Re: 2600 E. Washington Avenue
Lot: 11 & 12 Block: 43 Sub: Choctaw
City of North Little Rock, AR

Owners: Wilbur Coleman Jr.
El Paso, TX

Dear Mayor Hartwick;

January 22nd, 2021, North Little Rock Code Enforcement Officer Ward Reese began an investigation into 2600 E. Washington Ave due to observed exterior violation of the property. After several attempts to make contact or owner(s) and/or heirs.

03/21/2021, Officer Reese obtained an administrative search warrant for the purpose of an interior inspection. The property was in an uninhabitable condition. The Owner(s) and heirs were issued a City Council hearing for condemnation for April 2021, Wilbur Coleman Jr. made a request for additional time due to Probate, the additional time was granted. The property has since been released from Probate, and ownership given to Wilbur Coleman Jr.

Mr. Coleman has made attempted to correct violations nor has our department been able to make contact with Mr. Coleman. Utility department shows utilities have been off in the structure since Jan 2016.

North Little Rock Code Enforcement Officer Timothy McEuen was assigned the investigation to reinstate the condemnation process. Officer McEuen discovered the back door had been damaged to the point it was freely standing open. The interior of the property was in the same uninhabitable condition it was when the original investigation began. On April 22nd, 2022, Officer McEuen posted a *Notice of City Council* hearing on the property, and mailed them out to all known owners and heirs.

The condemnation procedures were started due to the condition of the house. Owners and/or heirs and all interested parties were given notice of City Council for the September 26th, 2022 hearing date. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property. This structure is considered to be unfit for human habitation.

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.

Timothy McEuen
Code Enforcement Officer
