Dear City Council:

I am interested in the interim Ward Three Council position for the Casper City Council. I currently serve as a commissioner on the City Planning and Zoning Commission and very much enjoy serving my community.

I was born and raised here in Casper, however, I left for a few years and lived in four other States as well as another Country. I feel this gives me a down home understanding of Casper and Wyoming but also a broader understanding of other communities and how different cultures deal with different situations. I always did my best to serve the communities in which I lived in whatever way I could as I was raised to be a good world citizen.

I feel that I would be an asset to the Council with my business knowledge as well as my broader understanding of other communities and my desire to serve my community.

I look forward to visiting with you regarding this opportunity.

Sincerely,

Michael H McIntosh
