

# Extra Collection Guidelines

Every Casper garbage customer receives two extra collections a month from March through January. One of the extra collections in April and one in October is solely for branches; both November collections will be solely for bagged leaves; and both extra collections from May through September, December through January, and the month of March are solely for trash. There is no extra collection in February. For more information on your extra collection schedule visit [www.casperwy.gov](http://www.casperwy.gov), call (307)235-8246, or find your extra collection schedule following the instructions on the reverse side of this document.

## What are my Extra Collection days?

Go to the city of Casper website at [www.casperwy.gov](http://www.casperwy.gov) and on the home page, select "Residents" then select "Environment and Waste." In the list of options, select "Trash and Recycling." Follow the instructions to find your extra collections days. Click on the "GeoSMART" link. Type your address in the search field and click the "Search" button. Your address will be displayed below the search button. Click on the map anywhere near your place on the map and it will change showing your regular trash day and your "special" collection days.
