

## IBEW Salary Schedule B Conversion

This documents the implementation of the IBEW salary schedule B conversion, effective May 7, 2022, per Chapter 2, Article I, Salaries, section 3.C.:

- C. Salary Schedule B Salary Ranges: Reduce from 15 steps to 12 steps:** Effective May 7, 2022, the Schedule B salary ranges will be reduced from 15 steps to 12 steps, using the same top and bottom salary steps, establishing 3 percent between salary steps, except creating a new entry salary step that is 4.7% below the new step B.

The following conversion table places an employee's salary step at the closest salary step in the new Salary Schedule B salary range that results in the closest, but not lower pay rate effective for the employee as of May 7, 2022:
