Registration is open for the Halloween Havoc Tour of houses

Farmington, Minn., Sept. 13, 2022 – Parks and Recreation is hosting a Halloween Havoc Tour of houses that will run from Oct. 17 through Oct. 31!

“We were asked to do a Halloween house tour last year after hosting our first Holiday Lights Tour,” Recreation Supervisor Emilee Shearer said. “We are excited to see some festive Halloween houses!”

This fun tour is for residents to showcase their spookiest lawn and house decorations for the Halloween holiday. Parks and recreation will publish a list of houses participating in the tour and then visitors can check them all out. The deadline to register a house for the tour is Sunday, Oct. 9. To register, visit FarmingtonMN.gov/HHT. Houses must have their decorations ready for the tour by Oct. 17.

For more information, visit FarmingtonMN.gov.
