

COLES STREET IMPROVEMENTS

Coles Street from 14th Street to 18th Street

Construction Completion: July 2022

SAFETY ELEMENTS

Urban Architecture LLC will be repaving Coles Street between 14th Street and 18th Street and installing a two-way protected bikeway. The intersection of 18th Street and Coles Street/Hoboken Avenue will be redesigned to enhance pedestrian and cyclist safety. Multi-way STOP signs and Rectangular Rapid Flashing Beacons (RRFBs) have been installed to improve safety.

Project Leads: Paul Russo, PE
Director of Engineering
Email Address: prusso@jcnj.org

CONSTRUCTION PLAN

Construction of the improvements will begin on or about June 21, 2022. Detours of traffic may be instituted during milling and paving and striping. On-street parking will be prohibited during milling, paving, and striping. Any vehicles parked on-street during construction will be towed at the owner's expense.

The project is anticipated to be completed July 2022.
