**Re:** 2001 W. Pershing Circle- Old NLR Medical Building  
Lot: N/A Block: N/A Sub: NLR Doctors Park HRP  
City of North Little Rock, AR

Little Rock, AR

Dear Mayor Hartwick;

On or around November 10<sup>th</sup>, 2021, North Little Rock Code Enforcement Officer Cedric Williams began investigation into 2001 W. Pershing Circle after receiving a report from the Fire Marshall's office due to the structure being damaged by fire. The determined the structure to be unfit for human habitation. Officer Williams posted a "red tag" on the property stating the property is unsafe. This property was unoccupied at time of fire. It has been used by the unsheltered, and has been subject to severe vandalism. Officer Williams mailed out notification regarding the fire damage to the owners of record.

On May 26<sup>th</sup>, 2022, North Little Rock Code Enforcement Officer Timothy McEuen was assigned the investigation to initiate condemnation proceeding. There has been no contact from the owner(s), and the property is still in the same condition it was when the investigation began. The owners did acquire a demo permit, but it was not for a complete building demo. To date, there have been no noticeable work/remodel etc. performed.

The condemnation procedures were started due to the condition of the structure and it being a public nuisance/safety issue. Owners and/or heirs and all interested parties were given notice of City Council for the September 26<sup>th</sup>, 2022 hearing date. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property. This structure is considered to be unfit for human habitation.

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.

Timothy McEuen  
Code Enforcement Officer
