Multiple Activities Tax Credit: Subtotal of taxes paid to Renton							

Total External and Internal Credits from Section 1 and Section 2  
(Transfer this amount to the Credit line 9 on the Multi-Purpose Business & Occupation Tax Return)

**INSTRUCTIONS**

- Find the activity (70 – 79) that applies to your business (more than one may apply)
- Enter in Column 1 the taxable amount (gross less deductions) pertaining to the activity.
- Compute the amount of the credit and enter the total amount of the credits from Section 1 and Section 2 into the total credit box.

**Section 1: External Credits**

- Enter in Column 2 the Renton B&O tax due on the amount in Column 1 (use tax rate shown on tax return).
- Enter in Column 3 the tax paid to another local jurisdiction on the same taxable amounts
- Enter in Column 4 the lesser of Columns 2 or 3.

**Section 2: Internal Credits**

- Enter in Columns 2 – 5 the Renton B&O tax due on each of the activities, as applicable.
- For activity 73 enter in Column 6 the lesser of the tax amount in Columns 2 or 3.
- For activity 74 enter in Column 6 the lesser of the tax amount in Columns 2 or 4.
- For activities 75 and 76 enter in Column 6 the lesser of the tax amount in Columns 3 or 4
- For activity 77 enter in Column 6 the lesser of the tax amount in Columns 2 or 5
- For activities 78 and 79 enter in Column 6 the lesser of the tax amount in Columns 3 or 5
- If tax amounts are equal (one is not less than the other) for activities 73 – 79, then enter one of the tax amounts in Column 6.
