

**MANATEE COUNTY UTILITIES  
Indoor Water Conservation Program  
Rebate Application**

Application Number

**Instructions:** Participation in the Manatee County Indoor Water Conservation Program is easy. 1.) Upon receipt of this application you will have 30 days for the installation of your new toilet(s) and to return this completed application to the address below. 2.) When returning this application attach copies of your purchase receipt(s) and a copy of your water bill [unless your park or condo association pays the water bill; then provide the name of the association that pays the water bill directly to Manatee County Utilities.] 3.) After your installation verification has been completed and approved, you will receive your rebate check in approximately 4 to 6 weeks. Rebates are available for single family, multi-family, and commercial building owners or authorized agents. 5.) This program applies to Wholesale and Retail Water Customers of Manatee County Utilities. High Efficiency (HE) toilets must be ANSI certified to use 1.28 gallons or less per flush for residential accounts and Ultra Low Flow toilet (ULFT)(1.6 gallons per flush) for commercial accounts that replaces a high-volume toilet installed prior to 1995.

**Residents whose primary water bills are paid directly to the City of Bradenton, City of Palmeto, Town of Longboat Key or Sarasota County are NOT eligible for a rebate.**

**CERTIFICATION AND TERMS AND CONDITIONS**

I hereby certify that I am the Building Owner and/or Authorized Agent for the above listed property where water service is provided. I have read and agree with the terms and conditions of the Manatee County Indoor Water Conservation Rebate Program policy and procedures. I have abided by the Project and Procedures and have read the Consumer Awareness Form that accompanies this application. 1.) Not all HET/ULF toilets perform alike. Choose yours carefully. 2.) Manatee County does not guarantee toilet performance or workmanship. 3.) Manatee County reserves the right to withhold a rebate for failure to comply with project requirements. 4.) **ALL** toilets for which a rebate is applied must be verified by an on-site confirmation to ensure a HE/ULF toilet replaced a 3.5 gallon or higher toilet. **DO NOT DISPOSE OF YOUR OLD TOILET PRIOR TO VERIFICATION.** 5.) Any toilet not self-installed by a single family homeowner, **MUST** be installed by a Licensed Plumber. 6.) A Licensed Plumber **MUST** be used when replacing any toilet in a leased or rented single family unit, multi-family or commercial property. A receipt showing the material and installation costs, and the plumbers name, address, phone number and license number must be provided in order to receive a rebate. 7.) Plumbers must be licensed in the State of Florida. 8.) Rebates are available on a first come, first serve basis.
