**ADOPT A  
FIRE  
HYDRANT  
PROGRAM**

Arlington Heights residents can take an active role in helping to keep their community safe by participating in a unique program called “*Adopt-A-Fire Hydrant.*” Volunteers interested in assisting the Fire Department can simply adopt a fire hydrant and perform the following tasks on an ongoing basis:

- Maintain a 3-foot radius around the fire hydrant free and clear of snow and shrubbery.
- Watch for evidence of fire hydrant vandalism or removal of caps.
- Call Public Works at 847.368.5800 if you notice the hydrant leaking or observe other damage.

An appreciation certificate will be issued to you and/or your group upon adopting a fire hydrant.

First step is to find a Fire Hydrant close to where you live. Once you have located the hydrant you want, complete the “*Adopt A Hydrant*” form and submit to the Fire Department Office.

Cut along dotted line & drop off or mail to Arlington Heights Fire Department: 1150 N. Arlington Heights Road, AH 60004

*Dear Firefighters:  
I would like to help  
the Fire Department  
protect lives and  
property by adopting  
the fire hydrant  
located at*
