

ZONING: DRIVEWAY MARKINGS

Division of Zoning | 1 Jackson Square, 2nd Floor, Jersey City NJ 07305 | (201) 547 4832 | zoning@jcnj.org

DRIVEWAY MARKINGS

The Parking Enforcement Division paints all driveway markings. However, the Division of Zoning inspects curb cuts and driveways to ensure that they are legal and in conformance. In most Zoning Districts, a [maximum of 10-foot wide](#) curb cut and driveway is permitted. There are, however, instances where due to pre-existing conditions wider markings may be permitted.

Please note that the Parking Enforcement typically paints driveway markings between the months of April and October.
