

City of North Little Rock
Fit 2 Live Community Garden Program
SEASONAL FUNDING APPLICATION

Garden Name:	Season:
Amount Requested:	Year:

The City of North Little Rock Fit 2 Live Community Garden Program accepts spring and fall funding proposals for community garden initiatives and urban agriculture projects in the City of North Little Rock. The goal of the Community Garden Program is to improve the constituents' access to healthy, affordable, and locally grown food by increasing the number of community gardens in North Little Rock. A community garden can be defined as any piece of land gardened collectively by a group of people, including non-profits, community centers, faith-based organizations, and schools. If you are interested in starting a community garden or expanding your garden's operations within North Little Rock city limits, you may propose your project to the City of North Little Rock for funding. Project funding is only for garden construction materials and seasonal maintenance in exchange for your property's use as a community garden and your volunteer garden management and maintenance efforts.

Email seasonal funding proposals to LShelby@nlr.ar.gov (Fit 2 Live/Community Garden Director) and ASawyer@nlr.ar.gov (Community Garden Coordinator) and with the subject;

[Redacted]

“**[Garden Name]** Funding Proposal, **[Season]**, **[Year]**”.

Failure to do so will prevent your proposal from review.

The seasonal deadlines for applications are February 15 and August 15 by 4:00 PM

PROPOSAL FORM

Funding award amounts are up to \$5,000 per planting season, per garden. City of North Little Rock provides funding in exchange for land access and volunteer work to; create, promote, and maintain a garden serving the community. The City of North Little Rock encourages gardens to request funding, but the Community Garden Committee and City Council reserve the right to decide the amount of funding allotted for each garden. Each garden can only apply for funding once every planting season.

PROGRAM REQUIREMENTS

Please ensure that you meet/can meet all criteria BEFORE applying.

- Must have and submit a **valid business license**.
- Must have **incorporated as a non-profit with the Secretary of State** under the umbrella of an existing non-profit or classified as an educational or faith-based organization. Subsequently, groups must submit **bylaws and articles of incorporation**.
- Must submit a **completed W-9 form**.
- Community Garden Projects must **operate in accordance with nondiscriminatory federal, state, and local requirements**.
- Projects must be **located on property lawfully reserved for public use as a community garden**. *For projects located on private property, i.e. not City-owned, property owners must sign a one-year License Agreement, once funding approved, subject to City Council approval.*
- Funded projects must **spend city funds on approved items within one (1) year of disbursement**.
- **Funded projects must submit two progress and budget reports every 6 months to the NLR Community Garden Program**, as outlined in the Memorandum of Understanding (MOU). **Originals or copies of all receipts must be included along with the budget reports.** *The City of North Little Rock will provide the MOU and reporting forms once funding approved.*
- Funded projects shall **make known the availability of garden plots to community members**.
- Funded projects will **be subject to a garden “check-in” every 2 months**. *The NLR Community Garden Program will provide the “check-in” rubric when funding approved.*
- At least **75% of the garden must be edible plants grown for a minimum six (6) months of the year**.
- The Garden Manager **must organize, maintain and post rules for the garden, and plan gardening projects prior to submitting a proposal**. The Garden Manager is **responsible for general maintenance of the space** (planting, weeding, watering, etc.) **and recruiting volunteers**.
- The Garden Manager (or a garden volunteer) is **required to attend 75% of monthly Garden Manager Meetings** held on the 4th Wednesday of every month.

Additional consideration will be given to community gardens that plan to;

- Donate excess food to community members and/or local food banks.
- Grow crops year-round.
- Are located in areas that qualify for SNAP-Ed programming.
- Offer reduced rates or non-payment option for gardeners with limited resources - if garden has plots that are rent/ or leased out in any way.
- Share/host educational opportunities.

FUNDED PROJECTS

Once funding an approved, please provide;

8. A signed copy of the Memorandum of Understanding (MOU). *The MOU will be provided upon approval.*
9. A signed copy of the License Agreement between the property owner and the City of North Little Rock; guaranteeing access to the property for use as a community garden. *The License Agreement will be provided upon approval.*

For garden projects within the North Little Rock School District, the funding application must be approved by the NLR School Health Coordinator - Heather Rhodes (RhodesH@nlrsd.org). The Memorandum of Understanding (MOU) maintenance plan must signed by the Garden Manager and an authorized School District representative.

PROJECT DESCRIPTION

Please be as detailed as possible.

1. What is the need for a community garden in your community? What kind of community garden are you proposing? What is your vision for the garden? Will you be planting seasonally (i.e. 6 months of the year) or year-round?

2. How will your garden use the awarded funding? In your description, please include two measurable goals for the upcoming year.

3. How do you plan to recruit members/volunteers? How many expected volunteer hours a week will volunteers to work? Please list all current volunteers.

4. Detail your watering plan. How will you irrigate the space? What is your water source? How often will you water your garden? Who will pay for the water? *The City of NLR is not responsible for paying water bills for any community garden.*

5. Detail your maintenance plan. Who will actively maintain the garden? Consider weeding, watering, planting, harvesting, mowing, trash pick-up, compost turning, etc. When and how often will garden be maintenance?

6. Detail your outreach plan. How have you engaged with your community thus far? How will you let surrounding community members know about the gardens' availability, group workdays, and garden rules? Will you be looking for grant funding from other organizations? Please include any/all planned garden events.

7. Detail your educational plan. How will you educate members of the community about the garden, planting seasons, what you're growing, how to harvest, how to prepare the produce, etc.? How will you work with other gardens in the Community Garden Program? Who (if any) will you collaborate with?

BUDGET FORM

Please be as detailed as possible and calculate the total cost at the bottom of this form.

Category	Cost	Description

Total: _____

Example of Budget Form

Please detail your budget, and calculate the total cost at the bottom of this form.

EXAMPLE:

Category	Cost	Description

Total Cost: \$350.00

Category	Cost	Description
Garden Structures	600.00	4 raised beds - triangle shaped, to replace cypress beds (quote from Metal Roofing Supply)
irrigation supplies	140.00	4-zone timer, 75' expandable hose with spray nozzle, annual replacement of filter, etc.
plants and seeds	50.00	vegetable starts and seeds not provided by fit2live
signage	50.00	galvanized sheet metal for back of aluminum sign, replace public bed signage
season extenders	60.00	row covers and wire for hoops

Total Cost: \$900.00

ASSURANCES

Please review and complete this form.

Upon review and approval by the Community Garden Committee of the City of North Little Rock, Applicants are not entitled to funding.

- **Allowable Expenses:**

Garden construction materials (raised beds, containers, etc.), walkways, tools, irrigation systems, soil amendments, seeds and plants. On a limited basis with prior approval from the Community Garden Program; fuel, water, electricity, tool rental, tool repair, labor, and educational workshop/conference fees.

- **Unallowable Expenses:**

Improving private property, tree removal, play equipment, overhead costs (staff, office supplies, phone bill, etc.), fountains, decorative structures, requests from individual property owners on their own behalf.

The City of North Little Rock has the right to require modifications to the seasonal funding proposal as a condition of approving and issuing funding.

The applicant **must provide a record of any funding spent**. Not all expenditures that are not for the purposes specifically described in the proposal, or not approved after modification, cannot use City of North Little Rock funding.

Any City funds remaining after the completion of the project shall be returned to the City with the final progress report.

Failure to return receipts for expenditures will result in reimbursement from the application to the City of North Little Rock equaling the amount of the expenditures.

The designated signatory hereby certifies that they have received a copy of the guidelines for qualifying for receipt of project funding. That all information provided in the application form is complete and accurate, and that the signatory authorized by their organization or group to execute this proposal and the Memorandum of Understanding (MOU) and License Agreement if the project is awarded funding.

Application Scoring Rubric

+

	0 Insufficient	1 Needs Improvement	2 Adequate	3 Excellent	Score
General Information	Proposal form is incomplete, NLR Community Garden Program (CGP) requirements cannot be met, and all attachments are not included.	N/A	N/A	Proposal form is complete, CGP requirements are met, and all attachments are included.	
Project Description	Unclear project description, lacks planning and research, or does not align with CGP goals and objectives.	Needs clarity and further planning. Good idea, but the link to the CGP goals and objectives needs to be further defined.	Adequate description with defined goals and objectives loosely linked to CGP goals and objectives.	Good project description and the goals and objectives are clearly linked to CGP goals and objectives.	
Budget	No budget present or items requested are unallowable expenses.	Budget is present but cost is not effective for the project, and some items requested are unallowable expenses.	Budget is present and cost effective for the project, and all items are allowable expenses.	Budget is detailed, cost effective, linked directly to proposed activities, and all items are allowable expenses.	
Justification	Unconvincing. Project description does not address stated need.	Poor demonstration of need or project's ability to address the need.	Need is well stated but the project may be too specific or too general to see results.	Need is strongly stated, and the project description is directly linked to the need.	
Feasibility	Insufficient or no information on how project activities will be carried out.	Details of the project are stated but are insufficient to carry out the proposed activities.	Project activities are reasonable but there may be some gaps or barriers.	Project activities are well aligned with the proposed outcomes and can be accomplished through project details and timeline.	
Volunteer/Community Capacity	Insufficient or no connection with a volunteer group or community partner is not defined.	A volunteer group or community partner is mentioned but the connection to the project is not defined.	The project shows a loose connection with a volunteer group or community partner and shows how they will be involved.	The connection with the volunteer group or community partner is well defined and the involvement is well explained.	
Sustainability	Long-term plans for maintenance are not stated.	Long-term plans are mentioned but supporting details are not provided.	Long-term plans are detailed but there may be some gaps or barriers.	Evidence is provided that this project has long-term plans beyond the funding period.
