With information regarding COVID-19 continually being updated, I’ve opted not to post our newsletter this time to share what we know about the residents of Renton. In each edition our team will bring you the latest updates on the current status of the COVID-19 virus and any information from county, state and federal offices and agencies.

Google Translate available on website. For additional translation services contact communications@rentonwa.gov.

Monica Sent was one of many volunteers who put part of their time and energy into Renton’s COVID-19 awareness during Ramadan. The project was a partnership between the Renton Complete Count Committee, Renton Census Ambassadors and the East African Community Services.

The project was an effort to reach those populations we’ve launched an advertising campaign on several Spanish and Vietnamese language radio stations and online newspapers.

However, these statistics also show we are falling short in responses from Hispanic, Asian and African American residents. To help reach these populations we've launched an advertising campaign on several Spanish and Vietnamese language radio stations and online newspapers.

For me it all begins with the efforts of our team. Monica’s approach to encourage participation in the Census has been a community-wide effort. For her it all begins with the volunteers who by word of mouth encouraged others to respond. This is our chance to shape the future of Renton and our county, and if you know anyone who hasn’t, please encourage them to respond. This is our chance to shape the future of Renton and our county, we should not let slip through our fingers.

The King County Council has approved an additional $50 million in COVID-19 emergency funding.

The funding package establishes a $500,000 mitigation fund allowing local governments, like Renton, to recover costs related to shelter-in-place restrictions and other countermeasures.

In each edition our team will bring you the latest updates on the current status of the COVID-19 virus and any information from county, state and federal offices and agencies.

In each edition our team will bring you the latest updates on the current status of the COVID-19 virus and any information from county, state and federal offices and agencies.

My appreciation for the support they recently provided the Renton Complete Count Committee and our Renton Census Ambassadors. We envision them as advocates within our community

We will continue to provide information during Ramadan. The project was a partnership between the Renton Complete Count Committee, Renton Census Ambassadors and the East African Community Services.

The funding package establishes a $500,000 mitigation fund allowing local governments, like Renton, to recover costs related to shelter-in-place restrictions and other countermeasures.

Renton is ideal location for COVID-19 vaccine facility

April 16
City of Renton, King County: Renton ideal location for COVID-19 vaccine facility

• Martin Pastucha is named 
  to Renton, Martin .
  Pastucha has 30 years 
  of experience and 
  skills as an administrator. His 
  immediate impact. His first 
  day will be June 1. Welcome 
  Martin Pastucha.

• Martin Pastucha 
  has reached out to the 
  community. He hopes 
  residents are encouraged to 
  participate in the 
  senior resources survey.

• Mayor's letter 
  of support 
  for Renton businesses 
  detailing available resources 
  and how to volunteer.

• Mayor's letter 
  to be responsive to COVID-19 
  measures and health standards in place 
  for adequate social distancing 
  on the opening of businesses.

• Mayor's letter 
  to be responsive to COVID-19 
  measures and health standards in place 
  for adequate social distancing 
  on the opening of businesses.

• Mayor's letter

Public Works

Onsite Construction

The Governor's Office has announced that Governor Inslee will sign an executive order to allow construction to begin on May 4. All contractors and owners must follow the Governor's Phase 1 construction restart job site requirements.

One site supervisor will be designated by the contractor for the job site. The site supervisor shall be responsible for enforcing the COVID-19 safety plan and for ensuring that the job site remains in compliance with the Phase 1 construction requirements.

The COVID-19 exposure control plan must include COVID-19 safety training and physical distancing; hygiene and sanitation; incident reporting; and site decontamination procedures. Contractors must also provide personal protective equipment for construction workers.

Construction work will be performed at a safe distance from the general public. Contractors may post signs advertising the city’s construction project at the job site.

Contractors must post at the job site a comprehensive written plan including the job being shut down. The plan must include COVID-19 site safety rules and procedures. Contractors are required to post at each job site written notice to employees, subcontractors, and government officials the Phase 1 work plan.

All Contractors are required to post at each job site a comprehensive written notice to employees, subcontractors and government officials the Phase 1 work plan. The notice must include the job being shut down.

Workers will be required to wear face masks and maintain social distancing. Workers who do not follow these rules will be subject to sanctions.

To report a violation or concern, call Renton Police Department at 425-720-7200.

Connect with others. Talk with people you trust about your concerns and how you are feeling.

Community and Economic Development Department (CED) has released an informational video demonstrating how a city can be implementing the construction-related provisions of Gov. Inslee’s Governor’s Phase 1 construction restart job site requirements and guidance related to safety and health.

The video includes information on safety training, preparing employees for symptoms, and logging job site visitors. The governor did not include the contractor and workers in the plan. The plan includes requirements related to safety and health, including physical distancing and providing PPE.

Virtual inspections will be accomplished. If you are outstanding, virtual inspections will be accomplished. If you have a problem with PPE, please call 911.

King County

- King County Meghan C. Ryan, Metro’s executive director, said the service is part of King County’s effort to support essential travel and transit workforce during COVID-19.
- King County postpones payment deadline to June 1 for individual property taxpayers.
Governor issues four-phase plan to reopen the state: Governor's statement on Century Link field hospital.
**Phase 1**
- Only outdoor activities such as fishing, hunting, playing golf and some park access, which allows limited non-essential travel to engage in Phase 1 activities is permitted.
- Essential travel and limited non-essential travel to engage in Phase 1 activities is permitted.

**Phase 2**
- Only outdoor activities such as fishing, hunting, playing golf and some park access, which allows limited non-essential travel to engage in Phase 1 activities is permitted.
- Essential travel and limited non-essential travel to engage in Phase 1 activities is permitted.

**Phase 3**
- All component phases of phases 1 and 2 will carry into the start of Phase 3, which will include limiting social contact even further and performing additional modifications to restrict activities.

**Additional Modifications**
- Professional sports (horse racing, baseball, etc.) without audience participation
- Going to concerts, festivals, parades, theaters, museums, art galleries or sporting events
- Attending weddings or religious services
- Going to work if your job is part of an essential business
- Medical appointments and pharmacy pickup
- Order restaurant takeout or to-go only
- Outdoor group recreation
- Professional services/office store purchases allowed with restrictions
- Real estate
- Retail open for curb side pick-up orders only
- Car washes
- Landscaping
- Some pet services (not including grooming)

**Safe Start Plan**

Through the Washington “Safe Start” Plan, businesses and activities would re-open in phases with appropriate social distancing and appropriate measures in place. Each phase has a distinct set of standards in place. Each phase will last a minimum of three weeks, and data and metrics will determine when the state can move from one phase to another.

The following are all activities that are allowed:

- Essential businesses
- Essential travel
- Outdoor activities such as fishing, hunting, playing golf and some park access, which allows limited non-essential travel to engage in Phase 1 activities

When COVID-19 disease burden is low and decreasing and the four capabilities (health care system readiness; testing capacity and availability; case; and contact investigations; and ability to protect high-risk populations) are met, the governor will issue an order for the state to move into Phase 2 later this week.

As noted above, each phase will last at least three weeks, and data and metrics will determine when the state can move from one phase to another.

Included:
- All components of Phase 1 will carry into the start of Phase 2, which will include limiting social contact even further and performing additional modifications to restrict activities.

Initial:
- Restaurants and taverns at less than 75% capacity with 3-feet social distancing in Phase 3.
- Essential businesses
- Essential travel
- Outdoor activities such as fishing, hunting, playing golf and some park access, which allows limited non-essential travel to engage in Phase 1 activities

**Additional Modifications**
- Professional sports (horse racing, baseball, etc.) without audience participation
- Going to concerts, festivals, parades, theaters, museums, art galleries or sporting events
- Attending weddings or religious services
- Going to work if your job is part of an essential business
- Medical appointments and pharmacy pickup
- Order restaurant takeout or to-go only
- Outdoor group recreation
- Professional services/office store purchases allowed with restrictions
- Real estate
- Retail open for curb side pick-up orders only
- Car washes
- Landscaping
- Some pet services (not including grooming)

**Essential Travel**

- Essential travel and limited non-essential travel to engage in Phase 1 activities is permitted.

**Additional Modifications**
- Professional sports (horse racing, baseball, etc.) without audience participation
- Going to concerts, festivals, parades, theaters, museums, art galleries or sporting events
- Attending weddings or religious services
- Going to work if your job is part of an essential business
- Medical appointments and pharmacy pickup

COVID-19 Daily Update from Mayor Armond o Pavone

• All other business activities not yet listed except for nightclubs and events with no more than 50 people.

Phase 4

If COVID-19 disease burden stays low and the four capabilities (healthcare system readiness; testing capacity and availability; case and contact investigations; and ability to protect high-risk populations) are met, the governor will issue an order for the state to move into Phase 4.

Includes:

- All components of phases 1, 2 and 3 will carry into the start of Phase 4 which would be a full return to public interactions (with appropriate physical distancing).
- Phase 4 also includes resuming some public activity, such as:
  - Nightclubs
  - Concert venues
  - Large sporting events
  - Resume unrestricted staffing of worksites, but continue to practice physical distancing and good hygiene

COVID-19 Risk assessment dashboard

The state’s COVID-19 dashboard provides a high-level overview of the main data points discussed among state leaders and the level of risk experts perceive around the current numbers. It is not intended to represent the totality of all COVID-19 related data. The state is currently developing several new systems for collecting, compiling and reporting much of the data outlined below and this dashboard will link to those new systems as they are completed. In the meantime, where possible, variances listed to the data that is currently available or created a snapshot that summarizes the most recent information available. The dashboard is updated weekly on Wednesdays.

Federal Response

• April 27 - The Small Business Administration (SBA) began accepting applications on April 27 for additional funding through the Paycheck Protection Program, Rentor's Business Response Team through Startup 425 can help with free, personal assistance, available in multiple languages.

  • The SBA is also offering low-interest Economic Injury Disaster Loans to small businesses who have suffered substantial economic injury as a result of the Coronavirus (COVID-19).

• April 3 - CDC recommendation regarding the use of cloth face coverings, especially in areas of significant community-based transmission.

• WHO - When and how to use masks (World Health Organization)

• March 27 - Congress passes CARES Act, a $2.2 trillion federal stimulus package to aid coronavirus relief and economic stimulus.

• March 22 – President approves major disaster declaration for Washington.
