A FEW GOOD WORDS FROM
City Manager Nolan Sunderman

Shawnee’s stability shined in 2021, despite yet another rollercoaster year packed with new challenges. I am proud of how our community continued to pull together to move our City forward.

Innovation is a common theme in Shawnee, and I was excited to see yet another year of new ideas bringing life to our community. Just a few of those highlights include unique downtown development, the first phase of the Monticello Road Project, and our newest event that proved very popular, Moonlight Market.

We also focused on finding out what YOU want our community to look like now and in the future, through the Achieve Shawnee process. We spent months listening to YOUR ideas and then working to shape them into a new Comprehensive Plan that will guide our developments and decisions.

I am honored to be your City Manager, where I get to work closely with the community, with your City Council, and with the loyal public servants who work every day to serve YOU. I hope you take time to reflect on this annual report so we can all celebrate our accomplishments. None of this would be possible without our community and we are so very thankful for your support, engagement, and commitment to Shawnee.
Imagine Shawnee

Over the past year we have worked hard to take what you told us through Imagine Shawnee, and implement the Five Priority Pillars have been adopted by the Governing Body.

- Attract diverse housing to meet the needs of a growing city
- Create a safe, sustainable, inclusive, and interactive community
- Design an environment where businesses thrive
- Lead in maximizing and integrating natural resources
- Provide exceptional city services and infrastructure

One of the first things we did was kick off a process to Achieve the vision you Imagined.

Achieve Shawnee, a long-awaited update to the City’s Comprehensive Plan, was completed in 2021. At its core, a comprehensive plan is a vision for the future at a community scale. Comprehensive plans are created by and for the community to record shared goals and desires for themselves and their fellow community members. A comprehensive plan examines what a community is, where it came from, and crafts a coordinated road map for the future.

This new road map will guide the growth and development of the community for the next 10 to 20 years.

Good Employees Start Here.

We are so proud of all our winners and their innovative spirit that makes Shawnee stand out!

The City is proud to announce the winners of our Innovation Awards! An internal committee, Disruption by Design (DBD), unveiled this new program to recognize employees who initiated and cultivated ideas that will provide better services to residents, more efficiency, improved safety, or cost savings. The winning projects are:

- New maps to help staff be more efficient - Jason Bowman, Cheryl Muller
- New safety blocks for a police rescue vehicle - Brady Bergerhofer
- An interactive 360-degree tour of Shawnee Town 1929 - Jenny Johnson
- A revamped and expanded splash pad at Erfurt Park - Sean Keenan, Jason Rupp
- The use of a 3D printer to create safety equipment for the Fire Department - Chris Pagano
- A new GPS robotic line strip for athletic field - Darrell Thompson, Scott Fuller, Steve Wibbenmeyer

Excellence in Public Service Award Winners

Chris Pagano
Jenny Johnson
John Midiros
Alex Popp
Jimmy Helm

We are so proud of all our winners and their innovative spirit that makes Shawnee stand out!
