Dear Mayor Hartwick;

On April 14th 2022, North Little Rock Code Enforcement Officer Timothy McEuen began an investigation into 1109 Curtis Sykes Drive due to observed conditions of the property. Officer McEuen verified the property was vacant so he performed an exterior inspection of the property. Officer McEuen observed major damage to the roofing, siding, soffit, and fascia. With the observed damage, this property is considered to be unfit for human habitation.

On April 22nd, 2022, Officer McEuen posted a *Notice of City Council* hearing on the property, and mailed them out to all known owners and heirs.

On May 12th, 2022, Officer McEuen met with a family member, and performed an interior inspection of the property. It was confirmed to be in an uninhabitable condition with most of the walls missing, damaged ceiling, and flooring. .

The condemnation procedures were started due to the condition of the house. Owners and/or heirs and all interested parties were given notice of City Council for the September 26th, 2022 hearing date. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property. This structure is considered to be unfit for human habitation.

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.
