Construction Permit Requirements

1. 24 HOUR ADVANCE NOTICE SHALL BE GIVEN PRIOR TO INSPECTION – Exclusive of Saturdays and Holidays. Forms and Subgrades shall be inspected and approved before placement of P.C.C. or A.C. Sewers and other pipelines shall be inspected and approved before backfilling. Failure to obtain approval before proceeding with work may be cause for rejection.

2. TESTING EXPENSE SHALL BE BORNE BY THE PERMIT - Contractor shall provide compaction tests as required by the City.

FOR INSPECTIONS, PLEASE CALL (909)799-4440 OR (909)799-4410

I agree to comply with the rules and regulations set forth on this application and all provisions of the City Ordinances, Resolutions, Standards and Specifications currently in force, and to pay for the removal and proper replacement of any item installed under this permit which does not comply with the above. I agree to pay for any additional replacements in excess of the amounts shown above which may be cut or damaged as a result of any work accomplished under this permit.

FINAL INSPECTION APPROVED BY: ____________________________ Date ________________

LIABILITY AND WORKER’S COMPENSATION INSURANCE IS REQUIRED TO BE CARRIED BY ALL PERSONS UNDERTAKING ANY TYPE OF WORK WITHIN THE Public Right-of-Way in the City. The general requirement is that the Prime or General Contractor on a project will be required to carry Liability and Worker’s Compensation Insurance and that each Subcontractor performing work for the Prime or General Contractor will be required to carry Worker’s Compensation Insurance for those activities. Proof of the Liability and/or Worker’s Compensation Insurance shall be required prior to any Contractor beginning work within the Public Right-of-Way.

REQUIRED COVERAGE
LIABILITY INSURANCE. The contractor shall furnish the City of Loma Linda a policy or certificate of liability insurance in which the City is named insured or is named as an additional insured wit the Contractor. Notwithstanding any inconsistent statement in the policy or any subsequent endorsement attached thereto, the City shall be the insured or acting within the scope of their duties in the work against all claims arising out of or in connection with the work.

The Contractor may file insurance acceptable to the City covering more than one project. The coverage shall provide the following minimum limits:

**BODILY INJURY**                   **PROPERTY DAMAGE**
$250,000 Each Person              $100,000 Each Occurrence
$500,000 Each Occurrence          $250,000 Aggregate
$500,000 Aggregate Products and Completed Operations

A combined single limit policy with aggregate limits in the amount of $1,000,000 will be considered equivalent to the required minimum limits.

All liability insurance policies shall bear an endorsement or shall have attached a rider whereby it is provided that in the event of expiration or proposed cancellation of such policies for any reason whatsoever, the City shall be notified by registered mail return receipt requested giving a sufficient time before the date thereof to comply with any applicable law or statute but in no event less than 30 days before expiration or cancellation is effective.

**WORKER’S COMPENSATION INSURANCE**
All Prime or General Contractors, in addition to providing Liability insurance coverage shall provide Worker’s Compensation Insurance for all employees involved in the operations in the City. The identical cancellation or expiration clause is required as in the liability insurance.
