recommend to the Council that this ordinance amending the Morris Canal Redevelopment Plan be adopted.

Public outreach was conducted in lead up to these amendments being scheduled before the Planning Board.

NW Financial memo is included for the consideration of the Council dated 1/29/2019

Petitioner of the Amendment prepared memo and tables (2 pages) regarding unit sizes dated 4/11/2019

I certify that all the facts presented herein are accurate.

Re: 262 Johnston Avenue
Morris Canal Redevelopment Plan Amendment Application

To all members of City Council of the City of Jersey City,

On behalf of 262 Johnston LLC, we would again like to apologize for the break in process of the ordinance hearing for our application to adopt amendments to Block 15801 of the Transit Oriented Development North Zone in the Morris Canal Redevelopment Plan. We greatly appreciate Council's willingness to carry forward with the first reading of our application despite the confusion.

As requested, please accept this letter and subsequent pages as responses and clarifications to Council's questions that arose at the Caucus on April 8th, 2019, and subsequently at the Council meeting on April 10th, 2019.

It is not our intention, nor is it in our design, to make the future development at 262 Johnston a micro unit project. In fact, none of our units are designed as micro units. Our studio units – in which we have 12 of them – are all 460 square feet, a typical size for studios in Jersey City. Our one-bedrooms range in size from 660-940 square feet and our two-bedrooms range in size from 985-1200 square feet. Such a composition has our average unit size at 829 square feet.

Our development is also proposing a 6.5% affordable unit provision. In regards to our affordable unit location distribution and our affordable unit composition, we will adhere to the requirements of the Jersey City Redevelopment Agency and the Morris Canal Redevelopment Plan.

Please refer to the following spreadsheet which provides more detail to the explanations above. If you have any questions, please contact Robert Giannone at (201) 656-6160. We welcome the ability to speak with you to ensure our vision for this project is effectively articulated to the members of City Council.

Sincerely,

Robert Giannone

MEMORANDUM

To: Matt Ward, Principal Planner, City of Jersey City Division of City Planning

From: Michael Hanley, Principal, NW Financial Group, LLC,
Timothy Eismeier, Managing Director, NW Financial Group, LLC

Date: January 29, 2019

RE: 262 Johnston Avenue – Proposed Plan Amendment

Summary

- The proposed amendment (the “Amendment”) to the Morris Canal Redevelopment Plan (the “Redevelopment Plan”) will increase the maximum density for the proposed project at 262 Johnston Avenue (the “Project”) from 112 units to 169 units.
- The Amendment provides that 11 of the 169 units will be designated as affordable units at or below 80% of Area Median Income (“AMI”).
- The incremental value to the developer of the 57 additional units would be approximately $2,973,958.
- The value of the rent loss from the affordable units would be approximately $2,914,321.
- The net incremental value to the developer after taking into account the affordable units would be approximately $59,637.

Background

The City requested that NW Financial Group, LLC (“NW Financial”), as the City’s financial consultant, review the proposed Amendment to provide the City with a valuation of the Project. NW Financial’s approach to this analysis and the resulting valuation are summarized herein. With respect to this valuation, NW Financial utilized the following information from both the City and the developer:

- Estimated project costs
- Projected rents
- Projected unit mix
- A copy of the proposed Amendment
Density Bonus Valuation (Market Capitalization)

The value of the additional 57 units can be calculated by projecting the Net Operating Income ("NOI") that the additional units will generate, dividing the NOI by an assumed capitalization ratio and subtracting the estimated project costs allocable to such units. With respect to estimating NOI, NW Financial’s analysis used projections provided by the developer with respect to revenues but used lower operating expenses based on comparable projects reviewed by NW Financial. Exhibit 1 below provides an estimate of NOI of the Project at 100% market rate units:

**Exhibit 1**

<p>| | |</p>
<table>

</tr>
<tr>
<td>Operating Expenses</td>
<td>$473,172</td>
</tr>
<tr>
<td><strong>Net Operating Income</strong></td>
<td>$1,104,068</td>
</tr>
</tbody>
</table>

As Exhibit 1 indicates, the projected NOI of the additional 57 units at 100% market rate rents would be approximately $1,104,068. To calculate a market value of the units, this NOI is divided by an assumed capitalization rate (in this case 5.50%, based on current market conditions plus a certain amount of cushion that considers the development risk associated with the Project). Exhibit 2 on the following page provides a summary of the market value of the Project based on the above NOI and assumed capitalization rate.

The net value of the Project is calculated by subtracting the estimated project costs to build the Project from the projected market value. In this case, the Developer provided a per unit project cost of $345,754. This project cost per unit, however, resulted in a negative incremental value after considering the rent
loss from the affordable units. As a result, NW Financial’s analysis incorporated a lower per unit project cost of $300,000. Exhibit 3 below provides a calculation of net value after project costs of the Project:

As provided in Exhibit 3, the net value of the additional units under this methodology would be approximately $2,973,958.

Value of Rent Loss from On-Site Affordable

As per the proposed Amendment, the Developer has proposed to include 11 affordable units in the Project. The value of this loss in rent (difference between market rate and affordable rents) can be calculated by dividing the annual rent loss ($160,288) by an assumed capitalization rate of 5.5%. The resulting market value of the rent loss from the on-site affordable units would be $2,914,321.

Conclusion

Exhibit 4 below provides a comparison of value to developer of proposed additional units to the concessions required by the existing Redevelopment Plan and the proposed Amendment.

</table>

As Exhibit 4 indicates the net value under the existing Redevelopment Plan and the proposed plan Amendment is approximately $59,637. Given the scope of the project, this net incremental value is a reasonable return for the developer.
It is important to remember that different sites and different redevelopment areas will produce significantly different results. Revenue, site conditions, efficiency of site, parking requirements and type of construction all have significant impact on value of land. In addition, larger scale projects will be unlikely to accept below market rates of return as might be seen on smaller projects with less-experienced developers.
