- [King County vaccine verification guidelines](#) (multiple languages)
- [King County proof of vaccination or negative test guidelines](#)

Starting Monday, Oct. 25, verification of vaccination or proof of a negative COVID-19 test will be required to participate in activities, events, fitness programs, performances, or other gatherings in all indoor recreation facilities.

As this is a mandate from Public Health-Seattle & King County, we ask if you have questions, please contact either Kelly Beymer, parks and recreation administrator, via [email](#) or by calling 425-430-2527 or Carrie Nass, interim recreation director, via [email](#) or by calling 425-430-6624.

Vaccine verification is not required for entry for a quick and limited purpose, such as asking a question or registering for a class.

The following city facilities are affected:

- [Renton Community Center](#), 1715 Maple Valley Hwy.
- [Renton Senior Activity Center](#), 211 Burnett Ave. N
- [Highlands Neighborhood Center](#), 800 Edmonds Ave. NE
- [Renton History Museum](#), 235 Mill Ave. S
- [Renton Pavilion Event Center](#), 233 Burnett Ave. S
- [Carco Theater](#), 1717 Maple Valley Hwy.
- [River Rock Restaurant and Banquet Facility](#), 4050 Maple Valley Hwy. Maplewood Golf Course pro shop and driving range are exempt.

KEEP EACH OTHER SAFE

King County requires proof of COVID-19 vaccination or a negative test at this establishment.

Valid forms of verification include:

Vaccination card

Photo of vaccination card

Record from MyIRMobile.com or other app

Printed record from vaccine provider or MyIRmobile.com

Negative COVID-19 test taken in the last 72 hours

QUESTIONS OR CONCERNS?
[KingCounty.gov/Contact](https://www.kingcounty.gov/Contact) or 206-477-3977

All customers 12 years and older must show proof of being fully vaccinated. Children 11 years and younger are exempt from the mandate.

To be considered "fully vaccinated," a person must:

- have received all required doses of an FDA-authorized COVID-19 vaccine: two doses of the Moderna or Pfizer-BioNTech vaccines, one dose of the Johnson & Johnson vaccine, or a WHO-authorized COVID-19 vaccine series.
- Fourteen (14) days must have passed since the final dose.

Approved verification of vaccination is established by any of the following methods of documentation:

- CDC COVID-19 Vaccine Record Card, or photo of CDC Vaccine Record Card
- QR Code, digital or printed certificate from MyIRmobile.com (WA Department of Health partner website, My Immunization Records)
- Vaccine administration record from a vaccine provider, including an individual's doctor, pharmacy, or another official immunization record from within or outside the U.S., including a photo or photocopy

Customers who are not fully vaccinated or do not wish to participate in vaccination verification can enter these facilities by:

- providing digital or printed documentation from a testing agent (laboratory, health care provider, or pharmacy) of a negative FDA-approved PCR test administered within the previous 72 hours.

Mask Mandate

All customers entering the facilities must adhere to the current indoor mask mandate, with a properly fitting mask/face covering over the nose and mouth.
