  - Split System – 16 SEER/8.2 HSPF
  - Packaged System - 15 SEER/8.0 HSPF
  - The duct work must pass Title 24, via HERS CF3R.
  - 2 stage compressor.

### TERMS & CONDITIONS:

- By applying for this rebate you acknowledge that the rebate influenced your decision to install the qualifying equipment at your residence.
- Customers may be eligible for additional rebates if there is a change in residence.
- **Rebates may not exceed the cost of the qualifying equipment.**
- Roseville Electric Utility disclaims any and all liability, loss or damage that may arise as a result of the applicant's or contractor's participation in this program.
- Roseville Electric Utility is not responsible for items lost or delayed in the mail, nor any remittance delayed due to incorrect rebate applications.
- Roseville Electric Utility is not responsible for any taxes that may be imposed as a result of your receipt of any financial rebates from Roseville Electric Utility.
- Roseville Electric Utility reserves the right to verify both the qualification and installation of equipment.
- Roseville Electric Utility may share my name, address, electricity usage or other needed information with a consultant for the purpose of on-site pre and post inspection.
